together with all and singular the appurtenances, tenements, hereditaments, rents, issues, profits, water rights, easements or privileges now or hereafter belonging to, derived from or in anywise appertaining to the above described premises, and all plumbing, lighting, heating, ventilating, air-conditioning, refrigerating, watering and irrigation apparatus, equipment and fixtures, together with all awnings, venetian blinds, floor covering in place such as wall-to-wall carpeting and linoleum, shades and built-in appliances now or hereafter installed in or used in connection with the above described premises, including all interest therein which the grantor has or may hereafter acquire for the purpose of securing performance of each agreement of the grantor herein contained and the payment of the sum of FOURTY EIGHT THOUSAND FIVE HUNDRED AND NO/100 (\$48,500.00) Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to the beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$ 391.40 commencing December 25th 19 77

This trust deed shall further secure the payment of such additional money, having an interest in the above described property, as may be evidenced by a note or notes. If the indebtedness secured by this trust deed is evidenced by any of said notes, the beneficiary may credit payments received by it upon any of the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary free and clear of all encumbrances and that the grantor will and his heirs, against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms thereof and, when due, all taxes, assessments and other charges levied against said property; to keep said property free from all encumbrances levied against the same over this trust deed; to complete all buildings in course of construction hereafter or the date construction on said premises commenced; to repair and restore promptly and in good workmanlike manner any building or improvement now or hereafter constructed on said premises; to replace any work or material unsatisfactory to the beneficiary within fifteen days after written notice from beneficiary of such defect; not to remove or destroy any building or improvements now or hereafter constructed on said premises; to keep all buildings, property and improvements in a sum not less than the original principal sum of the note or obligation secured by this trust deed, in a company or companies acceptable to the beneficiary, and to deliver the original policy of insurance in correct form and with approved loss payable clause in favor of the beneficiary attached and with fifteen days prior to the effective date of any such policy of insurance. If said policy of insurance is not so tendered, the beneficiary may in its own discretion obtain insurance for the benefit of the beneficiary, which insurance shall be non-cancelable by the grantor during the full term of the policy thus obtained.

That for the purpose of providing regularly for the prompt payment of all taxes, assessments, and governmental charges levied or assessed against the above described property and insurance premium while the indebtedness secured hereby is in excess of 80% of the lesser of the original purchase price paid by the grantor at the time the loan was made or the beneficiary's original appraisal value of the property at the time the loan was made, grantor will pay to the beneficiary in addition to the monthly payments of principal and interest payable under the terms of the note or obligation secured hereby the date installments on principal and interest are payable an amount equal to 1/12 of the taxes, assessments, and other charges due and payable with respect to said property within each succeeding 12 months and also 1/36 of the insurance premium payable with respect to said property within each succeeding three years while this trust deed is in effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor on said amounts at a rate not less than the highest rate authorized to be paid by banks on their open passbook accounts minus 3/4 of 1%. If such rate is less than 4%, the rate of interest paid shall be 4%. Interest shall be computed on the average monthly balance in the account and shall be paid quarterly to the grantor by crediting to the escrow account the amount of the interest due.

While the grantor is to pay any and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same begin to bear interest and also to pay premiums on all insurance policies upon said property, such payments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges levied or imposed against said property in the amounts as shown by the statements thereof furnished by the collector of such taxes, assessments or other charges, and to pay the insurance premiums in the amounts shown on the statements submitted by the insurance carriers or their representatives and to withdraw the same which may be required from the reserve account, if any, established for that purpose. The grantor agrees in no way to hold the beneficiary responsible for failure to have any insurance written or for any loss or damage growing out of any loss, to compromise and settle with any insurance company and to apply any such insurance receipts upon the obligations secured by this trust deed. In computing the amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the escrow account shall be credited to the indebtedness. If any authorized reserve account for taxes, assessments, insurance premiums and other charges is not sufficient at any time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at its option carry out the same, and all its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In this connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence, prosecute in its own name, appear in or defend any action or proceedings, or to make any compromise or settlement in connection with such taking and, if it so elects, to require that all or any portion of the money payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by the grantor in such proceedings, shall be paid to the beneficiary balance applied upon the indebtedness secured hereby; and the grantor agrees to be bound by the decision of the court in such proceedings, and the grantor agrees to be necessary in obtaining such compensation, promptly upon the beneficiary's request.
