The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, or then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to alter or demolish any building or improvement thereon, not to cause or permit any waste of said property.

2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary becomes entitled to make any such payments, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing officer or searching agencies as may be deemed desirable by the beneficiary.

6. To pay all costs, fees and expenses of this trust including the cost of title search as well as the other costs and expenses of the trustee incurred in connection with or in enforcing the obligation and trustee's and attorney's fees actually incurred.

7. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee; and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's expenses in connection with the same, in all cases shall be fixed by the trial court and in the event of appeal from any judgment or decree of the trial court, grantor further agrees to pay such sum as the appellate court shall judge reasonable as the beneficiary's or trustee's attorney's fees on such appeal.

It is mutually agreed that:

8. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable to compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by grantor, in such proceedings, shall be paid to beneficiary, and applied by it first upon any reasonable costs and expenses and attorney's fees applied in such proceedings, and the balance applied upon the indebtedness held by beneficiary; and grantor agrees, at its own expense, to take such actions and execute such instruments as may be necessary in obtaining such compensation proportionate to beneficiary's request.
