Findings of Fact:

1. Both lots are adequate in size and shape to meet the land development standards in the area.
2. Access is off of Altamont and Bristol and is adequate to carry the additional traffic.
3. There are other Urban Density designations in the immediate area.
4. This will be in keeping with trends in the neighborhood.

Conclusions of Law:

1. The property affected by the Comprehensive Land Use Plan change is adequate in size and shape to facilitate those uses normally allowed in conjunction with such uses.
