WHEREAS the Owner is the record owner of the real property, herein called "premises", described in Exhibit I annexed hereto and made a part hereof, and

WHEREAS Owner desires to enter into a conditional sale contract or chattel mortgage or other form of purchase agreement, (herein called "Contract"), with the Seller for the purchase of a Mobile Home, herein called "Building," which is more particularly described in Exhibit I hereto, to be erected upon the premises therein described and which Contract will be filed or recorded in the office(s) in which it is permitted or required to be filed by the laws of the State where the Building will be located.

NOW, THEREFORE, in consideration of such sale of the Building by the Seller to the Owner and the erection thereof upon such premises and to induce such sale and erection, Owner by these presents does hereby consent to the erection of such Building upon the premises and agrees that the Building at all times shall remain personal property and shall not become a part of the freehold and does hereby waive and relinquish unto the Seller and Seller's heirs, successors and assigns (all hereafter collectively referred to as "Seller") all right of levy for rent and all claims and demands of every kind, whether similar or dissimilar, Owner may now or hereafter have against said Building, and Owner does hereby grant, bargain, sell, convey and warrant to the Seller the right at any time to enter upon said premises for the purposes of inspecting the Building and repossessing and removing the Building from said premises when Seller may elect so to do after default by the Owner in any of the terms of said Contract, without liability for damage to the freehold resulting from such removal. Owner hereby authorizes and empowers the Seller to disconnect all water, gas, power, telephone lines and any other facilities and installations necessary to effect the removal of the Building from the premises as aforesaid and agrees that Seller may conduct a sale of the Building on the premises of such sale thereon, and shall have the right to enter upon the premises for the purpose of guarding or maintaining the Building or preparing the same for sale, and Seller shall not be obligated to pay any rent or any charge for the rights herein granted.

This instrument and all the rights hereby granted to Seller shall terminate upon the satisfaction by Owner of all obligations under the Contract or upon the complete removal of the Building from the premises, whichever is the earlier, and upon such termination, Seller at Owner's request, shall execute and deliver to Owner a release of all of the rights granted herein. This instrument and all covenants herein shall run with the land described herein and all the terms and provisions hereof shall bind and inure to the benefit of the respective heirs, executors, administrators, legal representatives, successors and assigns of the Owner and Seller, and any conveyance or mortgage of the premises described herein shall be subject and subordinate to all of the terms and provisions of this instrument.
