TERMINATION OF EASEMENT

WHEREAS, Brooks-Scanlon, Inc. granted to the United States of America an easement for a road dated April 23, 1973, and recorded in Klamath County, Oregon, in Book M-73, page 6633, which easement contained the following provisions:

If for a period of five (5) years, the Grantee shall cease to use, or preserve for prospective future use, the road or any segment thereof for the purposes granted, or if at any time the Regional Forester determines that the road or any segment thereof is no longer needed for the purposes granted, the easement traversed thereby shall terminate. In the event of such nonuse or of such determination by the Regional Forester, the Regional Forester shall furnish to the Grantor, its successors, or assigns a statement in recordable form evidencing termination.

WHEREAS, the undersigned has determined that the United States of America has no further need for said easement.

NOW THEREFORE, this instrument is executed for the purpose of showing that it has been determined that the United States of America has no further need for the easement and that the easement pursuant to its provisions has ceased and terminated and is hereby canceled.
