WITNESSETH:

Grantor irrevocably grants, bargains, sells and conveys to trustee in trust, with power of sale, the property in KLAMATH COUNTY, OREGON, described as:

Lot 13 in Block 24 of Tract 1113 Oregon Shores Unit 2 as shown on the map filed on December 9, 1977 in Volume 21, Page 20 of Maps in the office of the County Recorder of said County.

together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in anywise now or hereafter appertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection with said real estate.

FOR THE PURPOSES OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of FOUR THOUSAND Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to ANNE HENDERSON FILLEY

beneficiary or order and made by grantor, the final payment of principal and interest hereof, if not sooner paid, to be due and payable JULY 18, 1988 on the date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event the within described property or any part thereof is sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent of the trustee, the trustee shall have the option, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, shall become immediately due and payable.

The above described real property is not to be used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of said property.
2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.
3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be required by the beneficiary.
4. To provide and continuously maintain insurance on the buildings now and hereafter erected on the said premises against loss or damage by fire and other causes, hereinafter referred to as "insurance," in companies acceptable to the beneficiary, with loss payable to the latter; all policies of insurance shall be delivered to the beneficiary as soon as issued; if the grantor shall fail for any reason to procure any such insurance and to deliver said policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. The amount collected under any fire or other insurance policy may be applied by the beneficiary upon any indebtedness secured hereby and in such order as the beneficiary may determine, or, on option of beneficiary, the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
5. To keep said premises free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against said property before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing other charges payable by grantor, with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed shall be added to and become a part of the debt secured by this deed; without waiver of any rights arising from breach of any of the covenants hereof and for such payments, with interest as aforesaid, the property hereinafter described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.
6. To pay all costs, fees and expenses of this trust, including the cost of title search as well as all other costs and expenses of the trustee incurred in connection with this obligation.
7. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee; and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney's fees provided, however, in case the suit is between the grantor and the beneficiary or the trustee then the prevailing party shall be entitled to the attorney's fees herein described; the amount of attorney's fees mentioned in this paragraph 7 in all cases shall be fixed by the trial court or by the appellate court if an appeal is taken.

IT IS MUTUALLY AGREED THAT:

In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the money payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees, both in the trial and appellate courts, necessarily paid or incurred by beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby; and grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary's request.

8. At any time and from time to time upon written request of beneficiary, payment of its fees and presentation of this deed and the note for endorsement (in payment of its fees and presentation of this deed and the note for endorsement) without affecting the liability of any person for the payment of the indebtedness, trustee may (a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any

restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereof; (d) reconvey, without warranty, all or any part of the property. The grantor in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by grantor hereunder, beneficiary may at any time with due notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name and/or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees subject to paragraph 7 hereof upon any default hereunder, in such order as beneficiary may determine.

11. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or the proceeds of sale or awards for any taking or damage of the property, and the compensation or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured hereby or in his performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable. In such an event and if the above described real property is currently used for agricultural, timber or grazing purposes, the beneficiary may proceed to foreclose this trust deed in equity, as a mortgagee in the manner provided by law for mortgage foreclosures. However, if said real property is not so currently used, the beneficiary at his election may proceed to foreclose this trust deed in equity as a mortgagee or direct the trustee to foreclose this trust deed by advertisement and sale. In the latter event the beneficiary or the trustee shall execute advertisement and sale. In the latter event the beneficiary or the trustee shall execute advertisement and sale. In the latter event the beneficiary or the trustee shall execute advertisement and sale. In the latter event the beneficiary or the trustee shall execute advertisement and sale.

14. Otherwise, the sale shall be held on the date and at the time and place designated in the notice of sale. The trustee may sell said property either in one parcel or in separate parcels and shall sell the parcel or parcels at auction to the highest bidder for cash, payable at the time of sale. Trustee shall deliver to the purchaser its deed in form as required by law conveying the property as sold, but without any covenant or warranty, express or implied. The recitals in the deed of any person, matters of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the powers provided herein, trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including the compensation of the trustee and a reasonable charge by trustee's attorney, (2) to the obligation secured by the trust deed, (3) to all persons having recorded liens subsequent to the interest of the trustee in the trust deed as their interests may appear in the order of their priority and (4) the surplus, if any, to the grantor or to his successor in interest entitled to such surplus.
