The Company further covenants and agrees to and with the Trustees and their successor or successors in such trust under the Mortgage, as follows:

## ARTICLE II.

## Thirty-fifth Series of Bonds.

SECTION 2. There shall be a series of bonds designated "7½% Series due July 1, 2006" (herein sometimes referred to as the "Thirty-fifth Series"), each of which shall also bear the descriptive title First Mortgage Bond, and the form thereof, which shall be established by Resolution of the Board of Directors of the Company, shall contain suitable provisions with respect to the matters hereinafter in this Section specified. Bonds of the Thirty-fifth Series shall mature on July 1, 2006 and shall be issued as fully registered bonds in the denomination of Five Thousand Dollars and, at the option of the Company, in any multiple or multiples of Five Thousand Dollars (the exercise of such option to be evidenced by the execution and delivery thereof); they shall bear interest at the rate of seven and three-quarters per centum (7¾%) per annum, payable semi-annually on January 1 and July 1 of each year; and the principal of and interest on each such bond to be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts. Bonds of the Thirty-fifth Series shall be dated as in Section 10 of the Mortgage provided.

(1) Bonds of the Thirty-fifth Series shall be redeemable in whole at any time or in part from time to time upon receipt by the Corporate Trustee of a written demand (hereinafter referred to as the "Redemption Demand") from the County Trustee, which Redemption Demand shall be received not less than 10 days prior to the redemption date stated therein. The Redemption Demand shall be signed by the President, a Vice President, a Senior Trust Officer or a Trust Officer of the County Trustee and shall state (1) the principal amount of bonds of the Thirty-fifth Series to be redeemed, (2) the redemption date (hereinafter referred to as the "redemption date"), (3) whether or not the redemption required by the Redemption Demand is the result of the principal amount of all of the Series 1976 Pollution Control Revenue Bonds then outstanding under the County Indenture having been declared immediately due and payable pursuant to the provisions of Section 8.02 of the County Indenture (hereinafter referred to as an "Acceleration"), (4) that the Corporate Trustee shall call for redemption on the redemption date the stated principal amount of bonds of the Thirty-fifth Series, and (5) that the County Trustee, as holder of all the bonds of the Thirty-fifth Series

then Outstanding, waives any notice of such redemption under the Mortgage. If the Redemption Demand states is the result of an Acceleration, the County Trustee Redemption Demand the principal amount of Series 1976 Revenue Bonds then "outstanding" (as defined in the Mortgage and the redemption date stated in the Redemption Demand) more than 60 days after the receipt thereof by the Corporate Trustee that the provisions of this Article II shall not be construed to deprive the County Trustee, as holder of the bonds of the Thirty-fifth Series, of the right to redeem the bonds of the Thirty-fifth Series pursuant to Article XIII of the Mortgage and, provided receipt of the Redemption Demand and prior to the redemption date, the Corporate Trustee shall have been advised in writing by the County Trustee that the Redemption Demand has been rescinded, such Redemption Demand shall be rescinded and no further act of the Corporate Trustee be rescinded and no redemption shall be required for all purposes hereunder and no redemption of the bonds of the Thirty-fifth Series and no payment in respect thereof shall be required. Promptly after receiving the Redemption Demand the Corporate Trustee shall mail a copy thereof to the Company; provided, however, that the Corporate Trustee shall not attend to the Redemption Demand in any proceedings for the redemption of the bonds of the Thirty-fifth Series until the Corporate Trustee may conclusively rely on the statement contained in the Redemption Demand. Redemption of the bonds of the Thirty-fifth Series shall be at the principal amount thereof, plus interest to the redemption date, and such amount shall be payable on the redemption date. The Company shall, if a Redemption Demand shall be delivered to the Corporate Trustee before the business day preceding the redemption date, deliver to the Corporate Trustee, an amount in cash sufficient to redeem the bonds of the Thirty-fifth Series so called for redemption. To the extent the provisions provided for in this Paragraph (1) conflicts with any provisions of the Mortgage, such provisions of Article X shall not apply.

(II) At any time and from time to time upon receipt by the Corporate Trustee of bonds of the Thirty-fifth Series, together with a Redemption Demand signed in the same manner as the Redemption Demand (i) specifying the principal amount of bonds

then Outstanding, waives any notice of such redemption required to be given under the Mortgage. If the Redemption Demand states that the redemption is the result of an Acceleration, the County Trustee shall state in the Redemption Demand the principal amount of Series 1976 Pollution Control Revenue Bonds then "outstanding" (as defined in the County Indenture) and the redemption date stated in the Redemption Demand shall be not less than 60 days after the receipt thereof by the Corporate Trustee, provided that the provisions of this Article II shall not be construed as limiting any rights of the County Trustee, as holder of the bonds of the Thirty-fifth Series, pursuant to Article XIII of the Mortgage and, provided, further, that if after receipt of the Redemption Demand and prior to the redemption date the Corporate Trustee shall have been advised in writing by the County Trustee, signed in the same manner as the Redemption Demand, that the Acceleration has been rescinded, such Redemption Demand shall thereupon without further act of the Corporate Trustee be rescinded and become null and void for all purposes hereunder and no redemption of the bonds of the Thirty-fifth Series and no payment in respect thereof shall be effected or required. Promptly after receiving the Redemption Demand the Corporate Trustee shall mail a copy thereof to the Company; provided, however, that failure to mail a copy of the Redemption Demand shall not affect the validity of the proceedings for the redemption of the bonds of the Thirty-fifth Series. The Corporate Trustee may conclusively rely on the statements and instructions contained in the Redemption Demand. Redemption of bonds of the Thirty-fifth Series shall be at the principal amount thereof, together with accrued interest to the redemption date, and such amount shall become and be due and payable on the redemption date. The Company hereby covenants that, if a Redemption Demand shall be delivered to the Corporate Trustee, the Company, subject to Paragraph (IV) of this Article II, will deposit, on or before the business day preceding the redemption date, with the Corporate Trustee, an amount in cash sufficient to redeem the bonds of the Thirty-fifth Series so called for redemption. To the extent the method of redemption provided for in this Paragraph (I) conflicts with any provisions of Article X of the Mortgage, such provisions of Article X shall not be applicable.

(II) At any time and from time to time upon receipt by the Corporate Trustee of bonds of the Thirty-fifth Series, together with a written order from the County Trustee signed in the same manner as a Redemption Demand (i) specifying the principal amount of bonds of the Thirty-fifth

Series to be cancelled and the reason therefor and (ii) directing the Corporate Trustee to cancel the bonds so delivered or to make such endorsements thereon as shall be appropriate pursuant to Section 54 of the Mortgage to evidence the cancellation of the principal amount of bonds of the Thirty-fifth Series stated in clause (i) to be cancelled, the Corporate Trustee shall cancel such stated principal amount of bonds of the Thirty-fifth Series. The Corporate Trustee may conclusively rely on the statements and instructions contained in such order.

(III) Bonds of the Thirty-fifth Series shall also be redeemable in whole at any time prior to maturity, upon notice as provided in Section 52 of the Mortgage, by the application (either at the option of the Company or pursuant to the requirements of the Mortgage) of cash deposited with the Corporate Trustee pursuant to the provisions of Section 87 of the Mortgage, at the Special Redemption Price of 100% of the principal amount of the Bonds to be redeemed, together with accrued interest to the date fixed for redemption.

(IV) The obligation of the Company to make payments with respect to the principal of and interest on bonds of the Thirty-fifth Series shall be fully or partially, as the case may be, satisfied and discharged to the extent that, at the time that any such payment shall be due, the then due principal of and interest on the Series 1976 Pollution Control Revenue Bonds shall have been fully or partially paid or there shall be in the Bond Fund established pursuant to the County Indenture sufficient available funds to fully or partially pay the then due principal of and interest on the Series 1976 Pollution Control Revenue Bonds. The Corporate Trustee may conclusively presume that the obligation of the Company to make payments with respect to the principal of and interest on bonds of the Thirty-fifth Series shall have been fully satisfied and discharged unless and until the Corporate Trustee shall have received a written notice from the County Trustee, signed by its President, a Vice President, a Senior Trust Officer or a Trust Officer, stating (i) that timely payment of the principal of or interest on the Series 1976 Pollution Control Revenue Bonds has not been made, (ii) that there are not sufficient available funds in the Bond Fund to make such payment, and (iii) the amount of funds required to make such payment of principal or interest or both, as the case may be. The Corporate Trustee may conclusively rely on the statements contained in the notice described in the next preceding sentence.

(V) Bonds of the Thirty-fifth Series shall be subject to the provisions of Section 12 of the Mortgage), for cancellation, together with a written instrument approved by the Company duly executed by the duly authorized attorney, at the office or agency of the County of New York, Borough of Manhattan, The City of New York, Trustee pursuant to the County Indenture, which delivery to the Corporate Trustee of an supplemental indenture entered into pursuant to the County Indenture, and such bonds of the Thirty-fifth Series shall be subject to the following legend imprinted thereon:

"This Bond has not been registered since 1933, as amended, and may not be offered for sale under the Securities Act of 1933, as amended, and is not transferable except to the County of New York, Borough of Manhattan, The City of New York, Trustee pursuant to the County Indenture of Trust dated as of July 1, 1976, as amended, to Citibank, N.A., as Trustee."

Upon any transfer of bonds of the Thirty-fifth Series, the Company shall make a charge therefor sufficient to reimburse the County of New York, Borough of Manhattan, The City of New York, Trustee for any governmental charge, as provided in Section 87 of the Mortgage. The Company hereby waives any right to make a charge on the bonds of the Thirty-fifth Series in connection with any transfer of bonds of the Thirty-fifth Series.

After the execution and the delivery of the County Indenture and upon compliance with the provisions of the Mortgage, as supplemented, it is contemplated that the issue of bonds of the Thirty-fifth Series in the amount of Thirty-five Million Dollars (\$35,000,000) shall be made.

#### ARTICLE III

##### Replacement Fund Covenant—Other Provisions of the Mortgage—Division

SECTION 3. Subsection (1) of Section 39 of the Mortgage, as amended, is hereby further amended by adding "or Thirty-fourth" and by adding "and Thirty-fifth" for "and Thirty-fourth" each in Section 39.

(V) Bonds of the Thirty-fifth Series shall only be transferable (subject to the provisions of Section 12 of the Mortgage), upon the surrender thereof, for cancellation, together with a written instrument of transfer in form approved by the Company duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York, to a successor to the County Trustee pursuant to the County Indenture, which succession is evidenced by delivery to the Corporate Trustee of an executed counterpart of a supplemental indenture entered into pursuant to Section 10.01(c) of the County Indenture, and such bonds of the Thirty-fifth Series will have the following legend imprinted thereon:

"This Bond has not been registered under the Securities Act of 1933, as amended, and may not be offered or sold in contravention of said Act and is not transferable except to a successor trustee under the Indenture of Trust dated as of July 1, 1976, from Converse County, Wyoming, to Citibank, N.A., as Trustee."

Upon any transfer of bonds of the Thirty-fifth Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge, as provided in Section 12 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any transfer of bonds of the Thirty-fifth Series.

After the execution and the delivery of this Thirtieth Supplemental Indenture and upon compliance with the applicable provisions of the Mortgage, as supplemented, it is contemplated that there shall be an initial issue of bonds of the Thirty-fifth Series in the aggregate principal amount of Thirty-five Million Dollars (\$35,000,000).
