6. To pay to Beneficiary, at the time of payment of each installment of the indebtedness hereby secured, such amount as Beneficiary shall estimate to be sufficient to produce, at least one month prior to the time when payment thereof shall become due, the amount of (a) taxes, assessments and other governmental rates and charges against said property, (b) premiums upon insurance against loss or damage to said property and premiums on insurance covering repayment of all or any part of the indebtedness hereby secured, if Beneficiary carries such insurance. If the sums so paid shall be less than sufficient for said purposes, Grantor will also pay, upon demand, such additional sum as Beneficiary shall deem necessary therefor. If Grantor desires a "package" plan of insurance which includes coverage in addition to that required under this Trust Deed, Beneficiary may, at its option, establish and administer a reserve for that purpose If the package plan reserve is not sufficient to pay the renewal premium on a package plan policy, then Beneficiary may use such reserve to pay premiums on a policy covering only risks required to be insured against under this Trust Deed and allow the package insurance plan to lapse. Beneficiary shall, upon the written direction of the Grantor, and may, without such direction, apply sums paid by Granter and held by Beneficiary to the purpos aforesaid; but the receipt of such sums shall not, in the absence of such direction, impose any duty upon Beneficiary to disburse the same or relieve Grantor from his covenants to pay said obligations and keep the property insured. Beneficiary may, from time to time, establish reasonable service charges for the collection and disbursement of premiums on package type insurance policies Beneficiary shall not, whether or not service charges are imposed, be subject to any liability for failure to transmit any premiums to any insurer or by reason of any loss growing out of any defect in any insurance policy. At Beneficiary's option, Beneficiary may apply all loan trust funds directly to the payment of the principa balance then unpaid on the indebtednesses secured hereby; if Beneficiary elects so to do, Beneficiary is authorized to pay taxes, insurance premiums on the mortgaged property and all other charges which would otherwise be payable from the loan trust funds, when the same become due and payable, and Beneficiary may then add the amount of any such payment to the principal balance then unpaid on the indebtednesses secured hereby, each such payment to bear interest as provided in the promissory note mentioned hereinabove.

- 7. To pay all costs, fees and expenses of this trust, including the cost of title search as well as the other costs and expenses of the Trustee incurred in connection with or in enforcing this obligation, and trustees and attorney's fees actually incurred.
- 8. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary, or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the court, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this deed.

It is Mutually Agreed That:

- 9. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, Beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by Grantor in such proceedings, shall be paid to Beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees necessarily paid or incurred by Beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby; and Grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon Beneficiary's request.
- 10. At any time and from time to time upon written request of Beneficiary, payment of its fees and presentation of this deed and the note for endorsement (in case of full reconveyance, for

cancellation), without affecting the liability of any person for the payment of the indebtedness, Trustee may (a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereof; (d) reconvey, without warranty, all or any part of the property. The Grantee in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph shall be \$5.

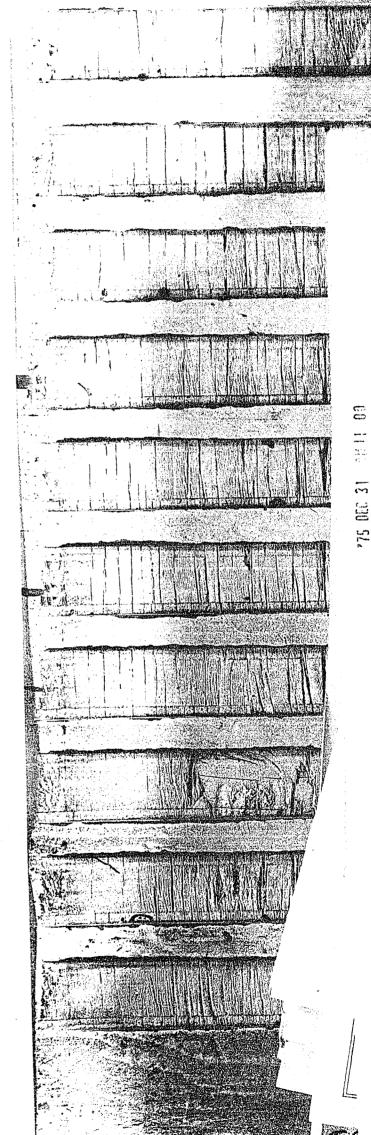

- 11. Upon any default by Grantor hereunder, Beneficiary may at any time without notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name sue for or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees upon any indebtedness secured hereby, and in such order as Beneficiary may determine.
- 12. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
- 13. Upon default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written notice of default and election to sell the trust property; which notice Trustee shall cause to be duly filed for record. If Beneficiary desires said property to be sold, it shall deposit with Trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the Trustee shall fix the time and place of sale and give notice thereof as then required by law.
- 14. If after default and prior to the time and date set by the Trustee for the Trustee's sale, the Grantor or other person so privileged by ORS 86.760 pays the entire amount then due under the terms of the trust deed and the obligation secured thereby, other than such portion of the principal as would not then be due had no default occurred, and the Grantor or other person making such payment shall also pay to the Beneficiary all of Beneficiary's costs and expenses incurred up to said time in enforcing the terms of the obligation, including Trustee's and Attorney's fees not exceeding \$50 if actually incurred, such default shall thereby be
- 15. After the lapse of such time as may then be required by law following the recordation of said notice of default and the giving of said notice of sale, Trustee shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at the time of sale. Trustee shall deliver to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the Trustee, but including the Grantor and Beneficiary, may purchase at the sale.
- 16. When Trustee sells pursuant to the powers provided herein, Trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including a reasonable charge by the Trustee, (2) to the obligation secured by the trust deed, (3) to all persons having recorded liens subsequent to the interest of the Trustee in the trust deed as their interest may appear in order of their priority and (4) the surplus, if any, to the Grantor or to his successor in interest entitled to such surplus.
