Lot 7 in Block 26 of Tract 1113 Oregon Shores-Unif 2 as shown on the map filed on December 9, 1977 in Volume 21, Page 20 of Maps in the office of the County Recorder of said County.

* not as tenants in common, but with the
 right of survivorship

together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in anywise now or hereafter arising, pertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection with said real estate.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of Three Thousand

six hundred Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to

beneficiary or order and made by grantor, the final payment of principal and interest hereof, if not sooner paid, to be due and payable 25 May 1978. The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event obtained the written consent or approval of the beneficiary, or if any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having expressed therein or herein shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit waste of said property.

2. To complete and restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefore.

3. To comply with all laws, ordinances, regulations, covenants, conditions, and restrictions affecting said property; if the beneficiary so requests, to join in executing financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing same in the proper public office or offices, as well as the cost of all such searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.

4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other hazards as the beneficiary may from time to time require in an amount not less than \$_____ written in compasses acceptable to the beneficiary with loss payable to the latter, all policies of insurance shall be delivered to the beneficiary as soon as possible, if the grantor shall fail for any reason to procure any such insurance and to deliver said policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. The amounts collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. To keep said premises free from construction debris and to pay all taxes, assessments and other charges that may be levied or assessed upon or against said property, before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof and then sue so paid, with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereof and for such payments, with interest accrued, the property hereinbefore described, as well as the grants, shall be bound to the same extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.

6. To pay all costs, fees and expenses of this trust including the cost of title search as well as the other costs and expenses of the trustee incurred in connection with this obligation.

7. To appear in and defend any action or proceeding purporting to affect the security, rights or powers of beneficiary or trustee, and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including evidence of title and the attorney's or trustee's fees provided, however, in case the suit is between the grantor and the beneficiary or the trustee then the prevailing party shall be entitled to the attorney's fees herein described; the amount of attorney's fees mentioned in this paragraph 7 in all cases shall be fixed by the trial court or by the appellate court if an appeal is taken.

It is mutually agreed that:

8. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monthly payment of principal, interest, taxes, insurance, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by grantor in any proceedings, shall be paid to beneficiary and apportioned by it first upon any reasonable costs and expenses and attorney's fees both to the trust and appellate courts, and secondly paid or incurred by beneficiary in such proceedings, and the balance apportioned in the same proportion upon beneficiary's request.

9. At my desire and from time to time upon written request of beneficiary, payment of its fees and pro rata share of this deed and the note for enforcement for cause of full recoupeance, for cancellation, without affecting the subsidy of any person for the payment of the indebtedness, trustee may (a) consent to the making of any map or plan of said property; (b) join in granting any easement or creating any

restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereon; (d) reconvey, without warranty, all or any part of the property. The grantee in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph 9 shall not be less than \$5.

10. Upon any default by grantor hereunder, beneficiary may at any time with or without regard to the adequacy of any security in the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name sue or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees subject to paragraph 7 hereof upon any indebtedness secured hereby, in such order as beneficiary may determine.

11. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness hereby or in his performance of any agreement hereunder, the beneficiary may declare all sums received hereunder to be immediately due and payable. In such an event and if the above described real property is currently used for agriculture, timber or grazing purposes, the beneficiary may proceed to foreclose this trust deed in equity, as a mortgage in the manner provided by law for mortgage foreclosures. However, if said real property is not so currently used, the beneficiary at its election may proceed to foreclose this trust deed in equity as a mortgage or directly proceed to foreclose this trust deed by advertisement and sale. In the latter event the beneficiary or the trustee shall execute and cause to be recorded his written notice of default and his election to sell the said described real property to satisfy the obligation secured hereby, whereupon the trustee shall fix the time and place of sale, give notice thereof as then required by law, and proceed to foreclose this trust deed in the manner provided in ORS 567.749.

13. Should the beneficiary elect to foreclose by advertisement and sale then after default at any time prior to five days before the date set by the trustee for the trust's sale, the grantor or other person so privileged by ORS 567.760, may pay to the beneficiary or his successors in interest, respectively, the entire amount then due under the terms of the trust deed and the obligation secured thereby including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50 each other than such portion of the principal as would not then be due had no default occurred, and thereby cure the default, in which event all foreclosed property so sold shall be dismissed by the trustee.

14. Otherwise, the sale shall be held on the date and at the time and place designated in the notice of sale. The trustee shall sell said property either in one parcel or in separate parcels and shall sell the same or parcels at auction to the highest bidder for cash payable at the time of sale. Trustee shall deliver to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The rights in the deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, as would not then be due had no default occurred, and thereby cure the default, in which event all foreclosed property so sold shall be dismissed by the trustee.

15. When trustee sells pursuant to the powers provided herein, trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including the compensation of trustee and a reasonable charge by trustee's attorney, (2) to the obligation required by the trust deed, (3) to all persons having recorded liens subsequent to the interest of the trustee in the trust deed as their interests may appear in the order of their priority, and (4) the surplus, if any, to the grantor or his successor in interest entitled to such surplus.

16. For any reason permitted by law hereinabove set forth to cause appointment of a successor or successor to any trustee named herein, or to an associate trustee appointed hereunder, upon such appointment, and without severance from the successor trustee, the latter shall be vested with all title, powers and authority granted to any trustee herein named or appointed hereunder. Each such appointment and succession shall be made by written instrument executed by trustee, containing reference to this trust deed and its place of record, which, when recorded in the office of the County Clerk or Recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust when this deed, duly executed and acknowledged is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by trustee.

The grantor covenants and agrees to and with the beneficiary and those claiming under him, that he is lawfully seized in fee simple of said described real property and has a valid, unencumbered title thereto.

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney, who is an active member of the Oregon State Bar, a bank, trust company or savings and loan association authorized to do business under the laws of Oregon or the United States, a title insurance company authorized to transact title or property of this state, its subsidiaries, affiliates, agents or branches, or the United States or any agency thereof.
