WARRANTY

This conveyance is intended as a mortgage to secure performance of the covenants and agreements herein contained, to be by the Mortgagor kept and performed, and to secure the payment of the sum of \$ 24,000.00 and interest thereon in accordance with the tenor of a certain promissory note executed by.....

dated July 28, 1969, payable to the order of the Mortgagee in installments not less than \$ 236.34 each, monthly, including interest, on the 1st day of each month commencing September 1, 1969, until August 1, 1984, when the balance then remaining unpaid shall be paid.

The Mortgagor does hereby covenant and agree to and with the Mortgagee, its successors and assigns:

1. That he will pay, when due, the indebtedness hereby secured, with interest, and all liens and utility charges upon said premises or for services furnished thereto. In addition thereto, he will pay, at the time of payment of each installment of principal and interest, such amount as the Mortgagee shall estimate to be sufficient to produce, at least one month prior to the time when payment thereof shall become due, the amount of (a) taxes, assessments and other governmental rates and charges against said premises and (b) premiums upon insurance against loss or damage to said premises. If the sums so paid shall not suffice to produce the amount required for said purposes at least one month before payment thereof becomes due, he will also pay, upon demand, such amount as may be required therefor. The Mortgagee shall, upon the written direction of the Mortgagor, and may, without such direction, apply said funds to the purposes aforesaid, but the receipt of such funds shall not, in the absence of such direction, impose any duty upon the Mortgagee to disburse the same or relieve the Mortgagor from his covenants to pay the said obligations or to keep the premises insured.
2. That he will not commit or permit strip or waste of the said premises or any part thereof; that he will keep the real and personal property hereinabove described in good order and repair and in tenable condition; that he will promptly comply with any and all municipal and governmental rules and regulations with reference thereto; that if any of the said property be damaged or destroyed by any cause, he will immediately reconstruct or repair the same so that, when completed, it shall be worth not less than the value thereof at the time of such loss or damage; provided, that if such loss or damage shall be caused by a hazard against which insurance is carried, the obligation of the Mortgagor to repair or reconstruct shall not arise unless the Mortgagee shall consent to the application of insurance proceeds to the expense of such reconstruction or repair.
3. That he will, at his own cost and expense, keep the building or buildings now or hereafter upon said premises, together with all personal property covered by the lien hereof, insured against loss by fire and against loss by such other hazards as the Mortgagee may from time to time require, in one or more insurance companies satisfactory to or designated by the Mortgagee in an aggregate amount not less than the amount of the indebtedness hereby secured (unless the full insurable value of such building or buildings is less than the amount hereby secured, in which event the Mortgagor shall insure to the amount of the full insurable value); that all policies of insurance upon said premises, including policies in excess of the amount hereinabove mentioned and policies against other hazards than those required, shall contain such provisions as the Mortgagee shall require and shall provide, in such form as the Mortgagee may prescribe, that loss shall be payable to the Mortgagee; that all such policies and receipts showing full payment of premiums therefor shall be delivered to and retained by the Mortgagee during the existence of this mortgage; that at least 5 days prior to the expiration of any policy or policies he will deliver to the Mortgagee satisfactory renewals thereof together with premium receipts in full; that if any policy or policies shall impose any condition upon the liability of the insurer or shall contain any "average clause" or other provision by which the insurer may be liable for less than the full amount of the loss sustained, he will, as often as the Mortgagee may require, provide the Mortgagee with all such evidence as it may request concerning the performance of such condition or the existence of any facts or the value of the property insured and, if it shall appear to the Mortgagee that the insurance is prejudiced by the acts or omissions of the Mortgagor or that the coverage is inadequate, the Mortgagor will do such acts and things and obtain such further insurance as the Mortgagee may require; that the Mortgagee may, at its option, require the proceeds of any insurance policies upon the said premises to be applied to the payment of the indebtedness hereby secured or to be used for the repair or reconstruction of the property damaged or destroyed.
4. That he will execute or procure such further assurance of his title to the said property as may be requested by the Mortgagee.
5. That in case the Mortgagor shall fail, neglect or refuse to do or perform any of the acts or things herein required to be done or performed, the Mortgagee may, at its option, but without any obligation on its part so to do, and without waiver of such default, procure any insurance, pay any taxes or liens or utility charges, make any repairs, or do any other of the things required, and any expenses so incurred and any sums so paid shall bear interest at 8% per annum and shall be secured hereby.
6. That, if any default be made in the payment of the principal or interest of the indebtedness hereby secured or in the performance of any of the covenants or agreements of this mortgage, the Mortgagee may, at its option, without notice, declare the entire sum secured by this mortgage due and payable and foreclose this mortgage.
