together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in anywise now or hereafter appertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection with said real estate.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of SIX THOUSAND NINE HUNDRED and No/100 ———— \$6,900.00 ———— Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor, the

linal payment of principal and interest hereof, if not sooner paid, to be due and payable November 1, 1987. The date of maturity of the debt secured by this instrument is the date, stated above, on which the linal installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any building or improvement thereon to become dilapidated or to be in any way damaged, damaged or destroyed thereon, and pay when due all costs incurred therefor.

2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing and same in the proper public office or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.

4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other hazards as the beneficiary may require, in an amount not less than the insurable value written in the policies of insurance to be delivered to the beneficiary, as soon as insured; if the grantor shall fail for any reason to procure such insurance and to deliver said policies to the beneficiary now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense.

5. To keep said premises free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against said property before any part of such taxes, assessments and other charges become due or delinquent and promptly deliver receipts therefor to the beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either directly or by providing beneficiary with funds with which to pay such payment, the beneficiary may, at its option, make payment thereof and the amount so paid, with interest at the rate set forth in paragraphs 6 and 7 of this trust deed, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereinbefore described, as well as the grantor, shall be bound to the extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.

6. To pay all costs, fees and expenses of this trust including the cost of title search as well as the other costs and expenses of the trustee and attorney in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred.

7. To appear in and defend any action or proceeding purporting to affect the security, rights or powers of beneficiary or trustee; and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including attorney's fees mentioned in this paragraph 7, in all cases shall be the amount of attorney's fees mentioned in this paragraph 7, in all cases shall be fixed by the trial court and in the event of an appeal from any judgment or decree of the trial court, grantor further agrees to pay such sum as the appellate court shall adjudge reasonable as the beneficiary's or trustee's attorney's fees on such appeal.

8. It is mutually agreed that in the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable as compensation for such taking, which are in excess of the amount actually paid or accrued by grantor in such proceedings, and expenses and attorney's fees, incurred by it first upon any reasonable costs and expenses and attorney's fees, both in the trial and appellate courts, necessarily paid or incurred by beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby; and grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary's request.

9. At any time and from time to time upon written request of beneficiary, payment of its fees and presentation of this deed and the note for which it is secured hereby, and grantor agrees, for cancellation, without affecting the liability of any person for the payment of the indebtedness, trustee may

(a) consent to the making of any map or plat of said property; (b) join in granting any restriction affecting this deed or the lien or charge thereon; (c) join in any subdivision or other agreement affecting this deed or the lien or charge thereon; (d) reconvey, without warranty, all or any part of the property. The grantee in any reconveyance may be described as the person or persons legally entitled thereto, and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon default by grantor hereunder, beneficiary may at any time without notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name sue or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees upon any indebtedness secured hereby, and in such order as beneficiary may determine.

11. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured hereby or in his performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable. In such an event and if the above described real property is currently used for agricultural, timber or grazing purposes, the beneficiary may proceed to foreclose the debt in equity, as a mortgage in the manner provided by law for mortgage foreclosures. However if said real property is not so currently used, the beneficiary at his election may proceed to foreclose this trust deed in equity as a mortgage or direct the trustee or the trustee shall execute and sell and the trustee shall record his election to sell the said described real property to satisfy the obligation secured hereby, whereupon the trustee shall fix the time and place of sale, give notice thereof as then required by law and proceed to foreclose this trust deed in the manner provided in ORS 86.740 to 86.795.

13. Should the beneficiary elect to foreclose by advertisement and sale then after default at any time prior to five days before the date set by the trustee for the trustee's sale, the grantor or other person so privileged by ORS 86.760, may pay to the beneficiary or his successors in interest, respectively, the entire amount then due under the terms of the trust deed and the obligation secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50 each) and thereby cure the default, in which event all foreclosure proceedings shall be dismissed by the trustee, and at the time and place of sale, the trustee may sell, said property either in one parcel or in separate parcels at the time of sale, by public auction to the highest bidder for cash, payable at the time of sale, conveying to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

14. Otherwise, the sale shall be held on the date and at the time and place designated in the notice of sale. The trustee may sell, said property either in one parcel or in separate parcels at the time of sale, by public auction to the highest bidder for cash, payable at the time of sale, conveying to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the power provided herein, trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including the compensation of the trustee and a reasonable charge by trustee's attorney, (2) to the obligation secured by the trust deed, (3) to all persons having recorded liens subsequent to the interest of the trustee in the trust deed as their interests may appear in the order of their priority and (4) the surplus, if any, to the grantor or to his successor in interest entitled to such surplus.

16. For any reason permitted by law beneficiary may from time to time appoint a successor or successors to any trustee named herein or to any successor trustee appointed hereunder. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the County Clerk or Recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust when this deed, duly executed and acknowledged is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by trustee.

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney, who is an active member of the Oregon State Bar; a bank, trust company or savings and loan association authorized to do business under the laws of Oregon or the United States; a title insurance company authorized to insure title to real property of this state, its subsidiaries, affiliates, agents or branches, or the United States or any agency thereof.

The grantor covenants and agrees to and with the beneficiary and those claiming under him, that he is lawfully seized in fee simple of said described real property and has a valid, unencumbered title thereto

and that he will warrant and forever defend the same against all persons whomsoever.

The grantor warrants that the proceeds of the loan represented by the above described note and this trust deed are: (a) primarily for grantor's personal, family, household or agricultural purposes (see Important Notice below); (b) for an organization, or (even if grantor is a natural person) are for business or commercial purposes other than agricultural purposes.

This deed applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, personal representatives, successors and assigns. The term beneficiary shall mean the holder and owner, including pledgee, of the contract secured hereby, whether or not named as a beneficiary herein.
