The within grant shall include: the right to install and maintain guys and anchors outside said right-of-way; the right to clear said right-of-way and keep the same clear of brush, trees, timber and structures; the present and future right to clear and cut away all trees outside of said right-of-way which might endanger said transmission line; the right to construct, reconstruct, operate, maintain, replace, enlarge, repair and remove any of said facilities, and the right of ingress and egress over adjacent lands of Grantor for all said purposes.
