 BY GARALD E. GIBSON)

O R D E R

This matter having come on before the Klamath County Planning Department upon the application by Garald E. Gibson for an Administrative Zone Correction No. 76-9, pursuant to Article 117, Ordinance No. 17, the same being the Klamath County Zoning Ordinance, said application requesting a zone correction from RD 20,000 (Residential Single Family) zone to RA (Residential Agricultural) zone, a description of the real property referred to in said application being W½ of Lot 30, Piedmont Heights Section 1, Township 39, Range 9, East of the Willamette Meridian, said application having been examined and such studies conducted as were required, the following findings of fact are set forth:

1. A description of the real property for which a zone correction is requested is W½ of Lot 30, Piedmont Heights Section 1, Township 39, Range 9, East of the Willamette Meridian.
2. The land in question is currently zoned RD 20,000 (Residential Single Family) and the requested zone correction is for RA (Residential Agricultural).
3. The part of Klamath County affected by the application was zoned on December 7, 1972.
4. The Comprehensive Land Use Plan for said property designates the applicant's land as Urban Density which is not compatible with the RA (Residential Agricultural) zone.
5. Written statements submitted to the Klamath County Planning Department by Linda R. Metters and Donald C. Renie indicate that horses were kept on the property prior to December 7, 1972.
6. The property contains approximately 28,000 square feet which meets the property development standards of the RA (Residential Agricultural) zone.

Based upon the above findings of fact, the following conclusions of law are set forth:

1. The land in question was zoned unintentionally and erroneously.
2. Prior to December 7, 1972, the land in question was actually used for Residential Agricultural purposes and such use existed lawfully.
3. Land Use studies conducted prior to the adoption of the Land Use Plan and Zoning Ordinance incorrectly identified the applicant's use of his land.
4. The proper zone district for the use lawfully existing prior to December 7, 1972, is RA (Residential Agricultural).
5. The proper land use designation on applicant's property is Suburban Density.

NOW, THEREFORE, IT IS HEREBY ORDERED that Application No. 76-9, submitted by Garald Gibson requesting a zone correction from RD 20,000 (Residential Single Family) zone to RA (Residential Agricultural) zone, a description of the real property referred to in said application being W $\frac{1}{2}$ of Lot 30, Piedmont Heights Section 1, Township 39, Range 9, East of the Willamette Meridian, is hereby provisionally approved and that the county zoning and land use plan maps be changed to show such correction. Unless an appeal is filed prior to November 8, 1976, 1976, this ORDER shall become permanent.

DONE AND DATED THIS 8th day of October, 1976.
