§2.01. (a) The Company hereby reserves the right to redeem, at its option, the Series B Bonds, as a whole or from time to time in part, at the optional redemption prices specified in the form of Series B Bond hereinabove set forth and in accordance with the procedures upon redemption set forth therein and in this Part Two; provided, however, that no such redemption shall be effected prior to December 1, 1986 directly or indirectly from or in anticipation of moneys borrowed by or for the account of the Company at an interest cost (calculated in accordance with generally accepted financial practice) of less than 8.20% per annum. In the case of any redemption pursuant to this §2.01 (a) prior to December 1, 1986, the Company will deliver to the Trustee on or prior to the date fixed for redemption an Officers' Certificate stating that such redemption will comply with the provisions of the proviso contained in the foregoing sentence of this §2.01 (a).

(b) The Series B Bonds may also be redeemed in part on December 1, 1982 and on each December 1 thereafter to and including December 1, 2000, through the operation of the sinking fund as set forth in §2.04 of this Fourth Supplemental Indenture at the sinking fund redemption price set forth in the form of Series B Bond hereinabove recited (hereinafter referred to as the sinking fund redemption price), together with accrued interest to the date fixed for redemption.

§2.02. In case the Company shall desire to exercise the right to redeem all, or, as the case may be, any part of the Series B Bonds pursuant to §2.01 (a) of this Fourth Supplemental Indenture, it shall fix a date for redemption and shall mail a notice of such redemption at least 30, but not more than 60, days prior to the date fixed for redemption to the holders of Series B Bonds so to be redeemed as a whole or in part at their last addresses as the same appear on the transfer register. Such mailing shall be by first class mail. The notice if mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. Failure to give such notice by mail or any defect in the notice to the holder of any Series B Bond designated for redemption as a whole or in part shall

not affect the validity of the proceedings for the redemption of any other Series B Bond.

Each such notice of redemption shall specify the date of redemption, the redemption price at which Series B Bonds are to be redeemed, the place or places of payment, that upon presentation and surrender of such Bonds, that the date fixed for redemption will be paid as specified, that on and after said date interest thereon or on the Bonds to be redeemed will cease to accrue. If less than all of the Series B Bonds are to be redeemed, the notice of redemption shall specify the portion of the principal amount thereof to be redeemed, and after the date fixed for redemption, upon the redemption of a Series B Bond, a new Series B Bond or Bonds in principal amount equal to the unredeemed portion thereof will be issued.

On or before the redemption date specified in the notice, the Company shall deliver to the Trustee or with one or more paying agents sufficient to redeem on the redemption date all the Series B Bonds called for redemption at the appropriate redemption price with accrued interest to the date fixed for redemption.

If less than all the Series B Bonds are to be redeemed, the Company will give the Trustee notice, not less than 45 days prior to the redemption date, of the aggregate principal amount to be redeemed and the Trustee shall select, in its discretion, it shall deem appropriate and fair portions thereof (in integral multiples of \$1,000) to be redeemed.

§2.03. If notice of redemption has been given pursuant to §2.02, the portions of Series B Bonds with respect to which the notice has been given shall become due and payable on the date specified in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption (unless the Company shall default in the redemption of the Series B Bonds at the redemption price, together with interest on the Series B Bonds or portions thereof called for redemption shall cease to accrue).

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which Series B Bonds are to be redeemed, the place or places of payment, that payment will be made upon presentation and surrender of such Bonds, that interest accrued to the date fixed for redemption will be paid as specified in said notice, and that on and after said date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all the Series B Bonds are to be redeemed the notice of redemption shall specify the numbers of the Series B Bonds to be redeemed. In case any Series B Bond is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that on and after the date fixed for redemption, upon surrender of such Series B Bond, a new Series B Bond or Bonds in principal amount equal to the unredeemed portion thereof will be issued.

On or before the redemption date specified in the notice of redemption given as provided in this §2.02, the Company will deposit with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the redemption date all the Series B Bonds so called for redemption at the appropriate redemption price, together with accrued interest to the date fixed for redemption.

If less than all the Series B Bonds are to be redeemed the Company will give the Trustee notice, not less than 45 days prior to the redemption date, of the aggregate principal amount of Series B Bonds to be redeemed and the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair, the Series B Bonds or portions thereof (in integral multiples of \$1,000) to be redeemed.

§2.03. If notice of redemption has been given as provided in §2.02 or §2.04 of this Fourth Supplemental Indenture, the Series B Bonds or portions of Series B Bonds with respect to which such notice has been given shall become due and payable on the date and at the place or places stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption, and on and after said date (unless the Company shall default in the payment of such Series B Bonds at the redemption price, together with interest accrued to said date) interest on the Series B Bonds or portions of Series B Bonds so called for redemption shall cease to accrue. On presentation and sur-

render of such Series B Bonds at a place of payment specified in said notice, the said Series B Bonds or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided, however, that semi-annual instalments of interest becoming due on the date fixed for redemption shall be payable to the holders of such Series B Bonds, or one or more previous Series B Bonds evidencing all or a portion of the same debt as that evidenced by such particular Series B Bonds, registered as such on the relevant record dates according to their terms and the provisions of §1.03 of this Fourth Supplemental Indenture.

Upon presentation of any Series B Bond redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the holder thereof, at the expense of the Company, a new Series B Bond or Bonds, of authorized denominations, in principal amount equal to the unredeemed portion of the Series B Bond so presented.

§2.04. As and for a sinking fund for the retirement of Series B Bonds and so long as any of the Series B Bonds remain outstanding and unpaid, the Company will pay to the Trustee or to one or more paying agents in cash, except as hereinafter provided, on or before December 1, 1982 and on or before each December 1 thereafter to and including December 1, 2000, an amount sufficient to redeem \$5,000,000 principal amount of Series B Bonds (or the principal amount then outstanding, if less) at the sinking fund redemption price. The last date on which any such payment may be made is herein referred to as a sinking fund payment date.

At its option the Company may pay into the sinking fund for the retirement of Series B Bonds, on or before each sinking fund payment date, any additional sum in cash up to but not exceeding the mandatory sinking fund payment due on such sinking fund payment date. If the Company intends to exercise its right to make any such optional sinking fund payment, it shall deliver to the Trustee at least 45 days prior to the next succeeding sinking fund payment date a certificate signed by the Treasurer or an Assistant Treasurer of the Company stating that the Company intends to exercise such optional right and specifying the amount which the Company intends to pay on such sinking fund pay-

ment date. If the Company fails to deliver such on the time provided above, the Company shall not any optional sinking fund payment with respect to payment date. To the extent that such right is year it shall not be cumulative or carried forward year. No such optional payment shall operate to any mandatory sinking fund payment.

If the sinking fund payment or payments (made in cash plus any unused balance of any payments made in cash) shall exceed \$50,000 (the Company shall so request) on any December 1, shall be applied by the Trustee or one or more December 1 to the redemption of Series B Bonds redemption price together with accrued interest redemption. The Trustee shall select, in the manner of this Fourth Supplemental Indenture, for redemption a sufficient principal amount of Series B Bonds, as nearly as may be, and the Trustee shall the name of the Company, thereupon cause notice Series B Bonds to be given in substantially the effect provided in said §2.02 and §2.03 of this Indenture for the redemption of Series B Bonds in Company, except that the notice of redemption Series B Bonds are being redeemed for the sinking fund moneys not so applied or allocated by the agent to the redemption of Series B Bonds shall cash sinking fund payment received by the Trustee and, together with such payment, shall be applied to the provisions of this §2.04. The Trustee shall select, in the manner provided in § 2.02 of this Fourth Supplemental Indenture, for redemption on such December 1 a sufficient principal amount of Series B Bonds to absorb said cash, as nearly as may be, and the Trustee shall, at the expense and in the name of the Company, thereupon cause notice of redemption of such Series B Bonds to be given in substantially the manner and with the effect provided in said § 2.02 and § 2.03 of this Fourth Supplemental Indenture for the redemption of Series B Bonds in part at the option of the Company, except that the notice of redemption shall also state that the Series B Bonds are being redeemed for the sinking fund. Any sinking fund moneys not so applied or allocated by the Trustee or any paying agent to the redemption of Series B Bonds shall be added to the next cash sinking fund payment received by the Trustee or such paying agent and, together with such payment, shall be applied in accordance with the provisions of this § 2.04. On or before each sinking fund payment date, the Company shall pay to the Trustee or to one or more paying agents in cash a sum equal to all interest accrued to the date fixed for redemption on Series B Bonds to be redeemed on such date pursuant to this § 2.04.

In lieu of making all or any part of any sinking fund payment in cash, the Company at its option (i) may deliver to the Trustee Series B Bonds theretofore purchased by the Company and (ii) may apply as a credit, the amount of Series B Bonds which have been redeemed pursuant to §2.01 (a) of this Fourth Supplemental Indenture, provided that such amount of Series B Bonds shall not have previously been so applied. Series B Bonds so delivered or applied shall be credited at the sinking fund redemption price. If the Company intends so to deliver or apply Series B Bonds with respect to any sinking fund payment, it shall deliver to the Trustee at least 45 days prior to the next succeeding sinking fund payment date (a) a certificate signed by the Treasurer or an Assistant Treasurer of the Company specifying the respective portions of such sinking fund payment to be satisfied by payment of cash and by the delivery or application of Series B Bonds and (b) (unless previously delivered) such Series B Bonds. All Series B Bonds so delivered to the Trustee shall be cancelled by the Trustee and no Series B Bonds shall be authenticated in lieu thereof. If the Company fails to deliver such certificate and Series B Bonds at or before the time provided above, the Company shall not be permitted to satisfy any portion of such sinking fund payment by delivery or application of Series B Bonds.

Neither the Trustee nor any paying agent shall redeem any Series B Bonds with sinking fund moneys, and the Trustee shall not mail any notice of redemption of Series B Bonds by operation of the sinking fund, during the continuance of a default in payment of interest on the Bonds of any series or of any event of default (other than an event of default occurring as a consequence of this paragraph), except that if the notice of redemption of any Series B Bonds shall theretofore have been mailed in accordance with the provisions hereof, the Trustee or any paying agent shall redeem such Series B Bonds if cash sufficient for that purpose shall be deposited with the Trustee or such paying agent for that purpose in accordance with the terms of this Part Two. Except as aforesaid, any moneys in the sinking fund at the time when any such default or event of default shall occur and any moneys thereafter paid into the sinking fund shall, during the continuance of such default or event of default, be held as security for the payment of all the Bonds; provided, however, that in case such default or event of default shall have been made good or waived as provided in the Indenture, such moneys shall
