This trust deed shall further secure the payment of such additional money, if any, as may be loaned hereafter by the beneficiary to the grantor or others
having an interest in the above described property, as may be evidenced by a
note or notes. If the indebtedness secured by this trust deed is evidenced by
more than one note, the beneficiary may credit payments received by it against
any of said notes or part of any payment on one note and part on another,
as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary
herein that the said premises and property conveyed by this trust deed are
free and clear of all encumbrances and that the grantor will, when due, defend his said title thereto
executors and administrators shall warrant and defend his said title thereto
against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms
thereof and, when due, all taxes, assessments and other charges levied against
said property; to keep said property free from encumbrances having pre-
cEDURE over this trust deed; to complete all buildings in course of construction
or hereafter constructed on said premises within six months from the date
hereof or the date construction is first commenced; to repair and restore
promptly and in good workmanlike manner any building or improvement on
said property which may be damaged or destroyed or pay, when due, the cost of
such repair by the grantor to allow beneficiary to inspect said property at all
times during construction; to replace any work or material in the property by
beneficiary within fifteen days after written notice from beneficiary of such
fact; not to remove or destroy any building or improvements now or hereafter
constructed on said premises; to keep all buildings and improvements now or
hereafter erected upon said property in good repair and to commit or suffer
no waste of said premises; to keep all buildings, property and improvements

in a sum not less than the original principal sum of the note or notes
secured by this trust deed, in a company or companies acceptable to the
beneficiary and to deliver the original policy of insurance in counter form and with
the original loss payable clause in favor of the beneficiary attached and with
premium paid, to the principal place of business of the beneficiary at least
fifteen days prior to the effective date of any such policy of insurance. If
said policy of insurance is not so tendered, the beneficiary may in its own
discretion obtain insurance for the benefit of the beneficiary, which insurance
shall be non-cancellable by the grantor during the full term of the policy thus
obtained.

That for the purpose of providing regularly for the prompt payment of all taxes,
assessments, and governmental charges levied or assessed upon the above described prop-
erty and insurance premium while the indebtedness secured hereby is in excess of 80%
of the lesser of the original purchase price paid by the grantor at the time the loan was
made or the beneficiary's original appraisal value of the property at the time the loan
was made, grantor will pay to the beneficiary in addition to the monthly payments of
principal and interest payable under the terms of the note or obligation secured hereby
on the date installments of principal and interest are payable an amount equal to 1/12
of the taxes, assessments and other charges due and payable with respect to said property
within each succeeding 12 months and also 1/36 of the insurance premium payable
with respect to said property within each succeeding three years while this Trust Deed is in
effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor
interest on said amounts at a rate not less than the highest rate authorized to be paid
by law on their open passbook account minus 3/4 of 1%. If such rate is less than
4%, the rate of interest paid shall be 4%. Interest shall be computed on the average
monthly balance in the account and shall be paid quarterly to the grantor by crediting

out of a defect in any insurance policy, and the beneficiary hereby is authorized, in the
event of any loss, to compromise and settle with any insurance company and to apply any
such insurance receipts upon the obligations secured by this trust deed. In computing the
amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the
reserve account shall be credited to the indebtedness. If any authorized reserve account
for taxes, assessments, insurance premiums and other charges is not sufficient to cover
the payment of such charges as they become due, the grantor shall pay the
deficit to the beneficiary upon demand, and if not paid within ten days after such demand,
the beneficiary may at its option add the amount of such deficit to the principal of the
obligation secured hereby.

property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,
covenants, conditions and restrictions affecting said property; to pay all costs,
fees and expenses of this trust, including the cost of title search, as well as
the other costs and expenses of the trustee incurred in connection with or
in enforcing this obligation, and trustee's and attorney's fees actually incurred
in appearing in and defend any action or proceeding purporting to affect the security
hereof or the rights or powers of the beneficiary or trustee or intended to pay all
costs and expenses, including cost of evidence, title and attorney's fees in a
reasonable sum to be fixed by the court, in any such action or proceeding in

annual statement of account but shall not be obligated or required to furnish
any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
under the right of eminent domain or condemnation, the beneficiary shall have
the right to commence, prosecute in its own name, appear in or conduct any ac-
tion or proceedings, in case of full reconveyance, for cancellation, without affecting the
right to the making of any map or plan of said property; (c) to hold in granting
any easement or creating and restriction thereon; (c) to hold in any subordination
or other agreement affecting this deed or the lien or charge hereof; (d) reconvey,
without warranty, all or any part of the property. The grantee in any reconvey-
ance may be described as the grantee or persons legally entitled thereto; and the grantor agrees
that the recitals therein of any matters or facts shall be conclusive proof of the
truthfulness thereof. Trustee's fees for any of the services in this paragraph
shall be \$500.

3. As additional security, grantor hereby assigns to beneficiary during the
continuance of these trusts all rents, issues, royalties and profits of the pro-

grantor shall default in the payment of any indebtedness secured hereby or in
the performance of any agreement hereunder, grantor shall have the right to col-
lect all rents, issues, royalties and profits earned prior to default as they
become due and payable. Upon any default by the grantor hereunder, the bene-
ficiary may at any time without notice, either the person, by agent or by
attorney, enter upon and take possession of any
security for the indebtedness hereby secured, enter upon and take possession of
said property or any part thereof, in its own name, sue for or otherwise collect
the rents, issues and profits, including those not due and unpaid, and apply
the same, less costs and expenses of collection and collection, including reason-
able attorney's fees, upon any indebtedness secured hereby, and in such order
as the beneficiary may determine.
