#### ARTICLE I.

##### TERMS AND CONDITIONS OF FIRST MORTGAGE BONDS, 6¼% SERIES Q DUE 1998.

SECTION 1. There shall be and is hereby established a series of bonds designated First Mortgage Bonds, 6¼% Series Q Due 1998, said bonds being sometimes hereinafter referred to as the "Bonds of Series Q", and the form thereof shall contain suitable provisions with respect to the matters hereinafter in this Section 1 specified. Bonds of said series shall mature on September 1, 1998, and shall be issued in the form

of registered bonds, which shall be numbered consecutively from RQ-1 upwards and shall be of the denominations of \$1,000 or any multiples of \$1,000.

The Bonds of Series Q shall bear interest at the rate of six and one quarter per centum (6¼%) per annum, payable semi-annually on March 1 and September 1 in each year; both the principal of and the interest on said bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts, at the office or agency of the Company in the City of San Francisco, State of California.

Interest on each Bond of Series Q shall accrue from the date thereof, unless such date is an interest payment date and the Company shall default in the interest due on such date, in which case such interest shall accrue from the first day of March or the first day of September next preceding the date thereof. The Bonds of Series Q shall be dated as of the last interest payment date preceding the date of authentication to which interest has been paid on such Bonds, except that (i) if any such Bond shall be authenticated on any interest payment date to which interest has been paid, it shall be dated as of the date of such authentication, (ii) if any such Bond shall be authenticated prior to the close of business on the record date (as hereinafter in this Section defined) with respect to the first interest payment date for the Bonds of Series Q, such Bond shall be dated as of September 1, 1967, and (iii) if any such Bond shall be authenticated after the close of business on the record date with respect to any interest payment date and prior to such interest payment date and there is no existing default in the payment of interest on the Bonds of Series Q, such Bond shall be dated as of such interest payment date.

The person in whose name any Bond of Series Q is registered at the close of business on any record date (as hereinafter defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to the record date and prior to such interest payment date (unless there is an existing default in the payment of interest on the Bonds of Series Q at the time of such cancellation), except if and to the extent the Company shall default in the payment of the interest due on such interest payment date, in which case such defaulted interest shall

be paid to the persons in whose names outstanding Bonds of Series Q are registered at the close of business on the day preceding the date of payment of such defaulted interest or at the close of business on the special record date fixed for the payment of such defaulted interest if one shall have been fixed as hereinafter provided. Such special record date may be established by or on behalf of the Company by notice given by mail, first class postage prepaid, to holders of Bonds of Series Q at their last addresses as they appear upon the registry books not less than 10 days preceding such special record date, which special record date shall be not more than 30 days prior to the subsequent interest payment date. In the event that any Bond of Series Q is called for redemption and the redemption date is subsequent to a record date with respect to any interest payment date and prior to such interest payment date, interest on such Bond will be paid to the person in whose name such Bond is registered on such redemption date. The term "record date" as used in this Section with respect to any regular interest payment date shall mean the February 13 or August 16, as the case may be, next preceding such interest payment date, whether or not such February 13 or August 16 is a business day.

SECTION 2. Bonds of Series Q shall be exchangeable at the principal office of the Corporate Trustee for bonds of the same series of other authorized denominations having the same aggregate principal amount. No service charge shall be made for any transfer or exchange of Bonds of Series Q, but the Company may require the payment of a sum sufficient to cover any tax or taxes or other governmental charge.

The Company shall not be required to make transfers or exchanges of Bonds of Series Q during the period of 15 days preceding the mailing of notice of a partial redemption of such Bonds, or to transfer or exchange any such Bond, or the portion thereof, which shall have been designated for redemption.

SECTION 3. The provisions of Section 8 of Article I of the Indenture shall not be applicable to the Bonds of Series Q except that such bonds may bear such numbers and letters and may contain such other specifications or bear such legends or endorsements as may be required to comply with the rules of any governmental authority or of any stock exchange or to conform to usage with respect thereto.

SECTION 4. Any or all of the Bonds of Series Q shall be redeemable at the option of the Company at any time, and from time to time, prior to maturity, at the principal amount thereof and accrued interest thereon to the date of redemption together with a premium determined as specified in the form set forth herein for the bonds of said series. The Company covenants and agrees that it will not make any redemption prior to September 1, 1977, of any Bond of Series Q unless it shall first have delivered to the Trustees a certificate signed and sworn to by the President or a Vice President and the Treasurer or an Assistant Treasurer of the Company, to the effect that (i) the Company is not making such redemption for the purpose of refunding the bonds to be redeemed by the application or utilization, directly or indirectly, of borrowed funds, or the proceeds of the sale of any debt security, having an interest cost to the Company (computed in accordance with accepted financial practice) of less than 6.30% per annum, and (ii) the Company does not contemplate replacing the funds applied to the redemption of the Bonds so to be redeemed by other borrowed funds, or the proceeds of the sale of any debt security, having an interest cost to the Company (computed in accordance with accepted financial practice) of less than 6.30% per annum.

Notice of redemption of Bonds of Series Q shall be given by mail, first class postage prepaid, not less than thirty and not more than forty-five days prior to the date of redemption, to the holders of the Bonds of Series Q which are to be redeemed, at their last addresses as they appear upon the bond registry books. The particular Bonds of Series Q to be redeemed, in whole or in part (any redemption in part to be in the principal amount of \$1,000 or any multiple thereof), shall be selected by the Corporate Trustee pro rata (as nearly as may be) from the holders of the outstanding Bonds of Series Q not previously called for redemption in a proportion that their respective holdings bear to the aggregate principal amount of the outstanding Bonds of such series on the date of selection; such allocations as may be requisite for this purpose shall be made by the Corporate Trustee, in its uncontrolled discretion, to maintain the principle of pro rata redemptions in any partial redemption or in any series of partial redemptions.

Upon presentation of any Bond of Series Q, which is to be redeemed in part only, the Company shall execute, and the Corporate Trustee upon cancellation of such Bond shall authenticate and deliver to the

registered holder thereof, without cost to such holder, a new Bond or Bonds of the same series and of any authorized denomination or denominations, for the unredeemed portion of the Bond so presented, or, at the option of such registered holder, there may be noted thereon at the direction of the Corporate Trustee the payment of the portion of the principal amount of such Bond so called for redemption; provided, however, that payment of the portion of any Bond of Series Q (other than the final payment on account thereof) called for redemption may be made directly by the Corporate Trustee to the holder thereof without presentation or surrender thereof if the Company and such holder shall have entered into a written agreement, which agreement shall have been approved by the Corporate Trustee, that payment shall be so made, and which agreement shall provide that the holder of the Bond may make a notation thereon (or on a paper attached thereto) of any such payment of any portion so redeemed, and that prior to any sale, transfer or other disposition of any such Bond of Series Q it will be presented to the Corporate Trustee for appropriate notation thereon of the portion of the principal amount which has been redeemed or purchased or will be surrendered in exchange for another Bond or Bonds of said Series for the unpaid balance of the principal amount thereof.

If any of the Bonds of Series Q are redeemed prior to maturity from funds in the Depreciation Fund provided in Article III of said Indenture, then and in such event the notice of redemption provided for in Section 3 of Article V of the Indenture shall also contain a statement setting forth the source of the funds being used for the redemption of said bonds.

SECTION 5. Notwithstanding anything contained in the Indenture or any Supplemental Indenture or in the form of Bond of Series Q, if any Bonds of said series are redeemed from funds received by the Company from the sale of property or from the proceeds of insurance, then and in any such event, there shall be paid, upon such redemption, the principal amount of the bonds so redeemed, interest to the redemption date and the premium at the time applicable to the redemption of such bonds at the option of the Company.

SECTION 6. To the extent not expressly provided by this Nineteenth Supplemental Indenture, the Bonds of Series Q shall be of

such terms and provisions, be issued upon and subject to such terms and conditions and be entitled to such rights and benefits, all as provided by the applicable terms and provisions of the Original Indenture.

SECTION 7. The Bonds of Series Q are (subject to the provisions of Section 9 of Article I of the Indenture) to be substantially in the following form:

(FORM OF BOND)
