performance of each agreement of the grantor herein contained and the payment of the sum of **THIRTY TWO THOUSAND FIVE
HUNDRED AND NOV 100** Dollars, with interest thereon according to the terms of a promissory note of even date hereunto, payable to the
beneficiary, or order, and made by the grantor, principal and interest being payable in monthly installments of \$ **286.65** commencing

September 1978

This trust deed shall secure the payment of such additional money, if any, as may be loaned, advanced by the beneficiary to the grantor or others
having an interest in the above-described property, as may be evidenced by a
note or notes. If the indebtedness secured by this trust deed is evidenced by
more than one note, the beneficiary may credit payments received by it upon
any of said notes as payment of the principal payment of one note and part or advance
to the beneficiary may add the amount of such deficit to the principal of the

obligation secured hereby.

If the grantor fails to keep any of the foregoing covenants, then the
beneficiary may at its option carry out the same, and all its expenditures there-

the grantor on demand and shall be secured by this item of this trust deed. In

costs and expenses, including cost of evidence of title and attorney's fees in a
reasonable sum to be fixed by the court, in any such action or proceeding in
which the beneficiary or trustee may appear and in any suit brought by the
beneficiary to foreclose this deed; and all said sums shall be secured by this trust
deed.

The beneficiary will furnish to the grantor on written request therefor an
annual statement of account but shall not be obligated or required to furnish
any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken
under the right of eminent domain or condemnation, the beneficiary shall have
the right to commence, prosecute in its own name, appear in or defend any ac-
tion or proceeding, or to make any compromise or settlement in connection with
such taking and, if it so elects, to require that all or any portion of the money re-
payable as compensation for such taking, which are in excess of the amount re-
quired to pay all reasonable costs, expenses and attorney's fees necessarily paid
or incurred by the grantor in such proceedings, shall be paid to the beneficiary
and paid by it first upon any reasonable costs and expenses and attorney's
fees necessarily paid or incurred by the beneficiary in such proceedings, and the
balance applied upon the indebtedness secured hereby; and the grantor agrees
at its own expense, to take such actions and execute such instruments as shall
be necessary in obtaining such compensation, promptly upon the beneficiary's
request.

2. At any time and from time to time upon written request of the bene-
ficiary, payment of its fees and presentation of this deed and the note for em-
bodiment, in case of full recovery, for cancellation, without affecting the
liability of any person for the payment of the indebtedness, the trustee may (a)
convey to the making of any map or plat of said property; (b) join in granting
any easement or creating and restricting them; (c) join in any subdivision
or other agreement affecting this deed or the use or charge hereof; (d) recover
without warranty, all or any part of the property. The grantee in any recovery
may be described as the "person or persons legally entitled thereto" and
the results thereof of any matters or facts shall be conclusive proof of the
beneficiary's title thereto. Trustee's fees for any of the services in this paragraph
shall be paid by the grantor.

3. An additional security, grantor hereby assigns to beneficiary during the
continuance of this trust, all rents, issues, royalties and profits of the prop-
erty affected by this deed and of any personal property located thereon. Until
paid in full the payment of any indebtedness secured hereby or in
the performance of any agreement hereunder, grantor shall have the right to col-
lect all such rents, issues, royalties and profits earned prior to default as they
become due and payable. Upon any default by the grantor hereunder, the bene-
ficiary may at any time without notice, either in person, by agent or by a re-
solar to be appointed by a court, and without regard to the adequacy of any
security for the indebtedness hereby secured, enter upon and take possession of
said property, or any part thereof, in its own name sue for or otherwise collect
the rents, issues and profits, including those past due and unpaid, and apply
the same, less costs and expenses of operation and collection, including reason-

left evidence was in usual formality of the parties to the instrument, shall constitute the number of the instrument and date of execution of any instrument relating to the instrument.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default; however, or invalidate any act done pursuant to such notice.

5. The grantor and his beneficiary in writing, of any sale or conveyance for sale, of the above described property and benefits beneficiary on a term or terms, it with some general information concerning the purchase, as aforesaid, shall be registered at new loan applications and shall pay beneficiary a reasonable compensation for same.

6. If there is no notice of the occurrence of the payment of any default by the grantor, he may pay any amount due and payable to him by the trustee, immediately due and payable by delivery to the trustee of written notice of default and demand to sell the trust property, while notice trustee shall cause to be delivered for record. Upon delivery of such notice of default and demand to sell, the trustee shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditure incurred thereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

7. After default, and any time prior to five days before the date set by the trustee for the trustee's sale, the grantor or other persons so entitled may pay the entire amount then due under this trust deed and its accompanying instruments (including costs) and expenses actually incurred in enforcing the terms of the obligation, and trustee and attorney fees not exceeding \$500.00 each, other than such portion of the amount as would not then be due had no default occurred, and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property as trustee and place of sale by public auction or, either as a whole or in several parcels, and in such order as he may determine, at public auction to the highest bidder for sum or sums of money of the United States, payable at the time of sale, or during a lawful delay of the sale, and of said property by public announcement at such time and place of sale and from time to time thereafter, any portion of the title by public announcement of the title to the property, and the name of the person to whom the title has been sold.
