FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of FIVE THOUSAND and No/100 Dollars, with interest sum paid, to beneficiary or order and made by grantor, the

thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor, the

final payment of principal and interest hereof, if not sooner paid, to be due and payable November 20, 1981.

The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, or then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of said property.

2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may be damaged, damaged or destroyed thereon, and pay when due all costs incurred therefor.

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to furnish him with copies of such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.

4. To provide and conspicuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other hazards as the beneficiary may from time to time require, written in companies acceptable to the beneficiary, with loss payable to the latter; all policies of insurance shall be delivered to the beneficiary as soon as insured; if the grantor fails to do so for any reason to procure any such insurance and to deliver same to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. The amount collected under any life or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. To keep said premises free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against the property below any part of such taxes, assessments and other charges become due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set forth in this note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights and from breach of any of the covenants herein or for such payment, with interest as aforesaid, the property hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable with interest and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.

6. To pay all costs, fees and expenses of this trust including the cost of title search, as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred.

7. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee; and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any action for foreclosure of this deed, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney's fees; the amount of attorney's fees mentioned in this paragraph 7 in all cases shall be fixed by the trial court and in the event of an appeal from any judgment or decree of the trial court, grantor further agrees to pay such sum as the appellate court shall adjudge reasonable as the beneficiary's or trustee's attorney's fees on such appeal.

It is mutually agreed that:

8. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first to the reasonable costs and expenses and attorney's fees, both in the trial and appellate courts, necessarily paid or incurred by beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby; and grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary's request.

9. At any time and from time to time upon written request of beneficiary, payment of its costs and presentation of this deed and the note for endorsement (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, trustee may

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney, who is an active member of the Oregon State Bar, a bank, trust company or savings and loan association authorized to do business under the laws of Oregon or the United States, or a life insurance company authorized to insure title to real property of this state, its subsidiaries, affiliates, agents or branches, or the United States or any agency thereof.

10. Upon any default by grantor, beneficiary may, at its option:

(a) consent to the making of any map or plat of said property; (b) join in

granting any easement or creating any restriction thereon; (c) join in any

subordination or other agreement affecting this deed or the lien or charge

thereon; (d) reconvey, without warranty, all or any part of the property. The

grantee in any reconveyance may be described as the "person or persons

legally entitled thereto," and the recitals thereon of any matters or facts shall

be conclusive proof of the truthfulness thereof. Trustee's fees for any of the

services mentioned in this paragraph shall be not less than \$5.

11. Upon any default by grantor hereunder, beneficiary may at any

time without notice, either in person, by agent or by receiver to be ap-

pointed by a court, and without regard to the adequacy of any security or

the indebtedness hereby secured, enter upon and take possession of said prop-

erty or any part thereof, in its own name and in the name of the beneficiary, and sue and collect all rents, issues and profits, including those paid in and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees upon any indebtedness secured hereby, and in such order as bene-

iciary may determine.

12. Upon default by grantor in payment of any indebtedness secured

hereby or in his performance of any agreement hereunder, the beneficiary may

declare all sums secured hereby immediately due and payable. In such case

and if the above described real property is currently used for agricultural,

timber or grazing purposes, the beneficiary may propose to foreclose this trust

deed in equity as a mortgage in the manner provided by law for mortgag-

age of personal property or to not to currently used, the benefici-

ary at his election may proceed to foreclose this trust deed in equity as a

mortgage or direct the trustee to foreclose this trust deed by advertisement

and sale. In the latter event the beneficiary or the trustee shall execute and

cause to be recorded his written notice of default and his election to sell the

said described real property to satisfy the obligations secured hereby, where-

upon the trustee shall fix the time and place of sale, give notice thereof as then

required by law and proceed to foreclose this trust deed in the manner pro-

vided in ORS 867.40 to 867.95.

13. Should the beneficiary elect to foreclose this trust deed in equity

then after default at any time before the time set below the date set by the

trustee for the trustee to sell, the grantor or other person so privileged by

ORS 867.60, may pay to the beneficiary or his successors in interest, respect-

ively, the entire amount then due under the terms of the trust deed and the

obligation secured thereby (including costs and expenses actually incurred in

enforcing the terms of the obligation and trustee's and attorney's fees not ex-

ceeding \$50 each) other than such portion of the principal as would not then

be due had no default occurred, and thereby cure the default, in which event

all foreclosure proceedings shall be dismissed by the trustee.

14. Otherwise, the sale shall be held on the date and at the time and

place designated in the notice of sale. The trustee may sell said property either

in one parcel or in separate parcels and shall sell the same in parcels at

auction to the highest bidder, unless otherwise provided at the time of sale. Trustee

shall deliver to the purchaser his deed in form as required by law conveying

the property so sold, but without any covenant or warranty, express or im-

plicit. The recitals in the deed of any matter of fact shall be conclusive proof

of the truthfulness thereof. Any person, excluding the trustee, but including

the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the powers provided herein, trustee

shall apply the proceeds of sale to payment of (1) the expenses of sale, in-

cluding the compensation of the trustee and a reasonable charge by trustee's

attorney; (2) to the obligation secured by the trust deed; (3) to all persons

having recorded liens subsequent to the interest of the trustee in the trust

deed as their interests may appear in the order of their priority; and (4) the

surplus, if any, to the grantor or to his successor in interest entitled to such

surplus.

16. For the reason permitted by law, beneficiary may from time to

time appoint a successor or successors to any trustee named herein or to any

successor trustee appointed hereunder. Upon such appointment, and without

conveyance to the successor trustee, the latter shall be vested with all title,

powers and duties conferred upon any trustee herein named or appointed

hereunder. Each such appointment or substitution shall be made by written

instrument executed by beneficiary, containing reference to this trust deed

and its place of record, which, when recorded in the office of the County

Clerk or Recorder of the county or counties in which the trust deed is recorded,

shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust deed, holds this deed duly executed and

acknowledged, to satisfy any party hereto of pending sale under any other deed of

any action or proceeding in which grantor, beneficiary or trustee

shall be a party unless such action or proceeding is brought by trustee.
