This trust deed shall further secure the payment of such additional money,
 if any, as may be loaned hereafter by the beneficiary to the grantor or others
 having an interest in the above described property, as may be evidenced by a
 note or notes. If the indebtedness secured by this trust deed is evidenced by
 more than one note, the beneficiary may credit payments received by it upon
 any of said notes or part of any payment on one note and part on another,
 as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary
 herein that the said premises and property conveyed by this trust deed are
 free and clear of all encumbrances and that the grantor will and his heirs,
 executors and administrators shall warrant and defend his said title thereto
 against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms
 thereof and, when due, all taxes, assessments and other charges levied against
 said property; to keep said property free from all encumbrances having pre-
 cedence over this trust deed; to complete all buildings in course of construction
 or hereafter constructed on said premises within six months from the date
 hereof or the date construction is hereafter commenced; to repair and main-
 tain in good workmanlike manner any building or improvement on

 no waste of said premises; to keep all buildings, property and improvements
 now or hereafter erected on said premises continuously insured against loss
 by fire or such other hazards as the beneficiary may from time to time require,
 in a sum not less than the original principal sum of the note or obligation
 secured by this trust deed, in a company or companies acceptable to the ben-
 eficiary, and to deliver the original policy of insurance in correct form and with
 approved loss payable clause in favor of the beneficiary attached and with
 premium paid, to the principal place of business of the beneficiary at least
 fifteen days prior to the effective date of any such policy of insurance. If
 said policy of insurance is not so tendered, the beneficiary may in its own
 discretion obtain insurance for the benefit of the beneficiary, which insurance
 shall be non-cancelable by the grantor during the full term of the policy thus
 obtained.

In order to provide regularly for the prompt payment of said taxes, assess-
 ments or other charges and insurance premiums, the grantor agrees to pay to
 the beneficiary, together with and in addition to the monthly payments of
 principal and interest payable under the terms of the note or obligation secured
 hereby, an amount equal to one-twelfth (1/12th) of the taxes, assessments and
 other charges due and payable with respect to said property within each succeed-
 ing twelve months, and also one-thirty-sixth (1/36th) of the insurance premiums
 payable with respect to said property within each succeeding three years while
 this trust deed remains in effect, as estimated and directed by the beneficiary,
 such sums to be credited to the principal of the loan until required for the
 several purposes thereof and shall thereupon be charged to the principal of the
 loan; or, at the option of the beneficiary, the sums so paid shall be held by
 the beneficiary in trust as reserve account, without interest, to pay said
 premiums, taxes, assessments or other charges when they shall become due
 and payable.

While the grantor is to pay any and all taxes, assessments and other
 charges levied or assessed against said property, or any part thereof, before
 the same begin to bear interest and also to pay premiums on all insurance
 policies upon said property, such payments are to be made through the ben-
 eficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay
 all taxes, assessments and other charges levied or imposed against
 said property in the amounts as shown by the statements thereof furnished
 by the collector of such taxes, assessments or other charges, and to pay the
 insurance premiums in the amounts shown on the statements submitted by
 the insurance carriers or their representatives, and to charge said sums to the
 principal of the loan or to withdraw the sums which may be required from
 the reserve account, if any, established for that purpose. The grantor agrees
 in no event to hold the beneficiary responsible for failure to have any insur-
 ance written or for any loss or damage growing out of a defect in any insur-
 ance policy, and the beneficiary hereby is authorized, in the event of any
 loss, to compromise and settle with any insurance company and to apply any
 such insurance receipts upon the obligations secured by this trust deed. In
 computing the amount of the indebtedness for payment and satisfaction in
 full or upon sale or other acquisition of the property by the beneficiary after

default, any balance remaining in the reserve account shall be credited to the
 indebtedness. If the reserve account for taxes, assessments, insurance premiums
 and other charges is not sufficient at any time for the payment of such charges
 as they become due, the grantor shall pay the deficit to the beneficiary upon
 demand, and if not paid within ten days after such demand, the beneficiary
 may at its option add the amount of such deficit to the principal of the
 obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the
 beneficiary may at its option carry out the same, and all its expenditures there-
 for shall draw interest at the rate specified in the note, shall be repayable by
 the grantor on demand and shall be secured by the lien of this trust deed. In
 this connection, the beneficiary shall have the right in its discretion to complete
 any improvements unless and also to make such repairs to said
 property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,
 covenants, conditions and restrictions affecting said property; to pay all costs,
 fees and expenses of this trust, including the cost of title search, as well as
 the other costs and expenses of the trustee incurred in connection with or
 in enforcing this obligation, and trustee's and attorney's fees actually incurred;
 to appear in and defend any action or proceeding purporting to affect the secur-
 ity hereof or the rights or powers of the beneficiary or trustee; and to pay all
 costs and expenses, including cost of evidence of title and attorney's fees in a
 reasonable sum to be fixed by the court, in any such action or proceeding in
 which the beneficiary or trustee may appear and in any suit brought by ben-
 eficiary to foreclose this deed, and all said sums shall be secured by this trust
 deed.

The beneficiary will furnish to the grantor on written request therefor an
 annual statement of account but shall not be obligated or required to furnish
 any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
 under the right of eminent domain or condemnation, the beneficiary shall have
 the right to commence, prosecute in its own name, appear in or defend any ac-

 such taking and, if it so elects, to require that all or any portion of the money's
 payable as compensation for such taking, which are in excess of the amount re-
 quired to pay all reasonable costs, expenses and attorney's fees necessarily paid
 or incurred by the grantor in such proceedings, shall be paid to the beneficiary
 and applied by it first upon any reasonable costs and expenses and attorney's
 fees necessarily paid or incurred by the beneficiary in such proceedings, and the
 balance applied upon the indebtedness secured hereby; and the grantor agrees,
 at its own expense, to take such actions and execute such instruments as shall
 be necessary in obtaining such compensation, promptly upon the beneficiary's
 request.

2. At any time and from time to time upon written request of the ben-
 eficiary, payment of its fees and presentation of this deed and the note for en-

 any easement or creating any restriction thereon; (c) join in any subdivision

 truthfulness thereof. Trustee's fees for any of the services in this paragraph
 shall be \$5.00.

 the performance of any agreement hereunder, grantor shall have the right to col-
 lect all such rents, issues, royalties and profits earned prior to default as they
 become due and payable. Upon any default by the grantor hereunder, the ben-
 eficiary may at any time without notice, either in person, by agent or by a re-
