as grantor, William Ganong, Jr., as trustee, and  
FIRST FEDERAL SAVINGS AND LOAN ASSOCIATION of Klamath Falls, Oregon, a corporation organized and  
existing under the laws of the United States, as beneficiary;

## WITNESSETH:

The grantor irrevocably grants, bargains, sells and conveys to the trustee, in trust, with power of sale, the  
property in Klamath County, Oregon, described as,

MAR 14 1972

Lot 1 in Block 5 of SECOND ADDITION TO VALLEY

VIEW, Klamath County, Oregon.

which said described real property does not exceed three acres, together with all and singular the appurtenances, tenements, hereditaments, rents, issues, profits, water rights and other rights, easements or privileges now or hereafter belonging to, derived from or in anywise appertaining to the above described premises, and all plumbing, lighting, heating, ventilating, air-conditioning, refrigerating, watering and irrigation apparatus, equipment and fixtures, together with all awnings, venetian blinds, floor covering in place such as wall-to-wall carpeting and linoleum, shades and built-in ranges, dishwashers and other built-in appliances now or hereafter installed in or used in connection with the above described premises, including all interest therein which the grantor has or may hereafter acquire, for the purpose of securing performance of each agreement of the grantor herein contained and the payment of the sum of EIGHTEEN THOUSAND AND NO/100--  
(\$18,000.00) Dollars, with interest thereon according to the terms of a promissory note of even date herewith payable to the  
beneficiary or order and made by the grantor principal and interest being payable in monthly installments of \$1,500.00 commencing  
JULY 15, 1972.

This trust deed shall further secure the payment of such additional money, if any, as the grantor or the beneficiary, or the grantor or others, having an interest in the above described property, as may be evidenced by a note or notes. If the indebtedness secured by this trust deed is evidenced by more than one note, the beneficiary may credit payments received by it upon any said notes or part of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary, that the said premises and property conveyed by this trust deed are free and clear of all encumbrances and that the grantor will and his heirs, executors and administrators shall warrant and defend his said title thereto against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms thereof and when due, all taxes, assessments and other charges levied against said property; to keep said property free from all encumbrances, holding, preceding over this trust deed; to complete all buildings in course of construction or hereafter constructed on said premises within six months from the date hereof or the date construction is hereafter commenced; to repair and restore promptly and in a good workmanlike manner any building or improvement on said premises, and to make and keep all necessary and reasonable costs incurred therefor; to allow beneficiary to inspect said property at all times during construction; to replace any work or materials unsatisfactory to beneficiary within fifteen days after written notice from beneficiary of such fact; not to remove or destroy any building or improvements now or hereafter constructed on said premises; to keep all buildings and improvements now or hereafter erected on said premises in good condition and to cause no damage to any part of said premises; to keep all buildings and improvements now or hereafter erected on said premises continuously insured against loss by fire or such other hazards as the beneficiary may from time to time require, in a sum not less than the original principal sum of the note or obligation secured by this trust deed, in a company or companies acceptable to the beneficiary, and to deliver the original policy of insurance in correct form and with appropriate endorsements, and to furnish to the beneficiary at least fifteen days prior to the effective date of any such policy of insurance, if said policy of insurance is not so tendered, the beneficiary may in its own discretion obtain insurance for the benefit of the beneficiary, which insurance shall be non-cancellable by the grantor during the full term of the policy thus obtained.

In order to provide regularly for the prompt payment of said taxes, assessments or other charges and insurance premiums, the grantor agrees to pay to the beneficiary, together with and in addition to the monthly payments of principal, an amount equal to one-twelfth (1/12th) of the taxes, assessments and insurance premiums, now and hereinafter imposed upon the property, for the ensuing twelve months, and also one-thirty-sixth (1/36th) of the insurance premiums payable with respect to said property, within each succeeding three years while this trust deed remains in effect, as estimated and directed by the beneficiary, such sums to be credited to the principal of the loan until required for the several purposes thereof and shall thereupon be charged to the principal of the loan; or, at the option of the beneficiary, the sums so paid shall be held by the trustee in trust for the beneficiary, to be disbursed to pay taxes, assessments, premiums, taxes, assessments or other charges when they shall become due and payable.

While the grantor is to pay any and all taxes, assessments and other charges levied on or imposed on personal property, or any part thereof, before claim against same has accrued, and any personal property located on all insurance policies upon said property, such payments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges levied or imposed against said property in the amounts as shown by the statements thereof furnished by the collector of such taxes, assessments or other charges, and to pay the same to the insurance carriers or their representatives, and to charge said sums to the principal of the loan or to withdraw the sum which may be required from the reserve account, if any, established for that purpose. The grantor agrees in no event to hold the beneficiary responsible for failure to have any insurance written, or for any loss or damage growing out of a defect in any insurance policy, and the beneficiary hereby is authorized, in the event of any such insurance receipts upon the obligations secured by this trust deed, to compute the amount of the indebtedness for payment and satisfaction in full or upon sale or other acquisition of the property by the beneficiary, after

default, any balance remaining in the reserve account shall be credited to the beneficiary. If the reserve account for taxes, assessments, insurance premiums and other charges is not sufficient to cover the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, the beneficiary may at its option carry out the same and its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In this connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; to pay all costs, fees and expenses of this trust, including the cost of title search, as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation, and trustee's and attorney's fees actually incurred; and to make and defend all actions, proceedings and processes purporting to affect the security of the note or part of the note, or the principal or interest due to pay the costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the court, in any such action or proceeding in which the beneficiary or trustee may appear and in any suit brought by beneficiary to foreclose this deed, and all said sums shall be secured by this trust deed.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

It is mutually agreed that:

- In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence, prosecute in its own name, appear in or defend any action or proceeding or to make any compromise or settlement in connection with such taking, and if it so desires, to collect the sum of any judgment or award made in its favor, and if it so desires, to receive the sum of any judgment or award made in its favor, and if it so desires, to receive the same as compensation for such taking, which sum in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by the grantor in such proceeding, shall be paid to the beneficiary and applied by it first upon any reasonable costs, expenses and attorney's fees necessarily paid or incurred by the beneficiary in such proceeding, and the balance applied upon the indebtedness secured hereby, and the grantor agrees, that it will not be liable for any expense or take any action which it deems necessary in obtaining such compensation, promptly upon the beneficiary's request.

- At any time and from time to time upon written request of the beneficiary, in case of its fee and presentation of this deed and the note for endorsement (in case of full reconveyance for cancellation), without affecting the liability of any person for the payment of the indebtedness, the trustee may (a) consent to the making of any map or plat of said property; (b) join in any subordination, assignment or release of the lien or charge hereof; (c) reconvey, without any fee, any part of the property; (d) consent to any partial reconveyance, which may be described as the "person or persons legally entitled thereto"; the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services in this paragraph shall be \$3.00.

- As additional security, grantor hereby assigns to beneficiary during the continuance of these trusts all rents, issues, royalties and profits of the property affected by this deed and of any personal property located thereon. Until grantor shall default the payment of any indebtedness secured hereby or in the performance of any agreement hereunder, grantor shall have the right to collect the rents, issues, royalties and profits of the property, to deposit them in the reserve account, less the amount of the principal and interest due and unpaid, and apply the same to the payment of the principal and interest due and unpaid, and reasonable attorney's fees upon any indebtedness secured hereby, and in such order as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation of damage to the property, and the management of the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matter or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase the same.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary as soon as possible or before the same, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary as soon as possible or before the same, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

7. Time is of the essence of this instrument, and upon default by the grantor in payment of any indebtedness secured hereby or in performance of any agreement herein, the person holding the same, shall declare all sums secured hereby immediately due and payable and deliver to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as is then required by law.

8. After default, and any time prior to five days before the date set by the Trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this instrument and all obligations secured thereby, including costs of postponement, attorney's fees in enforcing the terms of this trust deed and attorney's fees not exceeding \$50.00 each other than such portion of the principal as would then be due had no default occurred and thereby cure the default.

9. After the lapse of such time as may then be required by law following the recording of said notice of default and giving notice of sale of the same, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either at public or private sale, and in such order as he may determine, to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time and place of sale.

IN WITNESS WHEREOF, said grantor has hereunto set his hand and seal the day and year first above written.
