covering in place such as wall-to-wall carpeting and linoleum, shades and built-in appliances now or hereafter installed in or used in connection
with the above described premises, including all interest therein which the grantor has or may hereafter acquire, for the purpose of securing
performance of each agreement of the grantor herein contained and the payment of the sum of **EIGHTEEN THOUSAND EIGHT HUNDRED AND NO/100**
(\$ 18,800.00) Dollars, with interest thereon according to the terms of a promissory note of their date hereon, payable to the
beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$ 160.93 commencing
June 25th 1978

This trust deed shall further secure the payment of such additional money,
if any, as may be loaned hereafter by the beneficiary to the grantor or others
having an interest in the above described property, as may be evidenced by
note or notes. If the indebtedness secured by this trust deed is evidenced by
more than one note, the beneficiary may credit payments received by it upon
any of said notes or part of any payment on one note and part or another,
as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary
herein that the said premises and property conveyed by this trust deed are
free and clear of all encumbrances and that the grantor will and his heirs,
executors and administrators shall warrant and defend his said title thereto
against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms
thereof and, when due, all taxes, assessments and other charges levied against
said property; to keep said property free from all encumbrances having pre-
cedence over this trust deed; to complete all buildings in course of construction
or hereafter constructed on said premises within six months from the date
hereof or the date construction is hereafter commenced; to repair and restore
hereof or the said construction in hereafter commenced; to repair and restore
promptly and in good workmanlike manner any building or improvement on or
said property which may be damaged or destroyed and pay, when due, all
costs incurred therefor; to allow the beneficiary to inspect said property at all
times during construction; to replace any work or materials unsatisfactory to
beneficiary within fifteen days after written notice from beneficiary of such
fact; not to remove or destroy any building or improvements now or hereafter
constructed on said premises; to keep all buildings, property and improvements
hereafter erected upon said property in good repair and to commit or suffer
now or hereafter erected on said premises continuously insured against loss
by fire or such other hazards as the beneficiary may from time to time require,
in a sum not less than the original principal sum of the note or obligation
secured by this trust deed, in a company or companies acceptable to the bene-
ficiary, and to deliver the original policy of insurance in correct form and with
approved loss payable to the principal place of business of the beneficiary. If
premium paid prior to the effective date of any such policy of insurance, if
said policy of insurance is not so tendered, the beneficiary may in its own
discretion obtain insurance for the benefit of the beneficiary, which insurance
shall be non-cancelable by the grantor during the full term of the policy thus
obtained.

That for the purpose of providing regularly for the prompt payment of all taxes,
assessments, and governmental charges levied or assessed against the above described prop-
erty and insurance premium while the indebtedness secured hereby is in excess of 80%
of the lesser of the original purchase price paid by the grantor at the time the loan was
made or the beneficiary's original appraisal value of the property at the time the loan
was made, grantor will pay to the beneficiary in addition to the monthly payments of
principal and interest payable under the terms of the note or obligation secured hereby
on the date that amounts on principal and interest are payable with respect to said property
of the taxes, assessments, and other charges due and payable with respect to said property
within each succeeding 12 months and also 1/12 of the insurance premium payable with
respect to said property within each succeeding three years while this Trust Deed is in
effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor
interest on said amounts at a rate not less than the highest rate authorized to be paid
by banks on their open passbook accounts minus 3/4 of 1%. If such rate is less than
4%, the rate of interest paid shall be 4%. Interest shall be computed on the arrearage
monthly balance in the account and shall be paid quarterly to the grantor by crediting
to the escrow account the amount of the interest due.

While the grantor is to pay any and all taxes, assessments and other charges levied
or assessed against said property, or any part thereof, before the same begin to bear
interest and also to pay premiums on all insurance policies upon said property, such pay-
ments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes
the beneficiary to pay any and all taxes, assessments and other charges levied or imposed
against said property in the amounts as shown by the statements thereof furnished by the
collector of such taxes, assessments and other charges, and to pay the insurance premiums
in the amounts shown on the statements submitted by the insurance carriers or their rep-
resentatives and for that purpose. The grantor agrees in no event to hold the beneficiary
responsible for failure to have any insurance written or for any loss or damage growing
out of a defect in any insurance policy, and the beneficiary hereby is authorized, in the
event of any loss, to compromise and settle with any insurance company and to apply the
amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the
reserve account shall be credited to the indebtedness. If any authorized reserve account
for taxes, assessments, insurance premiums and other charges is not sufficient at any
time for the payment of such charges as they become due, the grantor shall pay the
deficit to the beneficiary upon demand, and if not paid within ten days after such demand,
the beneficiary may at its option add the amount of such deficit to the principal of the
obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the
beneficiary may at its option carry out the same, and all its expenditures there-
for shall draw interest at the rate specified in the note, shall be repayable by
the grantor on demand and shall be secured by the lien of this trust deed. In
this connection, the beneficiary shall have the right in its discretion to complete
any improvements made on said premises and also to make such repairs to said
property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,
covenants, conditions and restrictions affecting said property; to pay all costs,
fees and expenses of this trust, including the cost of title search, as well as
the other costs and expenses of the trustee incurred in connection with or
in enforcing this obligation, and trustee's and attorney's fees actually incurred;
and to defend any action or proceeding purporting to affect the secur-
ity hereof or the rights or powers of evidence of title and attorney's fees in a
costs and expenses, including cost of the court, in any such action or proceeding in
reasonable sum to be fixed by the court, in any suit brought by bene-
ficiary to foreclose this deed, and all said sums shall be secured by this trust
deed.

The beneficiary will furnish to the grantor on written request therefor an
annual statement of account but shall not be obligated or required to furnish
any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
under the right of eminent domain or condemnation, the beneficiary shall have
the right to commence, prosecute in its own name, appear in or defend any ac-
tion or proceedings, or to make any compromise or settlement in connection with
such taking and, if it so elects, to require that all or any portion of the money's
such taking and, if it so elects, to require that all or any portion of the money's
payable as compensation for such taking, which are in excess of the amount re-
quired to pay all reasonable costs, expenses and attorney's fees necessarily paid
or incurred by the grantor in such proceedings, shall be paid to the beneficiary
and applied by it first upon any reasonable costs and expenses and attorney's
fees necessarily paid or incurred by the beneficiary in such proceedings, and the
balance applied upon the indebtedness secured hereby; and the grantor agrees,
at its own expense, to take such actions and execute such instruments as shall
be necessary in obtaining such compensation, promptly upon the beneficiary's
request.

2. At any time and from time to time upon written request of the bene-
ficiary, payment of its fees and presentation of this deed and the note for can-
cellation, (in case of full reconveyance, for cancellation), the trustee may (a)
liability of any person for the payment of the indebtedness, (b) join in granting
conveyance to the making of any map or plat of said property, (c) join in any subordination
any agreement or creating and restriction thereon, (d) join in any reconvey-
ance without warranty, all or any part of the property. The grantor in any reconvey-
ance may be described as the "person or persons legally entitled thereto" and
the recitals thereof of any matters or facts shall be conclusive proof of the
truthfulness thereof. Trustee's fees for any of the services in this paragraph
shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the pro-
cessing of these trusts all rents, issues, royalties and profits of the prop-
erty affected by this deed and of any personal property located thereon. Until
partly affected by this deed and of any personal property located thereon or in
grantor shall default in the payment of any indebtedness secured hereby or in
the performance of any agreement hereunder, grantor shall have the right to col-
lect all such rents, issues, royalties and profits earned prior to default as they
become due and payable. Upon any default by the grantor hereunder, the bene-
ficiary may at any time without notice, either in person, by agent or by a re-
ficiary may be appointed by a court, and without regard to the adequacy of any
security for the indebtedness hereby secured, enter upon and take possession of
said property, or any part thereof, in its own name and for or otherwise collect
the rents, issues and profits, including those past due and unpaid, and apply
the same, less cost and expenses of operation and collection, including reason-
able attorney's fees, upon any indebtedness secured hereby, and in such order
as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the Trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50.00 each) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his deed in form as required by law, conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

9. When the Trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney; (2) To the obligation secured by the trust deed; (3) To all persons having recorded liens subsequent to the interests of the trustee in the trust deed as their interests appear in the order of their priority; (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

11. Trustee accepts this trust when this deed, duly executed and acknowledged is made a public record, as provided by law. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which the grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by the trustee.

12. This deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees devisees, administrators, executors, successors and assigns.
