JOHN A. BARKLEY, A Single Man

FIRST FEDERAL SAVINGS AND LOAN ASSOCIATION of Klamath Falls, Oregon, a corporation organized and existing under the laws of the United States, as beneficiary;

WITNESSETH:

The grantor irrevocably grants, bargains, sells and conveys to the trustee, in trust, with power of sale, the property in Klamath County, Oregon, described as:

Lot 8 in Block 62 of BUENA VISTA ADDITION to the City of Klamath Falls,  
Klamath County, Oregon.

which said described real property is not currently used for agricultural, timber or grazing purposes,

together with all and singular the appurtenances, tenements, hereditaments, rents, issues, profits, water rights, easements or privileges now or hereafter belonging to, derived from or in anywise appertaining to the above described premises, and all plumbing, lighting, heating, vent, lating, air-conditioning, refrigerating, watering and irrigation apparatus, equipment and fixtures, together with all awnings, venetian blinds, floor covering in place such as wall-to-wall carpeting and linoleum, shades and built-in appliances now or hereafter installed in or used in connection with the above described premises, including all interest therein which the grantor has or may hereafter have for the purpose of securing performance of each agreement of the grantor herein contained and the payment of the sum of THIRTEEN THOUSAND SIX HUNDRED AND NO/100 (\$13,600.00) Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to the beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$92.00 commencing

This trust deed shall further secure the payment of such additional money, if any, that may be loaned hereafter by the beneficiary to the grantor or others having an interest in the above described property, as may be evidenced by any notes or notes. If the indebtedness secured by this trust deed is evidenced by notes, one or more note, the beneficiary may credit payments received by it upon any of said notes or part of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein that the said premises and property conveyed by this trust deed are free and clear of all encumbrances and that the grantor will and his heirs, executors and administrators shall warrant and defend his said title thereto against the claims of all persons whomsoever.

[illegible]

That for the purpose of providing regularly for the prompt payment of all taxes, assessments, and governmental charges levied or assessed against the above described property and insurance premium while the Indebtedness secured hereby is in excess of 80% of the lesser of the original purchase price paid by the grantor at the time the loan was made or the beneficiary's original appraised value of the property at the time the loan was made, grantor will pay to the beneficiary in addition to the monthly payments of principal and interest payable under the terms of the note or obligation secured hereby an amount equal to 1/12 of the taxes, assessments, and other charges due and payable with respect to said property within each succeeding 12 months and also 1/36 of the insurance premium payable with respect to said property within each succeeding three months. The Trust Deed is in respect to said property within each succeeding three months. Beneficiary shall pay to the grantor effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor interest on said amount of principal and interest less than the highest rate authorized to be paid by banks on the same passbook accounts minus 3/4 of 1%. If such rate is less than 4%, the monthly balance of interest paid shall be 4%. Interest shall be computed on the average monthly balance in the account and shall be paid quarterly to the grantor by crediting in the escrow account the amount of the interest due.

While the grantor is to pay any and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same begin to bear interest and also to pay premiums on all insurance policies upon said property, such payments are to be made by the grantor, the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges levied or imposed against said property in the amounts as shown by the statements thereof furnished by the collector of such taxes, assessments or other charges, and to pay the insurance premiums on the amounts shown on the statements submitted by the insurance carriers or other representatives and to withdraw the sums withdrawn and required from the reserve account, if any, established for that purpose. The grantor agrees in no event to hold the beneficiary responsible for failure to pay any insurance policy or for any loss or damage growing out of a fire and insurance policy, and the beneficiary hereby is authorized, in the event of a fire and insurance policy, to compromise and settle with any insurance company and to apply and receive the proceeds of such settlement, and to pay the balance of the proceeds of such insurance receipts upon the obligations secured by this trust deed, in or toward the amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the reserve account shall be credited to the indebtedness. If any authorized reserve account taxes, assessments, insurance premiums and other charges is not sufficient to pay the time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at its option carry out the same, and all its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In this connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; to pay all costs, fees and expenses, including the cost of title search, as well as the cost and expenses of the trustee incurred in connection with or in enforcing this obligation, and attorney's fees actually incurred in appearing in and defending any action brought by the beneficiary or trustee to enforce this obligation of the beneficiary or trustee; to include cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the court, in any such action brought by the beneficiary or trustee; and may appear in and defend any suit brought by the beneficiary to foreclose this deed, and all said sums shall be secured by this trust.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence proceedings in its own name, appear in or defend any action brought to condemn, expropriate or to make any compromise or settlement in connection with such taking and, if it so elects, to require that all or any portion of the money's payable as compensation for such taking, which are in excess of the amount payable to pay all reasonable costs, expenses and attorney's fees necessarily paid incurred by or on behalf of the beneficiary in such proceedings, shall be paid to the beneficiary or its assigns. The balance of the money's payable as compensation for such taking, which are in excess of the amount payable to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by the beneficiary in such proceedings, shall be applied by it first upon any reasonable costs and expenses and attorney's fees necessarily paid or incurred by the beneficiary in such proceedings, and the grantor agrees, balance applied upon the indebtedness of the beneficiary to the grantor and the grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon the beneficiary's request.

request.

2. At any time and from time to time upon written request of the beneficiary, payment of its fees and presentation of this deed and the note for cancellation, without affecting the discharge (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, the trustee may (a) consent to the making of any map or plat of said property; (b) join in any subordination, any easement or creation of any other interest therein; (c) join in any reconveyance or agreement affecting this deed or the lien or charge hereof; (d) reconvey, without warranty, all or any part of the property. The grantees in any reconveyance may be described as the "person or persons" who are the owners of the property and once may be described as the "person or persons" who are the owners of the property and the recitals thereof. Trustee's fees for any of the services in this paragraph shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the continuance of these trusts all rents, issues, royalties and profits of the property affected by this deed and of any personal property located thereby. Until grantor shall default in the payment of any indebtedness secured hereby or in the performance of any agreement hereunder, grantor shall have the right to collect such rents, issues, royalties and profits earned prior to default as they become due and payable. Upon any default by the grantor hereunder, the beneficiary may at any time without notice either in person or by agent or by receiver to be appointed by a court, and without regard to the adjacency of any security for the indebtedness secured hereby, enter upon and take possession of said property or on or after default thereof, in its own name sue for or otherwise collect the same, rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby; and in such order as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the Trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50.00 each) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recordation of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his deed in form as required by law, conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

9. When the Trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney; (2) To the obligation secured by the trust deed; (3) To all persons having recorded liens subsequent to the order of their priority; (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be treated with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

11. Trustee accepts this trust when this deed, duly executed and acknowledged is made a public record, as provided by law. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which the grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by the trustee.

12. This deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees devisees, administrators, executors, successors and assigns. The term "beneficiary" shall mean the holder and owner, including pledgee, of the note secured hereby, whether or not named as a beneficiary herein. In construing this deed and whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

IN WITNESS WHEREOF, said grantor has hereunto set his hand and seal the day and year first above written.
