

10456

If the road is located substantially as described herein, the centerline of the road as constructed is hereby deemed accepted by the Grantor as the true centerline of the easement granted.

Together with such reasonable rights of temporary use of the Grantor's lands immediately adjacent to said right-of-way as may be necessary for the construction, reconstruction, improvement and maintenance of said road.

The acquiring agency is the Forest Service, Department of Agriculture.

Grantee alone may extend rights and privileges for use of the road to other Government Departments and Agencies, States, and local subdivisions thereof, and to other users including members of the public.

This conveyance is made subject to the following reservations by the Grantor, his heirs and assigns:

1. The right to cross and recross the easement at any point and for any purpose in such manner as will not materially interfere with the use of the road.
2. The right to all timber now or hereafter growing on the easement subject to grantee's right to cut timber on the easement to the extent necessary for constructing, reconstructing, and maintaining the road. Timber so cut shall, unless otherwise agreed to, be cut into logs of standard lengths and decked along the road for disposal by the grantor.

The Grantee will permit the Grantor, his heirs and assigns, to use the road to serve his property in accordance with the rules and regulations of the Secretary of Agriculture, 36 C.F.R. 212.7-212.11, as the same may be amended, in such manner as not unreasonably to interfere with its use by the United States, its authorized users or assigns, or cause substantial injury thereto.

If for a period of five (5) years the Grantee shall cease to use, or preserve for prospective future use, the road, or any segment thereof, or if at any time the Regional Forester determines that the road, or any segment thereof, is no longer needed, the easement traversed thereby shall terminate. In the event of such nonuse or of such determination by the Regional Forester, the Regional Forester shall furnish to the Grantor a statement in recordable form evidencing termination.

IN WITNESS WHEREOF, the said Grantor has hereunto subscribed his name and affixed his seal on the day and year first above written.
