 United States, as beneficiary;

## WITNESSETH:

 Klamath County, Oregon, described as:

 the official plat thereof on file in the office of the County  
 Clerk of Klamath County, Oregon.

 hereafter belonging to, derived from or in anywise appertaining to the above described premises, and all plumbing, lighting, heating, venti-  
 lating, air-conditioning, refrigerating, watering and irrigation apparatus, equipment and fixtures, together with all awnings, venetian blinds, floor  
 covering in place such as wall-to-wall carpeting and linoleum, shades and built-in appliances now or hereafter installed in or used in connection  
 with the above described premises, including all interest therein which the grantor has or may hereafter acquire, for the purpose of securing  
 performance of each agreement of the grantor herein contained and the payment of the sum of Twenty Eight Thousand and  
 (\$ 28,000.00) Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to the  
 beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$ 496.65 commencing  
 January 25, 1978.

This trust deed shall further secure the payment of such additional money,  
 if any, as may be loaned hereafter by the beneficiary to the grantor or others  
 having an interest in the above described property, as may be evidenced by a  
 note or notes. If the indebtedness secured by this trust deed is evidenced by  
 more than one note, the beneficiary may credit payments received by it upon  
 any of said notes or part of any payment on one note and part on another,  
 as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary  
 hereto that the said premises and property conveyed by this trust deed are  
 free and clear of all encumbrances and that the grantor will and his heirs,  
 executors and administrators shall warrant and defend his said title thereto  
 against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms  
 thereof and, when due, all taxes, assessments and other charges levied against  
 said property; to keep said property free from all encumbrances having pre-  
 cedence over this trust deed; to complete all buildings in course of construction  
 hereof or hereafter constructed on said premises within six months from the date  
 hereof or the date construction is hereafter commenced; to repair and restore  
 promptly and in good workmanlike manner any building or improvement on  
 said property which may be damaged or destroyed and, when due, all  
 costs incurred therefor; to allow beneficiary to inspect said property at all  
 times during construction; to replace any work or materials unsatisfactory to  
 beneficiary within fifteen days after written notice from beneficiary of such  
 fact; not to remove or destroy any building or improvements now or hereafter  
 constructed on said premises; to keep all buildings and improvements in good  
 repair and to commit or suffer now or hereafter erected on said property in good repair and to commit or suffer  
 no waste of said premises; to keep all buildings, property and improvements  
 by fire or such other hazards as the beneficiary continuously insured against loss  
 in a sum not less than the original principal sum of the note or obligation  
 secured by this trust deed, in a company or companies acceptable to the bene-  
 ficiary, and to deliver the original policy of insurance in correct form and with  
 premium paid, to the principal place of business of the beneficiary; If  
 said policy of insurance is not so tendered, the beneficiary may in its own  
 discretion obtain insurance for the benefit of the beneficiary, which insurance  
 shall be non-cancelable by the grantor during the full term of the policy thus  
 obtained.

In order to provide regularly for the prompt payment of said taxes, assess-  
 ments or other charges and insurance premiums, the grantor agrees to pay to  
 the beneficiary, together with, and in addition to the monthly payments of  
 principal and interest payable under the terms of the note or obligation secured  
 hereby, an amount equal to one-twelfth (1/12th) of the taxes, assessments and  
 other charges due and payable with respect to said property within each succeed-  
 ing twelve months, and also one-thirty-sixth (1/36th) of the insurance premiums  
 payable with respect to said property within each succeeding three years while  
 this trust deed remains in effect, as estimated and directed by the beneficiary,  
 several purposes thereof and shall thereupon be charged to the principal of the  
 loan; or, at the option of the beneficiary, the sums so paid shall be held by  
 the beneficiary in trust as a reserve account, without interest, to pay said  
 premiums, taxes, assessments or other charges when they shall become due  
 and payable.

While the grantor is to pay any and all taxes, assessments and other  
 charges levied or assessed against said property, or any part thereof, before  
 the same begin to bear interest and also to pay premiums on all insurance  
 policies upon said property, such payments are to be made through the bene-  
 ficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay  
 said property in the amounts and other charges levied or imposed against  
 the collector of such taxes, assessments or other charges, and to pay the  
 insurance premiums in the amounts shown on the statements submitted by  
 the insurance carriers or their representatives, and to charge said sums to the  
 principal of the loan or to withdraw the sums which may be required from  
 the reserve account, if any, established for that purpose. The grantor agrees  
 in no event to hold the beneficiary responsible for failure to have any insur-  
 ance written or for any loss or damage growing out of a defect in any insur-  
 ance policy, and the beneficiary hereby is authorized, in the event of any  
 loss, to compromise and settle with any insurance company and to apply any  
 such insurance receipts upon the obligations secured by this trust deed,  
 computing the amount of the indebtedness for payment and satisfaction in  
 full or upon sale or other acquisition of the property by the beneficiary after

default, any balance remaining in the reserve account shall be credited to the  
 indebtedness. If the reserve account for taxes, assessments, insurance premiums  
 and other charges is not sufficient at any time for the payment of such charges  
 as they become due, the grantor shall pay the deficit to the beneficiary upon  
 demand, and if not paid within ten days after such demand, the beneficiary  
 may at its option add the amount of such deficit to the principal of the  
 obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the  
 beneficiary may at its option carry out the same, and all its expenditures there-  
 for shall draw interest at the rate specified in the note, shall be repayable by  
 the grantor on demand and shall be secured by the lien of this trust deed. In  
 this connection, the beneficiary shall have the right in its discretion to complete  
 any improvements made on said premises and also to make such repairs to said  
 property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,  
 covenants, conditions and restrictions affecting said property; to pay all costs,  
 expenses of this trust, including the cost of title search, as well as  
 the other costs and expenses of the trustee and attorney's fees actually incurred;  
 to appear in and defend any action or proceeding purporting to affect the secur-  
 ity hereof or the rights or powers of the beneficiary or trustee; and to pay all  
 costs and expenses, including cost of evidence of title and attorney's fees in a  
 reasonable sum to be fixed by the court, in any such action or proceeding in  
 which the beneficiary or trustee may appear and in any suit brought by benefi-  
 ciary to foreclose this deed, and all said sums shall be secured by this trust  
 deed.

The beneficiary will furnish to the grantor on written request therefor an  
 annual statement of account but shall not be obligated or required to furnish  
 any further statements of account.

## It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken  
 under the right of eminent domain or condemnation, the beneficiary shall have  
 the right to commence, prosecute in its own name, appear in or defend any ac-  
 tion or proceedings, or to make any compromise or settlement in connection with  
 such taking and, if it so elects, to require that all or any portion of the money  
 payable as compensation for such taking, which is in excess of the amount re-  
 quired to pay all reasonable costs, expenses and attorney's fees necessarily paid  
 and incurred by the grantor in such proceedings, shall be paid to the benefi-  
 ciary and applied by it first upon any reasonable costs and expenses and attorney's  
 fees necessarily paid or incurred by the beneficiary in such proceedings, and the  
 balance applied upon the indebtedness secured hereby; and the grantor agrees,  
 at its own expense, to take such actions and execute such instruments as shall  
 be necessary in obtaining such compensation, promptly upon the beneficiary's  
 request.

2. At any time and from time to time upon written request of the bene-  
 ficiary, payment of its fees and presentation of this deed and the note for en-  
 dorsement (in case of full reconveyance, for cancellation), without affecting the  
 liability of any person for the payment of the indebtedness, the trustee may (a)  
 consent to the making of any map or plat of said property; (b) join in granting  
 any easement or creating and restriction thereon; (c) join in any subordination  
 or other agreement affecting the deed or the lien or charge hereof; (d) reconvey,  
 without warranty, all or any part of the property. The grantee in any reconvey-  
 ance may be described as the "person or persons legally entitled thereto" and  
 the recitals therein of any matters or facts shall be conclusive proof of the  
 truthfulness thereof. Trustee's fees for any of the services in this paragraph  
 shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the  
 continuance of these trusts all rents, issues, royalties and profits of the prop-  
 erty affected by this deed and of any personal property located thereon. Until  
 the performance of any agreement hereunder, grantor shall have the right to col-  
 lect all such rents, issues, royalties and profits earned prior to default as they  
 become due and payable. Upon any default by the grantor hereunder, the bene-  
 ficiary may at any time without notice, either in person or by agent or by a re-  
 ceiver to be appointed by a court, and without regard to the adequacy of any  
 security for the indebtedness hereby secured, enter upon and take possession of  
 said property, or any part thereof, in its own name sue for or otherwise collect  
 the same, less costs and expenses of operation and collection, and apply the same  
 to the payment of the indebtedness hereby secured, including attorney's fees, upon any  
 indebtedness secured hereby, and in such order  
 as the beneficiary may determine.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

5. Time is of the essence of this instrument and upon default by the grantor in the payment of any indebtedness secured hereby or in performance of the obligations herein contained, the trustee shall have the right to declare the agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice of trustee shall also contain a statement of the indebtedness secured hereby and the amount of sums due, to which the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the Trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50.00 each) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place as said time and from time to time thereafter may postpone the sale by public au-

nouncement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his deed in form as required by law, conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

9. When the Trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney; (2) To the obligations secured by the mortgage; (3) To all persons having recorded liens subsequent to the interests of the trustee in the trust deed as their interests appear in the order of their priority. (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon the trustee herein, and the appointment of the successor trustee and the substitution shall be made by written instrument executed by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county in which this trust deed is recorded, shall be conclusive proof of the proper appointment of the successor trustee.

11. Trustee accepts this trust when this deed, duly executed and acknowledged is made of public record, as provided by law. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which the grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by the trustee.

12. This deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees devisees, administrators, executors, successors and assigns.
