which said described real property is not currently used for agricultural, timber or grazing purposes,

together with all and singular the appurtenances, tenements, hereditaments, rents, issues, profits, water rights, easements or privileges now or hereafter belonging to, derived from or in anywise appertaining to the above described premises, and all plumbing, lighting, heating, ventilating, air-conditioning, refrigerating, watering and irrigation apparatus, equipment and fixtures, together with all awnings, venetian blinds, floor covering in place such as wall-to-wall carpeting and linoleum, shades and built-in appliances now or hereafter installed in or used in connection with the above described premises, including all interest therein which the grantor has or may hereafter acquire, for the purpose of securing the performance of each agreement of the grantor herein contained and the payment of the sum of **FIFTEEN THOUSAND, FIVE HUNDRED AND NO/100** Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to the beneficiary, or order and made by the grantor, principal and interest being payable in monthly installments of **\$166.60** commencing **November 1, 1978**.

This trust deed shall further secure the payment of such additional money, if any, as may be loaned hereafter by the beneficiary to the grantor or others having an interest in the above described property, as may be evidenced by a note or notes. If the indebtedness secured by this trust deed is evidenced by more than one note, the beneficiary may credit payments received by it upon any of said notes or part of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein that the said premises and property conveyed by this trust deed are free and clear of all encumbrances and that the grantor will and his heirs, executors and administrators shall warrant and defend his said title thereto against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms thereof and, when due, all taxes, assessments and other charges levied against said property; to keep said property free from all encumbrances having predate priority over this trust deed; to complete all buildings in course of construction on the date construction is hereafter commenced; to repair and restore hereon or the date construction is hereafter commenced; and to pay, when due, all said property which may be damaged or destroyed and pay, when due, all costs incurred therefor; to replace any work or materials unsatisfactory to the beneficiary within fifteen days after written notice from beneficiary of such times during construction; to allow beneficiary to inspect said property at all times; not to remove or destroy any building or improvements now or hereafter constructed on said premises; to keep all buildings and improvements now or hereafter erected upon said property in good repair and to commit or suffer by fire or other such hazards as the beneficiary may from time to time require, now or hereafter erected on said premises continuously insured against loss in a sum not less than the original principal sum of the note or obligation secured by this trust deed, in a company or companies acceptable to the beneficiary, and to deliver the original policy of insurance in correct form and with approved loss payable clause in favor of the beneficiary at least fifteen days prior to the effective date of any such policy of insurance. If said policy of insurance is not so tendered, the beneficiary may in its own discretion obtain insurance for the benefit of the beneficiary, which insurance shall be non-cancellable by the grantor during the full term of the policy thus obtained.

That for the purpose of providing regularly for the prompt payment of all taxes, assessments, and governmental charges levied or assessed against the above described property and insurance premium while the indebtedness secured hereby is in excess of 80% of the original purchase price paid by the grantor at the time the loan was made or the beneficiary's original appraisal value of the property at the time the loan was made, grantor will pay to the beneficiary in addition to the monthly payments of principal and interest payable under the terms of the note or obligation secured hereby on the date installments on principal and interest are payable an amount equal to 1/12 of the taxes, assessments and other charges due and payable with respect to said property within each succeeding three month period while this Trust Deed is in effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor interest on said amounts at a rate not less than the highest rate authorized by law to be charged by banks on their open passbook accounts minus 3/4 of 1%. If such rate is less than 4%, the rate of interest paid shall be 4%. Interest shall be computed on the average monthly balance in the account and shall be paid quarterly to the grantor by credit to the escrow account the amount of the interest due.

While the grantor is to pay any and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same begin to bear interest and also to pay premiums on all insurance policies upon said property, such payments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges levied or imposed against said property in the amounts as shown by the statements thereof furnished by the collector of such taxes, assessments or other charges, and to pay the insurance premiums in the amounts shown on the statements submitted by the insurance carriers or their representatives and to withdraw the sums which may be required from the reserve account, if any, established for that purpose. The grantor agrees in no event to hold the beneficiary responsible for failure to have any insurance policy, and the beneficiary hereby is authorized in the event of any loss, to compromise and settle with any insurance company and to apply any such insurance receipts upon the obligations secured by this trust deed. In computing the amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the reserve account shall be credited to the indebtedness. If any authorized reserve account for taxes, assessments, insurance premiums and other charges is not sufficient at any time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at its option carry out the same and all its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In this connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence, prosecute in its own name, appear in or defend any action or proceedings, or to make any compromise or settlement in connection with such taking and, if it so elects, to require that all or any portion of the amount payable as compensation for such taking, and attorney's fees necessarily paid by the grantor in such proceedings, shall be paid to the beneficiary or incurred by the grantor in such proceedings, and the grantor agrees, and the beneficiary agrees, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon the beneficiary's request.

8. After the lapse of such time as may then be required by law following the recordation of said notice of default and giving of said notice of sale, the trustee shall sell said property in one or more lots and places fixed by him in said notice of sale, either in one or more separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale.
