This is a high-contrast, black and white image, likely a scan of a physical document. The image shows a textured surface, possibly a book cover or endpaper, with a dark, irregular shape on the left side. The texture is characterized by numerous vertical lines and a grainy appearance. The dark shape on the left is somewhat circular and has a thick, dark border. The overall image is very noisy and has a high level of contrast, making it difficult to discern specific details.

Notwithstanding the above, the said new contract shall be put on the 15th day of December, 1911, and a like installment on the 15th day of each month thereafter until the full sum of principal and interest has been paid.
