WITNESSETH:

Grantor irrevocably grants, bargains, sells and conveys to trustee in trust, with power of sale, the property in Klamath County, Oregon, described as:

See legal description on attached Exhibit "A" made a part hereof.

together with all and singular the tenements, hereditaments and appurtenances and all other rights therunto belonging or in anywise now or hereafter appertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection with said real estate.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of —— FOUR THOUSAND FIVE HUNDRED and No/100 Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor; the final payment of principal and interest hereof, if not sooner paid, to be due and payable October 1, 1977.

The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of said property.

2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may have been damaged or destroyed thereon, and pay all the costs incurred therefor.

3. To comply with all law, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to obtain, execute such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require, and to pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.

4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other hazards as the beneficiary may from time to time require, in an amount not less than \$1,000 per \$100 of assessed value, written in amounts acceptable to the beneficiary, with loss payable to the latter; all policies of insurance shall be delivered to the beneficiary as soon as insured; if the grantor shall fail for any reason to procure any such insurance and to deliver said policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. If the amount collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not constitute or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. To keep said premises free from construction leases and to pay all taxes, assessments and other charges that may be levied or assessed upon or against said property before any part of such taxes, assessments and other charges become past due or delinquent and to deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance, construction leases or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from the above; the property hereinbefore described as being the grantor's, shall be bound to the same extent that it is bound for the payment of the obligation herein described and all such payments shall be immediately due and payable without notice and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust.

6. To pay all costs, fees and expenses of this trust including the cost of title search as well as the other costs and expenses of the trustee in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred.

7. To appear in and defend any action or proceeding purporting to affect the title, rights or powers of beneficiary or trustee; and in any suit or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney's fees, the amount of attorney's fees mentioned in this paragraph 7 in all cases shall be fixed by the trial court and in the event of an appeal from the judgment of the trial court, grantor further agrees to pay such sum as the appellate court shall judge reasonable as the beneficiary's or trustee's attorney's fees on such appeal.

It is mutually agreed that:

8. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees, provided herein, shall be paid to beneficiary and the amount so paid by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees incurred by grantor in such proceedings, and the balance paid upon the indebtedness secured hereby; and grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary's request.

9. At any time and from time to time upon written request of beneficiary, payment of its fees and presentation of this deed and the note for endorsement (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, trustee may

(a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereon; (d) reconvey, without warranty, all or any part of the property. The grantee in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fee for any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by grantor hereunder, beneficiary may at any time without notice, either personally or by a receiver he may appoint by him, enter upon and take possession of said property or the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name sue or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as beneficiary may determine.

11. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the proceeds of any insurance, policies or compensation or awards, or any amount of damage or loss to the indebtedness hereby secured, entered upon and take possession of said property, and the application or release thereof, or otherwise shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured hereby or in his performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable. In such an event and if the above described real property is currently used for agricultural, timber or grazing purposes, the beneficiary may proceed to foreclose this trust deed in equity, as a mortgage in the manner provided by law, or to institute proceedings for foreclosure. However, if said real property is not so used, trustee may, by affidavit at his election may proceed to foreclose this trust deed in equity as a mortgage or direct the trustee to foreclose this trust deed by advertisement and sale, and in such event the beneficiary or the trustee shall execute and have sold the same to the highest bidder.

13. Should the beneficiary elect to foreclose by advertisement and sale then after default at any time prior to five years before the date set by the trustee for the trustee's sale, the grantor or other person so privileged by ORS 867.600 et seq. may record his written notice of default and his election to sell the same described real property to satisfy the obligations secured hereby, whereupon the trustee shall fix the time and place of sale, give notice thereof as then required by law and proceed to foreclose this trust deed in the manner provided in ORS 867.740 to 867.795.

14. Otherwise, the sale shall be held on the last day and at the time and place designated in the notice of sale. The trustee may sell said property either in one or more lots or parcels, and shall sell the parcel or parcels of land to the highest bidder, for cash, payable at the time of sale. Trustee shall deliver to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the power provided herein, trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including the compensation of trustee and a reasonable charge by trustee's attorney; (2) the obligation secured by the trust deed; (3) to all persons having recorded liens subsequent to the interest of the trustee in the trust deed as their interests may appear in the order of their priority; and (4) the surplus, if any, to the grantor or to his successor in interest entitled to such surplus.

16. For any reason permitted by law beneficiary may, from time to time, appoint a successor or successors to any trustee named herein, to succeed to the rights and duties referred upon any trustee herein named, or appointed herein. Each such appointment and substitution shall be made by written instrument executed by beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the County Clerk or Recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust when this document is delivered and acknowledged as made a public record as provided by law. Trustee is not obligated to notify any party of any action or proceeding in which grantor, beneficiary or trustee may be a party unless such action or proceeding is brought by trustee.
