THIS TRUST DEED, made this 11th day of August, 1977, between Dennis D. Lyttle, single man, as Grantor, Transamerica Title Insurance Co., as Trustee, and Wells Fargo Realty Services, Inc., a California Corporation, Trustee, as Beneficiary,

WITNESSETH:

Grantor irrevocably grants, bargains, sells and conveys to trustee in trust, with power of sale, the property in Klamath County, Oregon, described as:

Lot 2 in Block 4, Oregon Shores Subdivision Tract 1053, in the County of Klamath, State of Oregon, as shown on the Map filed on October 3, 1973 in Volume 20, pages 21 and 22 of Maps in the office of the county recorder of said county.

together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in anywise now or hereafter appertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection with said real estate.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of Four Thousand Seven Hundred One dollars and 29/100 Dollars, with interest thereon according to the terms of a promissory note of even date herewith payable to beneficiary or order and made by grantor, the final payment of principal and interest hereof, if not sooner paid, to be due and payable.

The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees: 1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon, nor to commit or permit any waste of said property.

2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to "pay for" filing same in the proper public offices or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.

4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other hazards as the beneficiary may from time to time require, in an amount not less than \$.....

5. To protect, preserve and maintain the property in good condition and repair; not to remove or demolish any building or improvement thereon, nor to commit or permit any waste of said property; to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to "pay for" filing same in the proper public offices or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary; to procure the same at grantor's expense. The amount collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. Upon default by grantor in payment of any indebtedness secured by this instrument, and notwithstanding any provision to the contrary contained in any indenture or note or other instrument, the beneficiary may declare all sums secured hereby immediately due and payable and sue therefor and if the above described real property is currently used for agricultural, timber or grazing purposes, the beneficiary may proceed to foreclose this trust deed in equity, as a mortgage in the manner provided by law for mortgage foreclosures. However, if said real property is not so currently used, the beneficiary, at his election, may proceed to foreclose this trust deed in equity as a mortgage or direct the trustee to foreclose this trust deed by advertisement and sale for enforcement of the beneficiary's rights. The trustee shall execute and cause to be recorded his written notice of default and demand for payment of said described real property to satisfy the obligations secured thereby, whereupon the trustee shall fix the time and place of sale, give notice thereof as then required by law and proceed to foreclose this trust deed in the manner provided in ORS 86.740 to 86.795.

7. Should the beneficiary elect to foreclose by advertisement and sale then after default at any time prior to five days before the date set by the trustee for the sale, the grantor or other person so privileged by ORS 86.760, may, pay to the beneficiary or his assignee, the amount of the obligation secured thereby, including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's attorney's fees not exceeding \$50 each, other than such portion of the principal as would not then be due had no default occurred, and thereby cure the default, in which event all foreclosure proceeding shall be dismissed by the trustee.

8. Upon default by grantor in payment of any taxes, assessments and other charges before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance, premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, together with interest thereon, set forth in the note secured hereby, together with the obligation as set forth in paragraph 4, and the amount so paid, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereof and for such payments, with interest as aforesaid, the property hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable without notice, and no payment received shall, at the option of the beneficiary, render all other amounts due under this trust deed immediately due and payable, constituting a breach of this trust deed.

9. To pay all costs, fees and expenses of this trust including the cost of title search, as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred.

10. To appear in and defend any action, or proceeding purporting to affect the security or interest of the beneficiary or trustee, or to bring any action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney's fees; the amount of attorney's fees mentioned in this paragraph 10, in all cases shall be fixed by the trial court and in the event of an appeal from any judgment or decree of the trial court, grantor further agrees to pay such sum as the appellate court shall adjudge reasonable as the beneficiary's or trustee's attorney's fees on such appeal.

11. It is mutually agreed that: If the defendant in any action or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if so elected, to require that all or any portion of the monies payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees, both in the trial and appellate courts, necessarily paid incurred by beneficiary, in such proceedings, and the balance applied upon the indebtedness and executed instruments, after deducting all its own expenses for such action, and execute such instruments, as shall be necessary in obtaining such compensation, promptly upon beneficiary's request.

12. At any time and from time to time upon written request of beneficiary, payment of its fees and presentation of this deed and the note, for endorsement (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, trustee may acknowledge it made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by trustee.

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney, who is an active member of the Oregon State Bar, a bank, trust company or savings and loan association authorized to do business under the laws of Oregon or the United States, a title insurance company authorized to insure title to real property of this state, its subsidiaries, affiliates, agents or branches, or the United States or any agency thereof.
