thereof and when due, all taxes, assessments and other charges levied against  
said property; to keep said property free from all encumbrances having pre-  
cedence over this trust deed; to complete all buildings in course of construction

no waste of said premises; to keep all buildings, property and improvements  
now or hereafter erected on said premises continuously insured against loss

in a sum not less than the original principal sum of the note or notes  
secured by this trust deed, and to cause company accepting to the bene-  
ficiary to issue the ordinary policy of insurance in correct form and with  
approved loss payable clause in favor of the beneficiary attached and with  
premium paid to the principal place of business of the beneficiary at least  
fifteen days prior to the effective date of any such policy of insurance.  
If said policy of insurance is not so tendered, the beneficiary may, at its own  
discretion obtain insurance for the benefit of the beneficiary which insurance  
shall be non-cancelable by the grantor during the full term of the policy thus  
obtained.

In order to provide regularly for the prompt payment of said taxes, assess-  
ments or other charges and insurance premiums, the grantor agrees to pay to  
the beneficiary, together with and in addition to the monthly payments of principal and  
interest, an amount equal to one-twelfth (1/12th) of the taxes, assessments and  
other charges due and payable with respect to said property within each succeeding  
twelve months, and also one-thirty-sixth (1/36th) of the insurance premiums  
payable with respect to said property within each succeeding three years while  
this trust deed remains in effect, as estimated and directed by the beneficiary.  
The amount so paid by the grantor to the beneficiary shall be applied to the  
several purposes therein and shall not be charged to the principal of the  
loan; on the election of the beneficiary, the sums so paid shall be held by  
the beneficiary in trust as a reserve account, without interest, to pay said  
premiums, taxes, assessments or other charges when they shall become due  
and payable.

While the grantor is to pay any and all taxes, assessments and other  
charges levied or assessed against said property, or any part thereof, before  
the same begin to bear interest and also to pay premiums on all insurance  
policies upon said property, such payments are to be made through the bene-  
ficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay  
any and all taxes, assessments and other charges levied or imposed against  
said property in the amounts shown by the statements submitted by  
the collector of such taxes, assessments or other charges, and to pay said sums to  
the insurance carriers or their representatives, and to charge said sums to the  
principal of the loan or to withdraw the sum which may be required from  
the reserve account, if any, established for that purpose. The grantor agrees  
in no event to hold the beneficiary responsible for any taxes, assessments or  
insurance premiums or any part thereof, in the event of any  
loss to compromise and settle with any insurance company and to apply any  
such insurance receipts upon the obligations secured by this trust deed. In  
computing the amount of the indebtedness for payment and satisfaction in  
full or upon sale or other acquisition of the property by the beneficiary after

default, any balance remaining in the reserve account shall be credited to the  
indebtedness. If the reserve account for taxes, assessments, insurance premiums  
and other charges is not sufficient at any time for the payment of such charges  
as they become due, the grantor shall pay the deficit to the beneficiary  
and, if not paid within ten days after demand, the beneficiary  
may at its option add the amount of such deficit to the principal of the  
obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then  
the beneficiary may at its option carry out the same, and all its expenditures there-  
for shall draw interest at the rate specified in the note or notes payable by  
the grantor or otherwise, and shall be secured by the lien of this trust deed. In  
this connection, the beneficiary shall have the right in its discretion to complete  
any improvements made on said premises and also to make such repairs to said  
property as in its sole discretion it may deem necessary or advisable.

covenants and conditions of the trust, including the cost of title search, as well as  
all costs and expenses of the trustee incurred in connection with or  
in enforcing this obligation, and trustee's and attorney's fees actually incurred;  
to appear in and defend any action or proceeding purporting to affect the security  
hereof or the rights or powers of the beneficiary or trustee, and to pay all  
costs and expenses, including costs of defending the beneficiary's or trustee's  
action or proceeding to the beneficiary in the court in any such action or proceeding  
in which the beneficiary or trustee may appear and in any suit brought by bene-  
ficiary to foreclose this deed, and all said sums shall be secured by this trust  
deed.

The beneficiary will furnish to the grantor on written request therefor an  
annual statement of account, but shall not be obligated or required to furnish  
any further statement of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken  
under the right of eminent domain or condemnation, the beneficiary shall have  
the right to commence, prosecute in its own name, appear in or defend any ac-  
tion or proceedings, or to make any compromise or settlement in connection with  
such taking and, if it so elects, to require that all or any portion of the money's  
payable as compensation for such taking which shall be expended by the  
beneficiary to pay all reasonable costs and expenses, including attorney's fees necessarily paid  
by the grantor in the grantor in such proceedings, shall be paid to the beneficiary  
and applied by it first, upon any reasonable costs and expenses and attorney's  
fees necessarily paid or incurred by the beneficiary in such proceedings, and the  
balance applied upon the indebtedness secured hereby; and the grantor agrees  
at its own expense, to take such actions and execute such instruments as shall  
be necessary in obtaining such compensation, promptly upon the beneficiary's  
request.

2. At any time and from time to time upon written request of the  
beneficiary, payment of its fees and presentation of its bills, the trustee for  
foreclosure (in case of any recovery or cancellation), without affecting the  
lien of the person for the payment of the indebtedness, the trustee may (a)  
consent to the making of any map or plan of said property; (b) join in granting  
any easement or creating and restriction thereon; (c) join in any subordination  
or other agreement affecting that deed or the lien or charge hereof; (d) reconvey,  
without warranty, all or any part of the property. The grantee and reconvey-  
ance may be described as the "person, persons, firm or entity entitled thereto".  
The record holder or any minister or agent shall be conclusive proof of the  
claimant thereof for any of the services in this paragraph  
shall be \$5.00.

As additional security, grantor hereby assigns to beneficiary during the  
continuance of this trust, all rents, issues, royalties and profits of the prop-  
erty affected by this deed and of any personal property located thereon. Until  
the performance of any agreement hereunder, grantor shall have the right to col-  
lect all such rents, issues, royalties and profits earned prior to default as they  
become due and payable. Upon and during the grantor hereunder, the  
beneficiary may, at any time, sue for or otherwise collect the same, either in person, by agent or by a  
representative appointed by a court, and without regard to the adequacy of any  
security for the indebtedness hereby secured, enter upon and take possession of  
said property or any part thereof. In its own name sue for or otherwise collect  
the rents, issues and profits, including those past due and unpaid, and apply  
the same, less costs and expenses of operation and collection, including reason-  
able attorney's fees, upon any indebtedness secured hereby, and in such order  
as the beneficiary may determine.

14

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits, the proceeds of fire and other insurance policies or compensation or awards for damage or loss of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a \$5.00 service charge.

6. Upon delivery of said notice of default and election to sell the beneficiary shall furnish the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustees shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the trustee for the trustee's sale, the grantor or other person so privileged may pay the amount then due under this trust deed and the obligations secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation) and attorney's fees not exceeding \$50.00 each) other than such portion of the principal as would then be due had no default occurred and thereby cure such default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale either as a whole or in separate parcels and the grantor who may determine at public auction to the highest bidder for cash, in lawful manner of the State of Oregon, payable at the time of sale. Trustee may postpone sale of any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public an-

nouncement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his title in form as required by law, conveying the property so sold, but without any warranty or warranty, express or implied. The recitals in the deed of any matter or fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

9. When the trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney. (2) To the obligations secured by the interest of the trustee in the trust deed as their interests appear in the order of their priority. (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee or trustees or to any succeeded or succeeded trustee hereunder. Upon such appointment, and without convenience of the successor trustee, the latter shall be vested with all title, powers and duties conferred upon the trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by the beneficiary, containing reference to the trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

11. Trustees execute this instrument when this deed, duly executed and acknowledged is made a public record, as provided by law. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which the grantor, beneficiary or trustee shall be a party, unless such action or proceeding is brought by the trustee.

12. This deed applies to trustees to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns.
