And the said seller, in case of such default, shall have the right immediately, or at any time thereafter, to enter upon the land aforesaid, without any process of law, and take immediate possession thereof, together with all the improvements and appurtenances thereon or thereto belonging.

The buyer further agrees that failure by the seller at any time to require performance by the buyer of any provision hereof shall in no way affect his right hereunder to enforce the same, nor shall any waiver by said seller of any breach of any provision hereof be held to be a waiver of any succeeding breach of any such provision, or as a waiver of the provision itself.

The true and actual consideration paid for this transfer, stated in terms of dollars, is \$12,000.00. However, the actual consideration consists of or includes other property or value given or promised which is part of the consideration (indicate which).

In construing this contract, it is understood that the seller or the buyer may be more than one person; that if the context so requires, the singular pronoun shall be taken to mean and include the plural, the masculine, the feminine and the neuter, and that generally all grammatical changes shall be made, assumed and implied to make the provisions hereof apply equally to corporations and to individuals.

IN WITNESS WHEREOF, said parties have executed this instrument in duplicate; if either of the undersigned is a corporation, it has caused its corporate name to be signed and its corporate seal affixed hereto by its officers duly authorized thereunto by order of its board of directors.
