of the payments or the performance of any of the covenants set forth in the aforesaid mortgage or the notes secured thereby.

1. In furtherance of the foregoing assignment, the owner hereby authorizes the mortgagee, its employees or agents, at its option, after the occurrence of a default as aforesaid to enter upon the mortgaged premises and to collect, in the name of the owner, or in their own name as assignee, the rents accrued but unpaid and in arrears at the date of such default, as well as the rents thereafter accrued but unpaid and in arrears at the date of such default, as well as the rents thereafter accruing and becoming payable during the period of the continuance of the said or any other default; and to this end, the owners further agree they will facilitate in all reasonable ways the mortgagee's collection of said rents and will upon request by mortgagee, execute a written notice to the tenant directing the tenant to pay rent to the said mortgagee.

2. The owner also hereby authorizes the mortgagee upon such entry, at its option, to take over and assume the management, operation and maintenance of the said mortgaged premises and to perform all acts necessary and proper and to expend such sums out of the income of the mortgaged premises as may be needful in connection therewith, in the same manner and to the same extent as the owner theretofore might do, including the right to effect new leases, to cancel or surrender existing leases, to alter or amend the terms of existing leases, to renew existing leases, to make concessions to tenants, the owner hereby releasing all claims against mortgagee arising out of such management, operation and maintenance excepting the liability of the mortgagee to account as hereinafter set forth.

3. The mortgagee shall, after payment of all proper charges and expenses, including reasonable compensation to such Managing Agent as it shall select and employ, and after the accumulation of a reserve to meet taxes, assessments, water rents and fire and liability insurance in requisite amounts, credit the net amount of income received by it from the mortgaged premises by virtue of this assignment, to any amounts due and owing to it by the owners under the terms of the mortgage and the note secured thereby but the manner of the application of such net income and what items shall be credited, shall be determined in the sole discretion of the mortgagee. The mortgagee shall not be accountable for more moneys than it actually received from the mortgaged premises; nor shall it be liable for failure to collect rents. The mortgagee shall

4. In the event, however, that the owner shall reinstate the mortgage loan completely in good standing, having complied with all the terms, covenants and conditions of the said mortgage and the note secured thereby, then the mortgagee within one month after demand in writing shall re-deliver possession of the mortgaged premises to owner, who shall remain in possession unless and until another default occurs, at which time the mortgagee may, at its option, again take possession of the mortgaged premises under authority of this instrument.

5. The owner hereby covenants and warrants to the mortgagee that neither it, nor any previous owner, have executed any prior assignment or pledge of the rentals of the mortgaged premises, nor any prior assignment or pledge of its landlords' interest in any lease of the whole or any part of the mortgaged premises. The owner also hereby covenants and agrees not to collect the rents of the said mortgaged premises in advance, other than as required to be paid in advance by the terms of any rental agreement, and further agrees not to do any other act which would destroy or impair the benefits to the mortgagee of this assignment.

6. It is not the intention of the parties hereto that an entry by the mortgagee upon the mortgaged premises under the terms of the instrument shall constitute the said mortgagee a "mortgagee in possession" in contemplation of law, except at the option of the mortgagee.

7. This assignment shall remain in full force and effect as long as the mortgage debt to the mortgagee remains unpaid in whole or in part.

8. The provisions of this instrument shall be binding upon the owner, its successors or assigns, and upon the mortgagee and its successors or assigns. The word "Owner" shall be construed to mean any one or more persons or parties who are holders of the legal title or equity of redemption to or in the aforesaid mortgaged premises. The word "note" shall be construed to mean the instrument, whether note or bond, given to evidence the indebtedness held by the mortgagee against the mortgaged premises; and the word "mortgage" shall be construed to mean, the instrument securing the said indebtedness owned and held by the mortgagee, whether such instrument be mortgage loan deed, trust deed, vendor's lien or otherwise.
