MARKET PRICE AND MEASUREMENT AGREEMENT

III

MARKET PRICE COOPERATIVE, INC.

THE MARKET PRICE COOPERATIVE, INC. (MPC) is a non-profit organization established to promote the interests of its members and the public by providing a fair and equitable market for the products of its members.

The MPC is organized as a cooperative, which means that its members are the owners of the organization and share in its profits and losses. The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.

The MPC is committed to providing its members with a fair and equitable market for their products, and to promoting the interests of the public by providing a fair and equitable market for the products of its members.
