performance of each agreement of the grantor herein contained and the payment of the sum of THIRTY-THREE THOUSAND SEVEN  
(\$24,750.00) Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to the  
beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$199.73 commencing

having an interest in the above described property, as may be evidenced by a  
note or notes, the indebtedness secured by this trust deed is evidenced by  
more than one note, the beneficiary may credit payments received by it upon  
any said notes or part of any payment on one note and part on another,  
as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary  
herein that the said premises and property conveyed by this trust deed are  
free and clear of all encumbrances and that the grantor warrant and defend his said title thereto  
against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms  
thereof and when due, all taxes, assessments and other charges levied against  
said property; to keep said property free from all encumbrances having pre-  
said property; to complete all buildings in course of construction  
within six months from the date of the construction is hereafter commenced; to repair and restore  
promptly and in good workmanlike manner any building or improvement on  
said property which may be damaged or destroyed and pay, when due, all  
costs incurred therefor; to replace any work or materials unsatisfactory to

fact; not to remove or destroy any building or improvements now or hereafter  
constructed on said premises; to keep all buildings and improvements now or

by fire or such other hazards as the beneficiary may from time to time require,  
in a sum not less than the original principal sum of the note or obligation  
secured by this trust deed, in a company or companies acceptable to the bene-  
ficiary, and to deliver the original policy of insurance in correct form and with  
approved loss payable clause in favor of the beneficiary attached and at least  
premium paid, to the principal place of business of the beneficiary. If  
fifteen days prior to the effective date of any such policy of insurance, if  
said policy of insurance is not so tendered, the beneficiary may in its own  
discretion obtain insurance for the benefit of the beneficiary, which insurance  
shall be non-cancelable by the grantor during the full term of the policy thus  
obtained.

That for the purpose of providing regularly for the prompt payment of all taxes,  
assessments, and governmental charges levied or assessed against the above described  
property and insurance premium while the indebtedness secured hereby is in excess of 80%  
of the lesser of the original purchase price paid by the grantor at the time the loan was  
made or the beneficiary's official appraisal value of the property at the time the loan  
was made, the beneficiary will pay to the beneficiary in addition to the monthly payments of  
principal and interest payable under the terms of the note or obligation secured hereby  
on the date installments on principal and interest are payable with respect to said property  
of the taxes, assessments, and other charges due and payable with respect to said property  
within each succeeding 12 months and also 1/36 of the insurance premium payable with  
respect to said property within each succeeding three years while this Trust Deed is in  
effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor  
interest on said amounts at a rate not less than the highest rate authorized to be paid  
by banks on their open passbook accounts minus 3/4 of 1%. If such rate is less than  
4%, the rate of interest paid shall be 4%. Interest shall be computed on the average  
monthly balance in the account and shall be paid quarterly to the grantor by crediting  
to the escrow account the amount of the interest due.

against said property in the amounts as shown by the statements thereof furnished by the  
collector of such taxes, assessments or other charges, and to pay the insurance premiums  
in the amounts shown on the statements submitted by the insurance carrier or their rep-  
resentative, and to withdraw the sums which may be required from the reserve account,  
if any, established for that purpose. The grantor agrees in no event to hold the beneficiary  
responsible for failure to have any insurance written or for any loss or damage growing  
out of a defect in any insurance policy, and the beneficiary hereby is authorized, in the  
event of any loss, to compromise and settle with any insurance company and to apply any  
such insurance receipts upon the obligations secured by this trust deed. In computing the  
amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the  
reserve account shall be credited to the indebtedness. If any authorized reserve account  
for taxes, assessments, insurance premiums and other charges is not sufficient at any  
time for the payment of such charges as they become due, the grantor shall pay the  
deficit (the beneficiary upon demand, and if not paid within ten days after such demand,  
the beneficiary may at its option add the amount of such deficit to the principal of the  
obligation secured hereby).

Should the grantor fail to keep any of the foregoing covenants, then the  
beneficiary may at its option carry out the same, and all its expenditures there-  
for shall draw interest at the rate specified in the note, shall be repayable by  
the grantor on demand and shall be secured by the lien of this trust deed. In  
this connection, the beneficiary shall have the right in its discretion to complete  
any improvements made on said premises and also to make such repairs to said  
property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,  
covenants, conditions and restrictions affecting said property; to pay all costs,  
fees and expenses of this trust, including the cost of title search, as well as  
the other costs and expenses of the trustee incurred in connection with or  
in enforcing this obligation, and trustee's and attorney's fees actually incurred;  
to appear in and defend any action or proceeding purporting to affect the secur-  
ity hereof or the rights or powers of the beneficiary or trustee; and to pay all  
costs and expenses, including cost of evidence of title and attorney's fees in a  
reasonable sum to be fixed by the court, in any such action or proceeding in  
which the beneficiary or trustee may appear and in any suit brought by bene-  
ficiary to foreclose this deed, and all said sums shall be secured by this trust  
deed.

The beneficiary will furnish to the grantor on written request therefor an  
annual statement of account but shall not be obligated or required to furnish  
any further statements of account.

under the right of eminent domain or condemnation, the beneficiary shall have

payable as compensation for such taking, which are in excess of the amount re-  
quired to pay all reasonable costs, expenses and attorney's fees necessarily paid  
or incurred by the grantor in such proceedings, shall be paid to the beneficiary  
and applied by it first upon any reasonable costs and expenses and attorney's  
fees necessarily paid or incurred by the beneficiary in such proceedings, and the  
balance applied upon the indebtedness secured hereby; and the grantor agrees,

ance may be described as the "person or persons legally entitled thereto" and  
the recitals therein of any matters or facts shall be conclusive proof of the  
truthfulness thereof. Trustee's fees for any of the services in this paragraph  
shall be \$5.00.

continuance of these trusts all rents, issues, royalties and profits of the prop-  
erty affected by this deed and of any personal property located thereon. Until

grantor shall default in the performance of any agreement hereunder, grantor shall have the right to col-  
lect all such rents, issues, royalties and profits earned prior to default, as they
