THIS TRUST DEED, made this 7th day of September 1977, between Norman L. Rose and Martha J. Rose, as tenants by the entirety, as Grantor, Transamerica Title Insurance Company, as Trustee, and South Valley State Bank, as Beneficiary,

WITNESSETH:

Grantor irrevocably grants, bargains, sells and conveys to trustee in trust, with power of sale, the property in Klamath County, Oregon, described as:

Lots 17 and 22 in Block 38 of SIXTH ADDITION TO KLAMATH RIVER ACRES,
Klamath County, Oregon.

together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in anywise now or hereafter appertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection with said real estate.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of Fifty Thousand and no/100 Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor, the final payment of principal and interest hereof, if not sooner paid, to be due and payable 9-7-1978.

The date of maturity of the debt secured by this instrument is the date stated above, on which the final installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, or then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon;

2. To clean up or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therelore;

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requires, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require; and to pay all filing fees and taxes made by filing officers or searching agencies, or such other fees as may be deemed desirable by the beneficiary;

4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other perils as the beneficiary may from time to time require, in an amount not less than \$50,000.00;

5. To cause to be delivered to the beneficiary, with loss payable, to the latter, all policies of insurance shall be delivered to the beneficiary as soon as practicable after the grantor has received the same;

6. To keep and continuously maintain insurance on the buildings the beneficiary may procure the same at grantor's expense. The amount collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine; or, at option of beneficiary, the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any note not done pursuant to such notice;

7. To keep said premises free from construction lags and to pay all taxes, assessments and other charges that may be levied or assessed upon or against said property before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by prompt notice to beneficiary with funds with which to make such payment, beneficiary may, at his option, make payment thereof, and the amount so paid, with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach or any of the covenants herein and for such payments with interest as above provided, the grantor shall be bound for the payment of the obligation herein described, as well as the grantor's attorney's fees and costs, to the same extent that they are bound for the payment of the obligation herein described; and all such payments shall be immediately due and payable without notice and the nonpayment thereof shall be the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed;

8. To pay all costs and expenses of this trust including the cost of title search, well as the other costs and expenses of trustees incurred in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred;

9. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee, including any suit for the foreclosure of this trust, to pay all costs and expenses, including evidence of title and the benefit of attorney's fees; the amount of attorney's fees mentioned in this paragraph 9 in all cases shall be fixed by the trial court and in the event of an appeal from any judgment or decree of the trial court, grantor further agrees to pay such amounts as the appellate court shall decide reasonable as the beneficiary's or trustee's attorney's fees on such appeal;

It is mutually agreed that:

8. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if he elects, to require that all or any portion of the monies payable to compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by him upon any reasonable costs and expenses and attorney's fees, both in the trial and appellate courts, reasonably paid or incurred by beneficiary in such proceedings, after he has made application upon the indebtedness secured hereby, and grantor agrees at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary's request;

9. At any time and from time to time upon written request of beneficiary, payment of its fees and presentation of this deed and the note for adjustment (in case of full reconveyance, for cancellation) without affecting the liability of any person for the payment of the indebtedness, trustee may

(a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subdivision or other agreement affecting this deed or the lien or charge created; (d) record, without warranty, all or any part of the property. The grantee in any reconveyance may be described as the "person or persons legally entitled thereto"; and the recitals thereof of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by grantor hereunder, beneficiary may, at any time without notice, either in person, by agent or by attorney, to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as beneficiary may determine;

11. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not constitute any default or notice of default hereunder or invalidate any act done pursuant to such notice;

12. Upon default by grantor in payment of any indebtedness secured hereby or in his performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable. In such an event and if the above described real property is currently used for agricultural, timber or grazing purposes, the beneficiary may proceed to foreclose this trust deed in equity, and if said real property is not so currently used, the beneficiary may proceed to foreclose this trust deed in equity or by advertisement and sale. In the latter event the beneficiary or the trustee shall execute and cause to be recorded his written notice of default and his election to sell the said described real property to satisfy the obligations secured hereby, whereupon the trustee shall fix the time and place of sale, give notice thereof as then required by law and proceed to foreclose this trust deed in the manner provided in ORS 86.740 to 86.795;

13. Should the beneficiary elect to foreclose by advertisement and sale, then after default at the time prior to five days before the date set by the trustee for the trustee's sale, the grantor or other person so privileged by ORS 86.760 may pay to the beneficiary or his successors in interest, respectively, the entire amount then due under the terms of the trust deed and the obligation secured thereby (including costs and expenses actually incurred), and the trustee shall then proceed to foreclose this trust deed in accordance with the terms of the obligation and trustee's and attorney's fees not exceeding \$50 each, other than such portion of the principal as would not then be due had no default occurred, and thereby cure the default, in which event all foreclosure proceeding shall be dismissed by the trustee;

14. Otherwise, the sale shall be held at the date and at the time and place designated in the notice of sale. The trustee may sell said property either in one parcel or in several parcels and shall sell the parcel or parcels at auction to the highest bidder for cash, payable at the time of sale. Trustees shall deliver to the purchaser its deed in form as required by law conveying the property, and in the deed of any matter of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale;

15. When trustee sells pursuant to the power provided herein, trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including the compensation of the trustee and reasonable charge by trustee's attorney; (2) to the obligation secured by this trust deed; (3) to all persons having recorded liens subservient to the interest of the trustee in the trust deed as their interest appears in the order of their priority; and (4) the surplus, if any, to the grantor or to his successor in interest entitled to such surplus;

16. For any reason permitted by law, beneficiary may from time to time appoint a successor or successors to any trustee named herein or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be held with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument by beneficiary, containing reference to this trust deed and its place of record, which shall be recorded in the office of the Clerk or Recorder of the county or counties in which the property is situated, shall be conclusive and bind all prior appointment of the successor trustee;

17. Trustee accepts this trust, which this deed does not contain and obligates to notify any party hereto of pending sale under any other note or of any action or proceeding in which grantor, beneficiary or trustee shall be a party, unless such action or proceeding is brought by trustee;

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney, who is an active member of the Oregon State Bar, a bank, trust company or savings and loan association authorized to do business under the laws of Oregon or the United States, a title insurance company authorized to insure title to real property of this state, its subsidiaries, affiliates, agents or branches, or the United States or any agency thereof.
