 beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$551.75
 November 20, 1976.

This trust deed shall further secure the payment of such additional money, if any, as may be loaned hereafter by the beneficiary to the grantor or others
 having an interest in the above described property, which may be evidenced by a
 note or notes. If the indebtedness secured by this trust deed is evidenced by
 more than one note, the beneficiary may credit payments received by it upon
 any of said notes or part of any payment on one note and part on another,
 as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary
 herein that the said premises and property conveyed by this trust deed are
 free and clear of all encumbrances and that the grantor will and his heirs,
 executors and administrators shall warrant and defend his said title thereto
 against the claims of all persons whosoever.

The grantor covenants and agrees to pay and note according to the terms
 thereof and when due, all taxes, assessments and other charges levied against
 said property; to keep said property free from all encumbrances; to have no pre-
 cedence over this trust deed; to complete all buildings, costs of construction
 or hereafter constructed on said premises within six months from the date
 hereof or the date construction is hereafter commenced; to repair and restore
 promptly and in good workmanlike manner any building or improvement on
 said property which may be damaged or destroyed and pay, when due, all
 costs incurred in so doing to allow beneficiary to inspect said property at all
 times during construction; to replace any work or materials unsatisfactory to
 the beneficiary within fifteen days after written notice from beneficiary
 fact; not to remove or destroy any building or improvement on or hereafter
 constructed on said premises; to keep all buildings, property and improvements
 no waste of said premises; to keep all buildings, property and improvements
 now or hereafter erected on said premises continuously insured against loss
 by fire or similar hazards as the beneficiary may from time to time require,
 for a sum not less than the original principal sum of the note or obligation
 created by this trust deed in a company or companies acceptable to the
 grantor and to deliver the original policy of insurance to the trustee and with
 approved loss payable clause in favor of the beneficiary attached and with
 premium paid, to the principal place of business of the beneficiary at least
 fifteen days prior to the effective date of any such policy of insurance. If
 said policy of insurance is not so tendered, the beneficiary may in its own
 discretion obtain insurance for the benefit of the beneficiary, which insurance
 shall be non-cancellable by the grantor during the full term of the policy thus
 obtained.

In order to provide regularly for the prompt payment of said taxes, assess-
 ments or other charges and other premiums, the grantor agrees to pay to
 the beneficiary, together with, and in addition to, the monthly payments of
 principal and interest payable under the terms of the note or obligation secured
 hereby, an amount equal to one-twelfth (1/12th) of the taxes, assessments and
 other charges due and payable with respect to said property within each successive
 twelve months, and also one-thirty-sixth (1/36th) of the insurance premiums
 payable with respect to said property within each successive twelve years while
 this trust deed remains in effect, as estimated and directed by the beneficiary.
 Such sums to be credited to the principal of the loan until required for the
 several purposes thereof and shall thereafter be charged to the principal of the
 loan; or, at the option of the beneficiary, the sums so paid shall be held by
 the beneficiary in trust as a reserve account, without interest, to pay said
 premiums, taxes, assessments or other charges when they shall become due
 and payable.

While the grantor is to pay any and all taxes, assessments and other
 charges levied or assessed against the property, or any part thereof, before
 the same begin to bear interest, and also to pay premiums on all insurance
 policies upon said property, such payments are to be made through the bene-
 ficiary, upon demand. The grantor hereby authorizes the beneficiary to pay
 any and all taxes, assessments and other charges levied or imposed against
 any and all property in the amounts as shown by the statements thereto furnished
 by the collector of such taxes, assessments or other charges, and to pay the
 insurance premiums in the amounts shown by the statements thereto submitted by
 the insurance carriers or their representatives, and to charge said sums to the
 principal of the loan or to withdraw the sums which may be required from
 the reserve account established for that purpose. The grantor agrees
 in no event to hold the beneficiary responsible for failure to have any insur-
 ance written or for any loss or damage growing out of a defect in any in-
 surance policy, and the beneficiary hereby is authorized, in the event of any
 loss, to compromise and settle with any insurance company and to apply any
 loss insurance receipts upon the obligations accrued by this trust deed. In
 computing the amount of the indebtedness for payment and satisfaction in
 full or upon sale or other acquisition of the property by the beneficiary after

default, any balance remaining in the reserve account shall be credited to the
 indebtedness. If the reserve account for taxes, assessments, insurance premiums
 and other charges is not sufficient at any time to meet the payment of such charges
 as they become due, the grantor shall pay the deficit to the beneficiary upon
 demand, and if not paid within ten days after such demand, the beneficiary
 may at its option add the amount of such deficit to the principal of the
 obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the
 beneficiary may at its option carry out the same and all expenditures therefor
 shall draw interest at the rate specified in the note, shall be repayable by
 the grantor on demand and shall be secured by the lien of this trust deed. In
 this connection, the beneficiary shall have the right in its discretion to complete
 any improvements made on said premises and also to make such repairs to said
 property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,
 covenants, conditions and restrictions affecting said property; to pay all costs,
 fees and expenses of this trust, including attorney's fees, title search as well as
 the other costs and expenses of the trustee incurred in connection with or
 in enforcing this obligation, and trustee's and attorney's fees actually incurred
 to appear in any defense, any action or proceeding purporting to affect the secur-
 ity hereof, the rights or powers of the beneficiary or trustee; and to pay all
 costs and expenses, including cost of evidence of title and attorney's fees in
 a reasonable sum to be fixed by the court, in any such action or proceeding in
 which the beneficiary or trustee may appear and in any suit brought by the
 beneficiary to foreclose this deed, and all said sums shall be secured by this trust
 deed.

The beneficiary will furnish to the grantor on written request therefor an
 annual statement of account but shall not be obligated or required to furnish
 any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
 under the right of eminent domain or condemnation, the beneficiary shall have
 the right to commence, prosecute in its own name, appear in or defend in any
 action or proceeding, or to make any compromise or settlement in connection with
 such taking and, if it so elects, to require that all or any portion of the money's
 payable as compensation for such taking, which are in excess of the amount re-
 quired to pay all reasonable costs and expenses and attorney's fees necessarily paid
 or incurred by the grantor in such proceedings, shall be paid to the beneficiary
 or incurred by the grantor upon any reasonable costs and expenses and attorney's
 fees necessarily paid or incurred by the beneficiary in such proceedings, and the
 grantor shall apply the same upon the indebtedness secured hereby; and the grantor agrees,
 at its own expense, to take such actions and execute such instruments as may
 be necessary in obtaining such compensation, promptly upon the beneficiary's
 request.

2. At any time and from time to time upon written request of the bene-
 ficiary, payment of its fees and presentation of this deed, without notice or
 demand, (in case of full reconveyance, for cancellation), without notice or
 demand, the liability of any person for the payment of the indebtedness secured hereby, the trustee may (a)
 consent to the making of any map or plat of said property; (b) join in granting
 any easement or creating and recording thereon; (c) join in any subordination
 or other agreement relating to this deed or the lien or charge hereof; (d) reconvey
 without warranty, all or any part of the property. The grantee in any reconvey-
 ance or transfer described as the "person or persons legally entitled thereto" and
 the rentals therein of any matters or facts shall be conclusive proof of the
 truthfulness thereof. Trustee's fees for any of the services in this paragraph
 shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the
 continuance of these trusts all rents, issues, royalties and profits of the prop-
 erty affected by this deed and of any personal property located thereon, until
 grantor shall default in the payment of any indebtedness secured hereby or
 the performance of any agreement hereunder, grantor shall have the right to col-
 lect all such rents, issues, royalties and profits prior to default as they
 become due and payable. Upon default, the grantor hereunder, the bene-
 ficiary may at any time without notice, either in person, by agent or by a re-
 ceiver to be appointed by the court, and without regard to the adequacy of any
 security for the indebtedness hereby secured, enter upon and take possession of
 the property, or any part thereof, in its own name sue for or otherwise collect
 the rents, issues and profits, including those past due and unpaid, and apply
 the same, less costs and expenses of operation and collection, including
 attorney's fees, upon any indebtedness secured hereby, and in such order
 as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits of the goods or chattels or other insurance policies, documents or records for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser who would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be given to the beneficiary, shall deposit with the trustee this trust deed and all proclamatory notes and documents evidencing expenditures secured hereby, wherupon the trustees shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the Trustee for the trustee to sell, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligation secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50.00 each) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recordation of said notice of default and giving of said notice of sale, the trustee shall sell property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public an-

nouncement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his deed in form as required by law, conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

9. When the Trustee sells pursuant to the powers provided herein, the trustee shall pay the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney. (2) To the obligation secured by the trust deed. (3) To all persons having recorded liens subsequent to the interests of the trustee in the trust deed as their interests appear in the order of their priority. (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded, shall be filed in the county clerk or recorder of the county or country in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

11. Trustee accepts this trust when this deed, duly executed and acknowledged is made a public record, as provided by law. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which the grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by the trustee.

12. This deed applies to, insures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "beneficiary" shall mean the holder and owner, including assignee, of the note secured hereby, whether or not named as a beneficiary herein.
