OCTOBER 10, 1977.

This trust deed shall further secure the payment of such additional sum, if any, as may be loaned by the beneficiary or its assigns or other having and holding the above described property, as may be evidenced by one or more notes, if the indebtedness secured by this trust deed is evidenced by more than one note, the beneficiary may credit payments received by it upon any of said notes or part of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein, that the said premises and property conveyed by this trust deed are free and clear of all encumbrances, save that the same will remain subject to the claim of the grantor, all taxes, expenses, debts, and charges due him, and the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms thereof and when due, all taxes, assessments and other charges levied against said property; to keep said property free from all encumbrances having precedence over this trust deed; to complete all buildings in course of construction or hereafter constructed on said premises within six months from the date hereof of the date construction hereon is commenced; to repair any building or improvement on said property which may be damaged or destroyed and pay, when due, all costs incurred therefor; to allow beneficiary to inspect said property at all times during construction; to replace any work or materials unsatisfactory to beneficiary within fifteen days after written notice from beneficiary of such fact; not to remove or destroy any building or improvements now or hereafter constructed on said premises; to keep all buildings and improvements now or hereafter erected upon said property in good repair and to commit or suffer no waste or fraud, privity or complicity in any manner, in any act or omission which may damage or injure any building or improvement on said property, as the beneficiary may from time to time require in a sum not less than the original principal sum of the note or obligation secured by this trust deed, in a company or companies acceptable to the beneficiary, and to deliver the original policy of insurance in correct form and with approved loss payable clause in favor of the beneficiary attached and with premium paid, the principal place of business of the beneficiary at least fifteen days prior to the effective date of any such policy of insurance. If a new policy of insurance is not delivered within fifteen days, the beneficiary may obtain certain insurance on the behalf of the beneficiary, which insurance shall be noncancelable by the grantor during the full term of the policy thus obtained.

That for the purpose of providing regularly for the prompt payment of all taxes, assessments, and governmental charges levied or assessed against the above described property and insurance premiums while the indebtedness secured hereby is in excess of 80% of the lesser of the original purchase price paid by the grantor at the time the loan was made or the beneficiary's original appraisal value of the property at the time the loan was made, grantor will pay to the beneficiary in addition to the monthly principal and interest payable under the terms of the note or obligation secured hereby, a sum equal to 1/12 of the taxes, assessments, and other charges due and payable with respect to said property within eight months and also 1/36 of the insurance premium payable with respect to said property within each successive three years while this Trust Deed is in effect, as authorized and directed by the beneficiary. Beneficiary shall pay to the grantor interest on said amounts at a rate not less than the highest rate authorized to be paid by banks on their open passbook accounts minus 3 1/4% of 1%. If such rate is less than 4%, the rate of interest paid shall be 4%. Interest shall be computed on the average monthly balance in the account and shall be paid quarterly to the grantor by crediting to the reserve account the amount of the interest due.

While the note is in force, and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same begin to bear, and also to pay premiums on all insurance policies upon said property, such payments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges listed on the statement of premiums and insurance premiums, and to pay the insurance premiums in the amounts shown on the statements submitted by the insurance carriers or their representatives and to withdraw the sums which may be required from the reserve account, if any, established for that purpose. The grantor agrees in no event to hold the beneficiary responsible for failure to have any insurance written or for any loss or damage resulting out of a defect in any insurance policy, and the beneficiary hereby is authorized, in the event of any loss, to compromise and settle with any insurance company and to apply any such insurance receipts upon the obligations secured by this trust deed, in computing the amount of the indebtedness for payment and satisfaction in full or upon sale of other

acquisition of the property by the beneficiary after default, any balance remaining in the trust account to be applied to the indebtedness. If any authorized reserve account for taxes, assessments, insurance premiums and other charges is not sufficient at any time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at his option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at his option carry the same on all its expenditures therefor at the current interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In this connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said

property as may be necessary to protect the same from damage or destruction. The grantor further agrees to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; to pay all taxes, fees and expenses of title, including the cost of title search, as well as all expenses of the trustee incurred in connection with or in enforcing this obligation, and trustee's and attorney's fees actually incurred; to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the beneficiary or trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the court, in any such action or proceeding to which the beneficiary or trustee may appear, and in any suit brought by beneficiary to foreclose this deed, and all said sums shall be secured by this trust deed.

It is mutually agreed that:

1.
