 having an interest in the above described property, as may be demanded in a note or notes. If any indebtedness secured by this trust deed is evidenced by
 more than one note, the beneficiary may credit payments received by it upon
 any of said notes or part of any payment on one note and part on another,

 that the said premises and property conveyed by this trust deed are

 said property to keep and maintain the same free and clear of all encumbrances having pre-
 cedence over this trust deed; to complete all buildings in course of construction

 beneficiary, and to deliver the original policy in its original form and with
 approved loss payable clause in favor of the beneficiary, in full, in money or
 premium paid, to the principal place of business of the beneficiary, at least

 said policy of insurance is not so tendered, the beneficiary may in its own
 discretion obtain insurance for the benefit of the beneficiary, which insurance
 shall be non-cancellable by the grantor during the full term of the policy thus
 obtained.

 assessments, and governmental charges levied or assessed against the above described prop-
 erty and insurance premium while the indebtedness accrued hereby is in excess of 80%
 of the lesser of the original purchase price paid by the grantor at the time the loan was
 made or the beneficiary's original appraisal value of the property at the time the loan was
 made, grantor will pay to the beneficiary in addition to the monthly payments of
 principal and interest payable under the terms of the note or obligation accrued hereby
 the due installments on principal and interest payable in an amount equal to 1/12 of
 the taxes and assessments, other charges due and payable with respect to said property
 within each succeeding 12 month period after 1/12 of the insurance premium payable with
 respect to said property within each succeeding 12 month period while this trust deed is in
 effect as estimated and directed by the beneficiary. Beneficiary is entitled to the grantor
 interest on said amounts at a rate not less than the maximum rate allowed to be paid
 by banks on their open savings accounts minus 5 1/4 of 1%. If such rate is less than
 4%, the rate of interest paid shall be 4%. Interest shall be computed on the average
 monthly balance in the account and shall be paid quarterly to the grantor by crediting
 to the escrow account the amount of the interest due.

 name of the grantor, to endorse and settle with any insurance company and to apply any
 such insurance receipts upon the obligations secured by this trust deed. In computing the
 amount of the indebtedness for payment and satisfaction in full or upon sale of other

acquisition of the property by the beneficiary after default, any balance remaining in the
 reserve account shall be credited to the indebtedness. If any authorized reserve account
 fails to pay the payment of such charge as they become due, the grantor shall pay the
 deficit to the beneficiary upon demand and if not paid within ten days after such demand,
 the beneficiary may, at its option add the amount of such deficit to the principal of the
 obligation secured hereby.

 the grantor at demand and shall be secured by the lien of this trust deed. In
 this connection, the beneficiary shall have the right in its discretion to complete
 any improvements made on said premises and also to make such repairs to said
 property as in its sole discretion it may deem necessary or advisable.

 covenants, conditions and restrictions affecting said property; to pay all costs,
 fees and expenses of this trust, including the cost of title search, as well as
 enforcement costs, attorney and trustee's attorney fees actually incurred
 to appear in and defend any action or proceeding purporting to affect the secur-
 ity hereof or the rights or powers of the beneficiary or trustee; and to pay all
 costs and expenses, including cost of evidence of title, attorney fees found in a
 reasonable sum to be fixed by the court, in any such action or proceeding in
 which the beneficiary or trustee may appear and in any suit brought by bene-
 ficiary to foreclose this deed, and all said sums shall be secured by this trust
 deed.

The beneficiary will furnish to the grantor on written request therefor an
 annual statement of account but shall not be obligated or required to furnish
 any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
 under the right of eminent domain or condemnation, the beneficiary shall have
 the right to commence or prosecute in its own name and expense any action or proceeding
 to such taking and, if it so elects, to require that all or any portion of the
 amount payable as compensation for such taking, which are in excess of the amount re-
 quired to pay all reasonable costs, expenses and attorney's fees necessarily paid
 and incurred in such proceedings, shall be paid to the beneficiary
 and applied by it first towards reasonable costs and expenses and attorney's
 fees necessarily paid or incurred by the beneficiary in such proceedings, and the
 balance applied upon the indebtedness secured hereby, and the grantor agrees
 at its own expense, to take such actions and execute such documents as shall
 be necessary in obtaining such compensation, promptly upon the beneficiary's
 request.

 the receipt thereof of any natural person factually will be conclusive proof of the
 truthfulness thereof. Trustee's fees for any of the services in this paragraph
 shall be \$5.00.

 continuance of these obligations, tares, royalties and profits of the property
 affected by this deed and any other property located thereto. Until
 the performance of any agreement hereunder, grantor shall have the right to col-
 lect all such rents, tares, royalties and profits earned prior to the date of default
 becoming due and payable. Once any default by the grantor hereunder, the bene-
 ficiary may at any time without notice, either in person, by agent or by a re-
 ceiver to be appointed by a court and without regard to the adequacy of any
 remedy for the indebtedness hereby secured, enter upon and take possession of
 said property, or any part thereof, in its own name sue for or otherwise collect
 the rents, tares and profits earned prior to the date of default and unpaid, and apply
 the same, less costs and expenses of operation and collection, to the reasonable
 attorney's fees, upon any indebtedness secured hereby, and in such order
