This trust deed shall further secure the payment of such additional money,
if any, as may be loaned hereafter by the beneficiary to the grantor or others
having an interest in the above described property, as may be evidenced by a
note or notes. If the indebtedness secured by this trust deed is evidenced by
more than one note, the beneficiary may credit payments received by it upon
any of said notes or part of any payment on one note and part on another,
as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary
herein that the said premises and property conveyed by this trust deed are
free and clear of all encumbrances and that the grantor will and his heirs,
executors and administrators shall warrant and defend his said title thereto
against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms
thereof and, when due, all taxes, assessments and other charges levied against
said property; to keep said property free from all encumbrances having pre-
cedence over this trust deed; to complete all buildings in course of construction
or hereafter constructed on said premises within six months from the date
hereof or the date construction is hereafter commenced; to repair and restore
promptly and in good workmanlike manner any building or improvement on
said property which may be damaged or destroyed and pay, when due, all
costs incurred therefor; to allow beneficiary to inspect said property at all
times during construction; to replace any work or materials unsatisfactory to
beneficiary within fifteen days after written notice from beneficiary of such
fact; not to remove or destroy any building or improvements now or hereafter
constructed on said premises; to keep all buildings and improvements now or
hereafter erected upon said premises in good repair and to commit or suffer
no waste of said premises; to keep all buildings, property and improvements
now or hereafter erected on said premises continuously insured against loss
by fire or such other hazards as the beneficiary may from time to time require,
in a sum not less than the original principal sum of the note or obligation
secured by this trust deed, in a company or companies acceptable to the ben-
eficiary, and to deliver the original policy of insurance in correct form and with
approved loss payable clause in favor of the beneficiary attached and with
premium paid, to the principal place of business of the beneficiary at least
fifteen days prior to the effective date of any such policy of insurance. If
said policy of insurance is not so tendered, the beneficiary may in its own
discretion obtain insurance for the benefit of the beneficiary, which insurance
shall be non-cancelable by the grantor during the full term of the policy thus
obtained.

That for the purpose of providing regularly for the prompt payment of all taxes,
assessments, and governmental charges levied or assessed against the above described prop-
erty and insurance premium while the indebtedness secured hereby is in excess of 80%
of the lesser of the original purchase price paid by the grantor at the time the loan was
made or the beneficiary's original appraisal value of the property at the time the loan
was made, grantor will pay to the beneficiary in addition to the monthly payments of
principal and interest payable under the terms of the note or obligation secured hereby
on the date installments on principal and interest are payable an amount equal to 1/12
of the taxes, assessments, and other charges due and payable with respect to said property
within each succeeding 12 months and also 1/36 of the insurance premium payable with
respect to said property within each succeeding three years while this Trust Deed is in
effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor
interest on said amounts at a rate not less than the highest rate authorized to be paid
by banks on their open passbook accounts minus 3/4 of 1%. If such rate is less than
4%, the rate of interest paid shall be 4%. Interest shall be computed on the average
monthly balance in the account and shall be paid quarterly to the grantor by crediting
to the escrow account the amount of the interest due.

While the grantor is to pay any and all taxes, assessments and other charges levied
or assessed against said property, or any part thereof, before the same begin to bear
interest and also to pay premiums on all insurance policies upon said property, such pay-
ments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes
the beneficiary to pay any and all taxes, assessments and other charges levied or imposed
against said property in the amounts shown by the statements thereof furnished by the
collector of such taxes, assessments or other charges, and to pay the insurance premiums
in the amounts shown on the statements submitted by the insurance carriers or their rep-
resentatives and to withdraw the sums which may be required from the reserve account.
If any, established for that purpose. The grantor agrees in no event to hold the beneficiary
responsible for failure to have any insurance written or for any loss or damage growing
out of a defect in any insurance policy, and the beneficiary hereby is authorized, in the
event of any loss, to compromise and settle with any insurance company and to apply any
such insurance proceeds upon the obligations secured by this trust deed. In computing the
amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the
reserve account shall be credited to the indebtedness. If any authorized reserve account
for taxes, assessments, insurance premiums, and other charges is not sufficient at the
time for the payment of such charges as they become due, the grantor shall pay the
deficit to the beneficiary upon demand, and if not paid within ten days after such demand,
the beneficiary may at its option add the amount of such deficit to the principal of the
obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the
beneficiary may at its option carry out the same, and all its expenditures there-
for shall draw interest at the rate specified in the note, shall be repayable by
the grantor on demand and shall be secured by the lien of this trust deed. In
this connection, the beneficiary shall have the right in its discretion to complete
any improvements made on said premises and also to make such repairs to said
property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,
covenants, conditions and restrictions affecting said property; to pay all costs,
fees and expenses of this trust, including the cost of title search, as well as
the other costs and expenses of the trustee incurred in connection with or
for the enforcement of this obligation, and trustee's and attorney's fees actually incurred;
to appear in and defend any action or proceeding purporting to affect the secur-
ity hereof or the rights or powers of the beneficiary or trustee; and to pay all
costs and expenses, including cost of evidence of title and attorney's fees in a
reasonable sum to be fixed by the court, in any such action or proceeding in
which the beneficiary or trustee may appear and in any suit brought by ben-
eficiary to foreclose this deed, and all said sums shall be secured by this trust
deed.

The beneficiary will furnish to the grantor on written request therefor an
annual statement of account but shall not be obligated or required to furnish
any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
under the right of eminent domain or condemnation, the beneficiary shall have
the right to commence, prosecute in its own name, appear in or defend any ac-
tion or proceedings, or to make any compromise or settlement in connection with
such taking and, if it so elects, to require that all or any portion of the money's
payable as compensation for such taking, which are in excess of the amount re-
quired to pay all reasonable costs, expenses and attorney's fees necessarily paid
or incurred by the grantor in such proceedings, shall be paid to the beneficiary
and applied by it first upon any reasonable costs and expenses and attorney's
fees necessarily paid or incurred by the beneficiary in such proceedings, and the
balance applied upon the indebtedness secured hereby; and the grantor agrees,
at its own expense, to take such actions and execute such instruments as shall
be necessary in obtaining such compensation, promptly upon the beneficiary's
request.

2. At any time and from time to time upon written request of the ben-
eficiary, payment of its fees and presentation of this deed and the note for en-
dorsement (in case of full reconveyance, for cancellation), without affecting the
liability of any person for the payment of the indebtedness, the trustee may (a)
consent to the making of any map or plat of said property; (b) join in granting
any easement or creating or restriction thereon; (c) join in any subordination
or other agreement affecting this deed or the lien or charge hereof; (d) reconvey,
without warranty, all or any part of the property. The grantee in any reconvey-
ance may be described as the "person or persons legally entitled thereto" and
the recitals therein of any matters or facts shall be conclusive proof of the
truthfulness thereof. Trustee's fees for any of the services in this paragraph
shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the
continuance of these trusts all rents, issues, royalties and profits of the prop-
erty affected by this deed and of any personal property located thereon. Until
grantor shall default in the payment of any indebtedness secured hereby or in
the performance of any agreement hereunder, grantor shall have the right to col-
lect all such rents, issues, royalties and profits earned prior to default as they
become due and payable. Upon any default by the grantor hereunder, the ben-
eficiary may at any time without notice, either in person, by agent or by a re-
ceiver to be appointed by a court, and without regard to the adequacy of any
security for the indebtedness hereby secured, enter upon and take possession of
said property, or any part thereof, in its own name sue for or otherwise collect
the rents, issues and profits, including those past due and unpaid, and apply
the same, less costs and expenses of operation and collection, including reason-
able attorney's fees, upon any indebtedness secured hereby, and in such order
as the beneficiary may determine.
