The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees: (a) to protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of said property; (b) to complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor; (c) to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing offices or recording agencies as may be deemed desirable by the beneficiary; (d) to provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other hazards as the beneficiary may require, in an amount not less than the full insurable value of the buildings, in companies acceptable to the beneficiary, with loss payable to the latter; all insurance policies shall be delivered to the beneficiary as soon as issued; if the grantor shall fail for any reason to procure any such insurance and to deliver said policies to the beneficiary within fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. It is mutually agreed that: 8. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right to elect all to require that all of the amount payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees, be necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees, incurred in such proceedings, and the balance applied upon the indebtedness secured hereby; and beneficiary, in such proceedings, shall be entitled to take such actions and execute such instruments as shall be necessary in obtaining such compensation promptly upon beneficiary's request.
