POLLUTION CONTROL FACILITY CERTIFICATE

KLAMATH COUNTY ASSESSOR
BY

Issued To Klamath Tallow Company P. O. Box 1221 Klamath Falls, Oregon 97601	Asst. Owner Old Midland Road Klamath Falls, Oregon Klamath County	Location of Pollution Control Facility
Description of Pollution Control Facility Facilities for land disposal of liquid wastes including one Model AP-160 Agpro pump, one chopper agitator, one 25 HP and one 10 HP electric motor with controls, 720 feet of 4" aluminum pipe with couplings and elbows, and one non-clog sprinkler.		
Date Pollution Control Facility was completed and placed in operation: August 18, 1968		
Actual Cost of Pollution Control Facility: \$ 5,093.91		
Percent of actual cost properly allocable to pollution control: 80 percent or more.		

In accordance with the provisions of ORS 449.605 et seq., it is hereby certified that the facility described herein and in the application referenced above is a "pollution control facility" within the definition of ORS 449.605 and that the facility was erected, constructed, or installed on or after January 1, 1967, and on or before December 31, 1978, and is designed for, and is being operated or will operate to a substantial extent for the purpose of preventing, controlling or reducing air or water pollution, and that the facility is necessary to satisfy the intent and purposes of ORS Chapter 449 and regulations thereunder.

Therefore, this Pollution Control Facility Certificate is issued this date subject to compliance with the statutes of the State of Oregon, the regulations of the Department of Environmental Quality and the following special conditions:

1. The facility shall be continuously operated at maximum efficiency for the designed purpose of preventing, controlling, and reducing water pollution.
2. The Department of Environmental Quality shall be immediately notified of any proposed change in use or method of operation of the facility and if, for any reason, the facility ceases to operate for its intended pollution control purpose.
3. Any reports or monitoring data requested by the Department of Environmental Quality shall be promptly provided.
