beneficiary, and to deliver the original policy or policies so obtained and with  
approved loss payable clause in favor of the beneficiary attached and with  
at least fifteen days prior to the effective date of any such policy of insurance.  
If the beneficiary does not so tender the beneficiary may in its own  
discretion obtain insurance for the benefit of the beneficiary, which insurance  
shall be non-cancellable by the grantor during the full term of the policy thus  
obtained.

That for the purpose of providing regularly for the prompt payment of all tax  
assessments, and other charges levied or assessed against the above described property,  
and insurance premium while the indebtedness secured hereby is in excess of 80%  
of the lesser of the original purchase price paid by the grantor at the time the loan  
was made or the beneficiary's original appraisal value of the property at the time the loan  
was made, grantor will pay to the beneficiary in addition to the monthly payments of  
principal and interest payable under the terms of the note or obligation secured hereby  
on the date installments of principal and interest are payable an amount of 16 2/3% of  
the taxes, assessments, and other charges due and payable on said property  
within each succeeding 12 month period after the date of this insurance premium payable with  
respect to said property without any cancellation three years while this Trust Deed is in  
effect as estimated and calculated by the beneficiary. Beneficiary shall pay to the grantor  
interest on said amounts at a rate not less than the highest rate authorized to be paid  
by their own institution accounts minus 3 1/4 of 1 1/2%. If such rate is less than  
1 1/2%, the rate of interest paid shall be 1 1/2%. Interest shall be computed on the average  
monthly balance in the account and shall be paid quarterly to the grantor by crediting  
to the escrow account the amount of the interest due.

While the grantor is to pay any and all taxes, assessments and other charges levied  
or assessed against said property or any part thereof before the same begin to bear

responsible for failure to have any insurance coverage for any loss or damage growing  
out of a defect in any insurance policy and the beneficiary hereby is authorized, in the  
event of any loss, to compromise and settle with any insurance company and to apply any  
such insurance receipts upon the obligations secured by this trust deed. In computing the  
amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the  
account shall be credited to the indebtedness. If any authorized reserve account  
for taxes, assessments, insurance premiums and other charges is not sufficient at any  
time for the payment of such charges as they become due, the grantor shall pay the  
deficit to the beneficiary upon demand, and if not paid within ten days after such  
demand, the beneficiary may at its option add the amount of such deficit to the principal of the  
obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the  
beneficiary may at its option carry out the same, and all its expenditures there  
for shall draw interest at the rate specified in the note, shall be repayable  
by the grantor on demand and shall be accrued by the grantor on the same. In  
this connection, the beneficiary shall have the right in its discretion to complete to  
make such repairs as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,  
covenants, conditions and restrictions affecting said property; to pay all costs,  
fees and expenses of this trust, including the costs of title search as well as  
the other costs and expenses of the trustee incurred in connection with  
enforcing this obligation and trustee's attorney's fees actually incurred  
to appear in and defend any action or proceeding purporting to affect the security  
hereof, the rights or powers of the beneficiary or trustee; and to pay all  
attorney's fees, including cost of evidence of title and attorney's fees in a  
reasonable sum to be fixed by the court, in any such action or proceeding in  
which the beneficiary or trustee may appear, and in any suit brought by the  
beneficiary to foreclose this deed, and all said sums shall be secured by this trust  
deed.

The beneficiary will furnish to the grantor on written request therefor an  
annual statement of account but shall not be obligated or required to furnish  
any further statements of account.

It is mutually agreed that:

1. That in case that any portion or all of said property shall be taken  
under the right of eminent domain or condemnation, the beneficiary shall have  
the right to commence, prosecute in its own name, appear in or defend any action  
or proceeding, or to make any compromise or settlement in connection with  
such taking, and if it so elects, to require that all or any portion of the money  
so payable as compensation for such taking, which is in excess of the amount  
payable as compensation for such taking, which is in excess of the amount  
payable to the grantor, shall be paid to the grantor, and attorney's fees necessarily paid  
or incurred by the grantor in such proceeding, shall be paid to the beneficiary  
and attorney's fees paid or incurred by the beneficiary in such proceeding, and the grantor agrees,  
at its own expense, to take such actions and execute such instruments as shall  
be necessary in obtaining such compensation, promptly upon the beneficiary's  
request.

2. At any time and from time to time upon written request of the beneficiary  
payment of its fees and presentation of this deed and the note for endorsement  
(in case of full reconveyance for cancellation), without affecting the  
liability of any person for the payment of the indebtedness, the trustee may (a)

agreement or creating and recording them, (c) consent in any assignment  
or other agreement affecting the title or the lien or charge hereof; (d) reconvey

described as the "person or persons legally entitled thereto" and  
the records therein of any matters or facts shall be conclusive proof of  
the truthfulness thereof. Trustee's fees for any of the services in this paragraph  
shall be \$5.00.

3. An additional security grantor hereby assigns to beneficiary during the  
continuance of these trusts all rents, issues, royalties and profits of the prop  
erty affected by this deed and of any personal property located thereon. Until  
grantor shall default in the payment of any indebtedness secured hereby or in  
the performance of any agreement hereunder, grantor shall have the right to collect  
all such rents, issues, royalties and profits and prior to final collection the  
beneficiary may at any time withdraw either in person, by agent or by a re  
ceiver to be appointed by a court, and without regard to the adequacy of any  
security for the indebtedness hereby secured, enter upon and take possession of  
the property or any part thereof, in its own name and for or otherwise collect  
the rents, issues and profits, including those past due and unpaid, and apply

attorney's fees, upon any indebtedness secured hereby, and to such order  
as the beneficiary may determine.
