Vol. <sup>111</sup> 76 Page 15777REAL AND PERSONAL PROPERTY MORTGAGE - INSUREDKNOW ALL MEN BY THESE PRESENTS, Dated OCTOBER 6, 1976:

THAT the undersigned CRESCENT WATER ASSOCIATION, of  
P. O. Box 123  
Crescent, Oregon 97733, of the County of Klamath, State  
of Oregon (hereinafter called Borrower) is justly indebted to the  
UNITED STATES OF AMERICA, acting through the Farmers Home Administration, U. S.  
Department of Agriculture (hereinafter called the Government), as evidenced by  
the following-described promissory note payable to the order of the Government:

<u>Date</u>	<u>Principal Amount</u>	<u>Annual Rate of Interest</u>	<u>Final Installment Due</u>
10/6/76	\$12,000.00	5%	OCTOBER 6, 2016

975 OCT 7 AM 11 04

And, the note evidences a loan to Borrower in the principal amount specified therein, made with the purpose and intention that the Government, at any time, may assign the note and insure the payment thereof pursuant to the Consolidated Farmers Home Administration Act of 1961; and

When payment of the note is insured by the Government, it may be assigned from time to time and each holder of the insured note, in turn, will be the insured lender; and

When payment of the note is insured by the Government the Government will execute and deliver to the insured lender along with the note an insurance endorsement insuring the payment of the note fully as to principal and interest; and

At all times when payment of the note is insured by the Government, the Government by agreement with the insured lender set forth in the insurance endorsement will be entitled to a specified portion of the interest payments on the note, to be designated the "annual charge"; and

A condition of the insurance of payment of the note will be that the holder will forego his rights and remedies against Borrower and any others in connection with said loan, as well as any benefit of this instrument, and will accept the benefits of such insurance in lieu thereof, and upon the Government's request will assign the note to the Government; and

It is the purpose and intent of this instrument that, among other things, at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the note, this instrument shall secure payment of the note; but when the note is held by an insured lender, this instrument shall not secure payment of the note or attach to the debt evidenced thereby, but as to the note and such debt shall constitute an indemnity mortgage to secure the Government against loss under its insurance endorsement by reason of any default by Borrower.

NOW, THEREFORE, in consideration of said loan and (a) at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the payment of the note, to secure prompt payment of the note and any renewals and extensions thereof and any agreements contained therein, (b) at all times when the note is held by an insured lender, to secure performance of Borrower's agreement herein to indemnify and save harmless the Government against loss under its insurance endorsement by reason of any default by Borrower, and (c) in any event and at all times to secure the prompt payment of all advances and expenditures made by the Government with interest, as hereinafter described, and the performance of every covenant and agreement of Borrower contained herein or in any supplementary agreement, Borrower does hereby grant, bargain, sell, convey, mortgage, and assign with general warranty unto the Government all of the real and personal property now owned or hereafter acquired by Borrower, in Klamath County, State of Oregon, including but not limited to the following:

TO HAVE AND TO HOLD the said property unto the Government and its assigns forever.

Borrower, for itself, its successors and assigns, does hereby and by these presents forever warrant said property unto the Government against the claims and demands of all persons whomsoever, and does hereby and by these presents covenant and agree:

1. To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the promissory note by reason of any default by Borrower. At all times when the promissory note is held by an insured lender, Borrower shall continue to make payments on the promissory note to the Government as collection agent for the holder.

2. To pay to the Government any initial fees for inspection and appraisal, and any delinquency charges, now or hereafter required by regulations of the Farmers Home Administration.

3. To maintain said property in proper repair and good condition; to commit or suffer no waste or exhaustion of said property; and to remove or demolish no building or other improvement on said property, neither to cut nor to remove any timber therefrom nor to remove, nor permit to be removed, any gravel, oil, gas, coal, or other minerals, without the consent of the Government; and promptly to effect such repairs to said property as the Government may from time to time require. 4. To perform, comply with and abide by each and every agreement, condition, and covenant contained in said promissory note, in any extension or renewal thereof, in any agreement supplementary thereto, and in this mortgage; to keep such records, books, and accounts as may be prescribed by the Government and to make them available for examination by officials of the Government upon request, and to permit copies thereof to be made by the Government; to furnish in such form and at such time as the Government shall request statements of annual income and expenses and other information concerning Borrower's operations as the Government may request; and to comply with all laws, ordinances, and regulations affecting said property or its use.

5. Any amount due and unpaid under the terms of the promissory note, whether it is held by the Government or by an insured lender, may be credited by the Government on the promissory note and thereupon shall constitute an advance by the Government for the account of Borrower. Any advance by the Government as described in this paragraph shall bear interest at the note rate from the date on which the amount of the advance was due to the date of payment to the Government.

6. Whether or not the promissory note is insured by the Government, the Government may at any time pay any other amounts required herein to be paid by Borrower and not paid by him when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for the account of Borrower. No such advance by the Government shall relieve Borrower from breach of his covenant to pay. Such advances, with interest, shall be repaid from the first available collections received from Borrower. Otherwise, any payment made by Borrower may be applied on the promissory note or any indebtedness to the Government secured hereby, in any order the Government determines.

8. To use the loan evidenced by the promissory note solely for the purposes authorized by the Government.

9. That the loan evidenced by said promissory note was expressly made by the Government to Borrower to enable Borrower to make improvements by soil conservation facilities or practices, water conservation, development or use, forestation, or drainage, approved by the Government, and Borrower did or will use said moneys for the foregoing purposes and for no other purpose or purposes; said improvements to be made in accordance with the plans and specifications approved by the Borrower and the Government.

10. That the Government, its agents and attorneys shall have the right at all times to inspect said property for the purpose of ascertaining whether the security given is being lessened or impaired, improperly operated or maintained; and if in the judgment of the Government the security given is being lessened or impaired, improperly operated or maintained, such condition shall be deemed a breach of the covenants of this mortgage on the part of Borrower.

11. That should Borrower assign, sell, lease, transfer or encumber said property or any interest therein, voluntarily, involuntarily or otherwise, or should any suit be instituted against Borrower which in the opinion of the Government would adversely affect the Government's interest hereunder, or should any judgment be recovered by any party against Borrower, or should there be instituted against Borrower any bankruptcy, receivership, liquidation, insolvency, or the like proceedings, or if any warrant of attachment should be issued against any property of Borrower, or should it abandon said property or be declared a bankrupt or an insolvent or make an assignment for the benefit of creditors, or should it, without the consent of the Government, fail to keep, perform and comply with any covenant, warranty or condition contained or referred to in this mortgage, the Government may declare the entire amount unpaid under said promissory note and on any indebtedness to the Government under this mortgage immediately due and payable and thereupon exercise any remedy provided herein or by law.

12. That it will not, unless written permission be first obtained from the Government, cause or permit any voluntary dissolution of its organization; merge or consolidate with any other organization; or transfer its assets or any part thereof to any other organization in any manner whatsoever except in the regular and usual course of its business.

13. That it will levy upon its members or shareholders in accordance with its charter or articles of incorporation and bylaws, assessments sufficient to pay the yearly cost of operation, maintenance, repair, improvements, taxes, interest, and principal upon all obligations of Borrower, especially the obligation to the Government as evidenced by the promissory note executed by Borrower to the Government.

14. That it will preserve and maintain its present provisions with respect to the admission of members or shareholders and their participation in its affairs, as set forth in its charter, constitution, and bylaws, unless written permission to change such provisions be first obtained from the Government.

15. That, without in any manner affecting the right of the Government to require and enforce performance at a subsequent date of the same, similar or any other covenant, agreement or obligation herein set forth, without affecting the liability of any person for payment of any indebtedness referred to herein, and without affecting the lien created upon said property or the priority of said lien, the Government is hereby authorized and empowered at its option and at any time to (a) waive the performance of any covenant or obligation contained in the promissory note or in this mortgage; (b) deal in any way with Borrower or grant to Borrower any indulgence or forbearance or extensions of the time for payment of any indebtedness evidenced by said promissory note or on any indebtedness to

the Government under this mortgage; and (c) execute and deliver partial release of any part of said property from the lien hereby created, or to subordinate the lien of this mortgage to other rights in said property.

16. That any notice, consent or other act to be given or done by the Government under this mortgage shall be valid only if in writing and executed or performed by the State Director of the Farmers Home Administration or his duly authorized representative.

17. That if at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source on terms and conditions which it can reasonably be expected to fulfill, Borrower will, upon request of the Government, apply for and accept such loans in sufficient amount to repay the Government.

18. That the land and said property described hereinabove shall be the subject of and covered by this mortgage even though Borrower shall acquire its title to same after the execution of this mortgage.

19. That all awards of damages, up to the amount of the indebtedness of Borrower to the Government on said loan plus any indebtedness to the Government under this mortgage, in connection with any condemnation for public use of or injury to any of said property are hereby assigned and shall be paid to the Government who may apply same first to payment of any indebtedness to the Government under this mortgage for application on the installments last to become due under said promissory note, and the Government is hereby authorized, in the name of Borrower, to execute and deliver valid acquittances therefor and to appeal in the name of Borrower or the Government from any such award.

20. THAT THE IS OF THE ESSENCE OF THIS MORTGAGE and the promissory note referred to herein, and upon payment of all indebtedness evidenced by said promissory note and all indebtedness to the Government under this mortgage and full performance hereunder by Borrower, the Government shall execute and deliver to Borrower a release and satisfaction of this mortgage within sixty (60) days after written demand therefor by Borrower, Borrower hereby waiving the benefits of all statutes or laws which require earlier execution or delivery of such release or satisfaction; BUT SHOULD DEFAULT BE MADE in the payment of any sum when due under said promissory note or under any extension or renewal thereof or under any agreement supplementary thereto, or should Borrower fail to keep or perform any other covenant, condition or agreement contained or referred to in this mortgage, the Government is hereby irrevocably authorized and empowered at its option and without notice: (a) to declare the entire indebtedness evidenced by said promissory note and any other indebtedness owing by Borrower to the Government under this mortgage immediately due and payable and to foreclose this mortgage in any manner provided by law; (b) to incur and pay any reasonable expenses for repair or maintenance of said property and any expenses or obligations Borrower fails to pay as agreed in this mortgage, including taxes, levies, assessments, insurance premiums and any other necessary costs and expenditures for the protection, preservation and enforcement of this lien; and

(c) to pursue any remedies provided herein or by law. Any default under this mortgage shall also constitute a default under any other mortgage of any kind whatsoever or security agreement from Borrower herein to the Government herein, and any default under any of such shall also constitute a default under this mortgage.

In the event Borrower does fail to pay when due any sum evidenced by said promissory note or violates any covenant or condition of this mortgage, the Government, at its option, at any time during the period when such default in payment or violation of any covenant or condition of this mortgage exists or continues, shall take over the facility or system purchased, constructed, repaired or enlarged with the proceeds of the loan evidenced by said promissory note and wholly manage and operate the same at all times until said default in payment or violation of covenant or condition no longer exists. During any period of such management and operation by the Government, all sums collected from members and any other income of Borrower paid to the Government for the account of Borrower shall be used, first to defray the cost of operation and maintenance of the said facility or system; second, to reduce or remove the said default in payment, and to pay, as they mature, all installments, payments, advances and charges falling due under the terms of the said promissory note or under the provisions of this mortgage; and the balance thereafter, if any, shall be delivered to Borrower.

21. That Borrower will pay or reimburse the Government for all expenses necessary to enforce the provisions of this mortgage and the instruments referred to in it, including costs of evidence of title to and survey of said property, court costs, recording costs and attorney's fees.

22. That all moneys advanced or expended by the Government as provided in this mortgage, with interest, shall become a part of the indebtedness hereby secured and shall be due and payable by Borrower to the Government immediately after such expenditure, except as hereinabove provided, and without demand, at the place designated in the promissory note or at such other place as the Government may designate.

23. That the Government or its agent may bid for and purchase said property as a stranger at any foreclosure or other sale.

24. The applications of the proceeds of such sale may be made in the following order: (a) to the payment of the cost of foreclosure, including expenses of advertising, selling and conveying said property, abstracts of title or other title evidence, a reasonable attorney's fee, court costs and other expenses incident and necessary thereto; to the payment of any liens prior to the lien of this mortgage; (b) to the payment of any amounts that have been expended by the Government or that then may be necessary to expend in the payment of insurance premiums, taxes or other expenditures as herein provided, with interest thereon as aforesaid; (c) to the payment in full of the promissory note whether the same shall or shall not have fully matured at the time
