having an interest in the above described property, as may be evidenced by a
note or notes, and the indebtedness secured by this trust deed is evidenced by
more than one note, the beneficiary may credit payments received by it upon
any of said notes or part of any payment on one note and part on another,
as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary
herin, that the said premises and property conveyed by this trust deed are
free and clear of all encumbrances and that the grantor will and his heirs
executors and administrators shall warrant and defend his said title thereto
against the claim of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms
thereof and, when due, all taxes, assessments and other charges levied against
said property; to keep said property free from all encumbrances having pre-
cedence over this trust deed; to complete all buildings in course of construction
hereof or the date construction is hereafter commenced; to repair and restore
promptly and in good workmanlike manner any building or improvement on
said property which may be damaged or destroyed and pay, when due, all
costs incurred therefore to allow beneficiary to inspect said property at all
times during construction to replace any work or material unsatisfactory to
beneficiary within fifteen days after written notice from beneficiary of such
fact; not to remove or destroy any building or improvements now or hereafter
constructed on said premises; to keep all buildings and improvements now or
hereafter erected upon said property in good repair and to commit or suffer
no waste of said premises; to keep all buildings, property and improvements
now or hereafter erected on said premises continuously insured against loss

secured by this trust deed, in a company or companies acceptable to the
beneficiary, and to deliver the original policy of insurance in correct form and with
approved loss payable clause in favor of the beneficiary attached and with
premium paid to the principal place of business of the beneficiary at least
fifteen days prior to the effective date of any such policy insurance. If
said policy of insurance is not so tendered, the beneficiary may in its own
discretion obtain insurance for the benefit of the beneficiary, which insurance
shall be non-cancelable by the grantor during the full term of the policy thus
obtained.

In order to provide security for the prompt payment of said taxes, assess-
ments or other charges and amounts, the grantor agrees to pay to
the beneficiary, together with and in addition to the regular payments of
principal and interest payable under the terms of the note or obligation secured
hereby, an amount equal to one-twelfth (1/12th) of the taxes, assessments and
other charges due and payable with respect to said property within each successive
twelve months, and also one-thirtieth (1/30th) of the insurance premiums
payable with respect to said property each succeeding three years, while
this trust deed remains in effect, as an additional charge and directed by the beneficiary,
such sums to be applied to the principal of the loan until required for the
several purposes thereof and the principal so charged to the principal of the
loan or, at the option of the beneficiary, the sum so paid shall be held by
the beneficiary in trust as a reserve account, without interest, to pay said
premiums, taxes, assessments or other charges when they shall become due
and payable.

While the grantor is to pay any and all taxes, assessments and other
charges levied or assessed against said property, or any part thereof, before
the same begin to bear interest and also to pay premiums on all insurance
policies on said property, such payments are to be made through the bene-
ficiary, and after the grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges levied or imposed against
said property in the amounts as shown by the statements thereof furnished
by the collector of such taxes, assessments or other charges and to pay the
insurance premiums in the amounts shown on the statement submitted by
the insurance carriers or their representatives, and to charge said sums to the
principal of the loan or to withdraw the sums which may be required from
the reserve account, if any, established for that purpose. The grantor agrees
in no event to hold the beneficiary responsible for failure to have any insurance
policy and the beneficiary hereby is authorized, in the event of any loss, to compromise and settle with my insurance company and to apply any
such insurance receipts upon the obligations secured by this trust deed. In
computing the amount of the indebtedness for payment and satisfaction
in full or upon sale or other acquisition of the property by the beneficiary after

default, any balance remaining in the reserve account shall be credited to the
indebtedness. If the reserve account for taxes, assessments, insurance premiums
as they become due, the grantor shall pay the deficit to the beneficiary upon
demand, and if not paid within ten days after such demand, the beneficiary
may at its option add the amount of such deficit to the principal of the
obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the
beneficiary may at its option carry out the same, and all its expenditures there-
for shall draw interest at the rate specified in the note, shall be repayable by
the grantor on demand and be secured by the lien of this trust deed. In
this connection, the beneficiary shall have the right in its discretion to complete
any improvements made on said premises and also to make such repairs to said
property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,
covenants, conditions and restrictions affecting said property; to pay all costs,
expenses and expenses of the trustee incurred in connection with or
in enforcing this trust deed, and trustee's and attorney's fees actually incurred;
to appear in and defend any action or proceeding purporting to affect the securi-
ty hereof or the rights or powers of the beneficiary or trustee; and to pay all
costs and expenses, including cost of evidence of title and attorney's fees in a
reasonable sum to be fixed by the court. In any such action or proceeding in
which the beneficiary or trustee may appear and in any suit brought by the
beneficiary to foreclose this deed, and all said sums shall be secured by this trust
deed.

The beneficiary will furnish to the grantor on written request therefor an
annual statement of account but shall not be obligated or required to furnish
any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
under the right of eminent domain or condemnation, the beneficiary shall have
the right to commence, prosecute in its own name, appear in or defend any ac-
tion or proceeding or to make a compromise or settlement in connection with
such taking and, if it so elects, to receive all or any portion of the money's
payable as compensation for such taking, which are in excess of the amount re-
quired to pay all reasonable costs, expenses and attorney's fees necessarily paid
or incurred by the grantor in such proceedings, shall be paid to the beneficiary
and applied by it first upon any reasonable costs and expenses and attorney's
fees necessarily paid or incurred by the beneficiary in such proceedings, and the
balance applied upon the indebtedness secured hereby; and the grantor agrees
at its expense, to take such actions and execute such instruments as shall
be necessary in obtaining such compensation, promptly upon the beneficiary's
request.

2. At any time and from time to time upon written request of the
beneficiary, payment of its fees and presentation of this deed and the note for em-
inent domain (in case of full reconveyance, for cancellation), without affecting the
ability of the person for the payment of the indebtedness, the trustee may (a)
consent to the making and tap or plot of said property; (b) join in granting
any easement or creating and releasing thereon; (c) join in any subordination
or other agreement affecting this trust, the lien or charge hereof; (d) reconvey,
without warranty, all or any part of the property. The grantor in any reconvey-
ance may be described as the "person or persons last entitled thereto" and
the recitals therein of any matters or facts shall be conclusive proof of the
truthfulness thereof. Trustee's fees for any of the services in this paragraph
shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the
continuance of these trusts all rents, issues, royalties and profits of the
property affected by this deed and of any personal property located thereon. Until
the performance of any agreement hereunder, grantor shall have the right to collect
all such rents, issues, royalties and profits earned prior to default as they
become due and payable. Upon any default by the grantor hereunder, the bene-
ficiary may at any time without notice, either in person, by agent or by a re-
corder to be appointed by a court, and without regard to the adequacy or any
security for the indebtedness hereby secured, enter upon and take possession of
the rents, issues and profits of the property, those past due and unpaid, and apply
the same, less costs and expenses of operation and collection, including reason-
able attorney's fees, upon any indebtedness secured hereby, and in such order
as the beneficiary may determine.

5. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. The grantor shall name a beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied, with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

7. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee the trust deed and all promissory notes and instruments evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

8. After default and any time prior to five days before the date set by the Trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby, including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50.00 each; other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

9. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public an-

nouncement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his deed in form as required by law, conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

10. When the Trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of sale, including the compensation of the trustee, and reasonable charge by the attorney; (2) To the obligation secured by the trust deed; (3) To all persons having recorded liens subsequent to the interests of the trustee in the trust deed as their interests appear in the order of their priority; (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

11. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the same shall be made with all title, power and authority of and in and to the hereinabove mentioned appointed trustee. Each such appointment and substitution shall be made by written instrument executed by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

12. This deed applies to, binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "beneficiary" shall mean the holder and owner, including pledgee, of the note secured hereby, whether or not named as a beneficiary herein. In construing this deed and whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.
