File No. 35964

**IRRIGATION FACILITIES RELOCATION AND SLOPE EASEMENT AND CONVEYANCE OF ACCESS**

**KNOW ALL MEN BY THESE PRESENTS, That we, Ned F. Smith and Katherine M. Smith, husband and wife, legal owners; Harry H. Carrick and June G. Carrick, husband and wife, contract purchasers, Grantors, for the consideration of the sum of One Hundred Fifty and No/100 Dollars (\$150.00), to us paid, have granted and do hereby grant to the State of Oregon, by and through its State Highway Commission, hereinafter referred to as State, a permanent easement for the relocation of irrigation facilities and for the construction, operation and maintenance of highway slopes, over, across and upon the following described premises, to wit:**

A parcel of land lying in Lots 4 and 5, Block 1, BAILEY TRACTS NO. 2, in Klamath County, Oregon; the said parcel being that portion of said Lots 4 and 5 included in a strip of land 5 feet in width, lying Southerly of and adjacent to the Northerly line of Lots 4 and 5, containing 700 square feet.

The State by virtue of the easement herein granted shall have the right to go upon the above described real property for the purpose of relocating thereon the irrigation facilities now constructed upon the property adjacent thereto as may be necessitated by the widening and improvement of the K. L. D. Canal-Madison Street Section of the relocated Klamath Falls-Lakeview Highway, and upon completion of said changes, the relocated irrigation facilities shall, for all intents and purposes, be considered permanently located, and the rights in said relocated irrigation facilities shall be the same as previously existed in that portion of the irrigation facilities which are being relocated; therefore, Grantors, as a part of the consideration hereinabove stated, do hereby grant to the legal owners of said facilities the right to operate, maintain and replace said facilities over and across said easement area, subject to the rights of the State under the slope easement herein granted. Nothing herein contained shall be construed to impose any duty, obligation, or liability upon the State by reason of the relocation, operation or maintenance of said facilities upon the hereinabove described property, nor shall there be imposed any liability, duty, or obligation upon the State to maintain, operate or replace said facilities.

The State by virtue of the easement herein granted shall also have the right to go upon the above-described property for the purpose of constructing, operating and maintaining slopes as may be necessitated by the widening and improvement of the adjoining Klamath Falls-Lakeview Highway, it being understood that nothing heretofore contained shall grant to the State of Oregon, by and through its State Highway Commission, the right to excavate beneath existing buildings or deposit fill materials.
