which are paid in full, plus one and 1/8% of the insurance premium payable with
respect to said property within one year preceding three years while this Trust Deed is in
force, as calculated and directed by the beneficiary. Beneficiary shall pay to the grantor
interest on said amounts at a rate less than the highest rate authorized to be paid
by law on their open checking accounts minus 3/4 of 1%. If such rate is less than

amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the
reserve account shall be credited to the indebtedness. If any authorized reserve account
for taxes, assessments, insurance premiums and other charges is not sufficient at any
time for the payment of such charges as they become due, the grantor shall pay the
deficit to the beneficiary upon demand, and if not paid within ten days after such demand,
the beneficiary may at its option add the amount of such deficit to the principal of the
