This trust deed shall further secure the payment of such additional money, if any, as may be loaned hereafter by the beneficiary to the grantor or others having an interest in the above described property, as may be evidenced by a note or notes. If the indebtedness secured by this trust deed is evidenced by more than one note, the beneficiary may credit payments received by it upon any of said notes or part of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein that the said premises and property conveyed by this trust deed are free and clear of all encumbrances and the grantor will and his heirs, executors and administrators shall warrant and defend his said title thereto against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms thereof and, when due, all taxes, assessments and other charges levied against said property; to keep said property free from all encumbrances having preference over this trust deed; to complete all buildings in progress from the date hereof or the date construction is hereafter commenced; to repair and restore said property which may be damaged or destroyed or improvements on said property incurred therefor; to allow beneficiary to inspect said property at all times during construction; to replace work or materials unsatisfactory to beneficiary within fifteen days after written notice from beneficiary to grantor; not to remove or destroy any building or improvements now or hereafter constructed on said premises; to keep all buildings and improvements now or hereafter erected upon said property in good repair and to commit to repair or hereafter commit to repair all buildings, property and improvements in a sum not less than the original principal sum of the note and time required, and to deliver the original policy of insurance in correct form and with approved loss payable clause in favor of the beneficiary attached and with fifteen days prior to the effective date of any such policy of insurance. If said policy of insurance is not so tendered, the beneficiary may in its own discretion obtain insurance for the benefit of the beneficiary, which insurance shall be non-cancelable by the grantor during the full term of the policy thus obtained.

In order to provide regularly for the prompt payment of said taxes, assessments or other charges and insurance premiums, the grantor agrees to pay to the beneficiary, together with and in addition to the monthly payments of principal and interest payable under the terms of the note or obligation secured hereby, an amount equal to one-twelfth (1/12th) of the taxes, assessments and other charges due and payable with respect to said property within each succeeding twelve months, and also one-thirtieth (1/30th) of the insurance premiums payable with respect to said property within each succeeding twelve months, such sums to be credited to the principal of the loan until required for the several purposes thereof and shall thereupon be charged to the principal of the loan; or, at the option of the beneficiary, the sums so paid shall be held by the beneficiary in trust as a reserve account, without interest, to pay said premiums, taxes, assessments or other charges when they shall become due and payable.

While the grantor is to pay any and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same begin to bear interest and also to pay premiums on all insurance policies upon said property, such payments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay the said property in the amounts as shown by the statements thereof furnished by the collector of such taxes, assessments or other charges, and to pay the insurance premiums in the amounts shown on the statements submitted by the principal of the loan or to withdraw the sums which may be required from the reserve account, if any, established for that purpose. The grantor agrees in no event to hold the beneficiary responsible for failure to have any insurance policy, and the beneficiary hereby is authorized, in the event of any loss, to compromise and settle with any insurance company and to apply any insurance receipts upon the obligations secured by this trust deed in computing the amount of the indebtedness for payment and satisfaction in full or upon sale or other acquisition of the property by the beneficiary after

default, any balance remaining in the reserve account shall be credited to the indebtedness. If the reserve account for taxes, assessments, insurance premiums and other charges is not sufficient at any time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at its option carry out the same, and all its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In the connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; to pay all costs, fees and expenses of this trust, including the cost of title search, as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation, and trustee's and attorney's fees actually incurred; to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the beneficiary or trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the court, in any such action or proceeding in which the beneficiary or trustee may appear and in any suit brought by beneficiary to foreclose this deed, and all said sums shall be secured by this trust deed.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence, prosecute in its own name, appear in or defend any action or proceedings, or to make any compromise or settlement in connection with such taking and, if it so elects, to require that all or any portion of the money payable as compensation for such taking, which is in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by the grantor in such proceedings, shall be paid to the beneficiary and applied upon the indebtedness secured hereby; and the grantor agrees to pay all necessary expenses, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon the beneficiary's request.

2. At any time and from time to time upon written request of the beneficiary, payment of its fees and presentation of this deed and the note for endorsement (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, the trustee may (a) consent to the making of any map or plat of said property, (b) join in granting any easement or creating and restriction thereon, (c) join in any subordination of any agreement affecting this deed or the lien or charge hereof, (d) reconvey, without warranty, all or any part of the property. The grantee in any reconvey, the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services in this paragraph shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the continuance of these trusts all rents, issues, royalties and profits of the property affected by this deed and of any personal property located thereon. Until the performance of any agreement secured hereby or until the grantor shall become due any rents, issues, royalties and profits earned prior to default as they may be payable. Upon any default by the grantor hereunder, the beneficiary may at any time without notice, either in person, by agent or by a receiver, take possession of the property and all the rents, issues, royalties and profits of the property, and the beneficiary shall have the right to collect the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as the beneficiary may determine.
