If the mortgage indebtedness is evidenced by more than one note, the mortgagee may credit payments received by it upon any of said notes, or part of any payment on one note and part on another, as the mortgagee may elect.

The mortgagor covenants that he will keep the buildings now or hereafter erected on said mortgaged property continuously insured against loss by fire or other hazards, in such companies as the mortgagee may direct, in an amount not less than the face of this mortgage, with loss payable first to the mortgagee to the full amount of said indebtedness and then to the mortgagor; all policies to be held by the mortgagee.
