WHEREAS, joint venturers own land situated in Klamath County, Oregon, more particularly described on Exhibit A attached hereto and by this reference made a part hereof, and

WHEREAS, Duffys own land adjoining and more particularly described on Exhibit B attached hereto and by this reference made a part hereof, and

WHEREAS, there is now a building located on the land described on Exhibit A with its South wall on or near the South boundary of the land described on Exhibit A, and

This party wall agreement shall be perpetual and the covenants herein contained shall run with both parcels of land described on Exhibits A and B but shall not have the effect of conveying to either party the fee to any part of the land owned or to be acquired by the other party, the creation of the right of the perpetual party wall being the sole purpose hereof.

The exact location of the existing South wall of the building on the property described on Exhibit A is not known to the parties hereto. In constructing the building on the property described on Exhibit B, joint venturers give, grant and convey to Duffys the right and easement to encroach upon the joint venturers' property to the extent necessary to enclose the building to be constructed by Duffys.

(2) In further consideration of the premises, it is understood and agreed that none of the parties hereto, nor any person claiming by, through or under them, or any of them, shall cause or permit any structure, building, sign or other obstruction, other than gasoline pumps or similar service facilities, to be located or placed upon the westerly 100 feet of the premises described on Exhibits A and B attached hereto, and it is further agreed that any permitted gasoline pumps or similar service facilities shall be located only in the center of said 100-foot strip, parallel with Washburn Way, in such manner as to permit vehicular traffic to pass on either side thereof.
