TRUST DEED

Vol. 79 Page 7570

THIS TRUST DEED, made this 22nd day of March 1979, between DANIEL J. DUFF and DORIS V. DUFF, husband and wife, as grantor, William Sisemore, as trustee, and United States, as beneficiary;

The grantor irrevocably grants, bargains, sells and conveys to the trustee, in trust, with power of sale, the property in Klamath County, Oregon, described as:

Lot 2, Block 14, Tract No. 1064, FIRST ADDITION TO GATEWOOD, in the County of Klamath, State of Oregon.

79 APR 5 PM 3 57

which said described real property is not currently used for agricultural, timber or grazing purposes, together with all and singular the appurtenances, tenements, hereditaments, rents, issues, profits, water rights, easements or privileges now or hereafter belonging to, derived from or in anywise appertaining to the above described premises, and all plumbing; lighting; heating; ventilating; air-conditioning; refrigerating; watering and irrigation apparatus, equipment and fixtures together with all awnings, venetian blinds, floor covering in place such as wall-to-wall carpeting and linoleum, shades and built-in appliances now or hereafter installed in or used in connection with the above described premises, including all interest therein which the grantor has or may hereafter acquire, for the purpose of securing performance of each agreement of the grantor herein contained and the payment of the sum of **THIRTY SEVEN THOUSAND THREE HUNDRED SIXTY AND NO/100** (\$37,360.00) Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to the beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$ **343.34** commencing September 25th 1979.

This trust deed shall further secure the payment of such additional money, having as interest in the above described property, as may be evidenced by a note or notes. If the indebtedness secured by this trust deed is evidenced by any of said notes, or part of any payment on one note and part on another, the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein that the said premises and property conveyed by this trust deed are free and clear of all encumbrances and that the grantor will and his heirs, executors and administrators shall warrant and defend his said title thereto against the claims of all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms thereof and, when due, all taxes, assessments and other charges levied against said property, to keep said property free from all encumbrances having precedence over this trust deed; to complete all buildings in course of construction hereof or the date construction is hereafter commenced; to repair and restore said property which may be damaged or destroyed and pay, when due, all times during construction; to replace any work or materials unsatisfactory to fact; not to remove or destroy any building improvements now or hereafter constructed on said premises; to keep all buildings, property and improvements hereafter erected upon said property in good repair and to commit or suffer now or hereafter, erected on said premises continuously insured against loss by fire or such other hazards as the beneficiary may from time to time require, in a sum not less than the original principal sum of the note or obligation secured by this trust deed, in a company or companies acceptable to the beneficiary, and to deliver the original policy of insurance in correct form and with premium paid, to the principal place of business of the beneficiary attached and with fifteen days prior to the effective date of any such policy of insurance. If said policy of insurance is not so tendered, the beneficiary may in its own discretion obtain insurance for the benefit of the beneficiary, which insurance shall be non-cancelable by the grantor during the full term of the policy thus obtained.

While the grantor is to pay any and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same shall be paid, the beneficiary is to pay any and all taxes, assessments and other charges levied or assessed against said property in the amounts as shown by the statements, thereof furnished by the collector of such taxes, assessments and other charges, and to pay the insurance premiums in the amounts shown on the statements submitted by the insurance carriers or their representatives and to withdraw the sums which may be required from the reserve account, if any, established for that purpose. The grantor agrees to hold the beneficiary responsible for failure to have any insurance written or for any loss or damage growing out of a defect in any insurance policy, and the beneficiary hereby is authorized, in the event of any loss to compromise and settle with any insurance company and to apply any such insurance receipts upon the obligations secured by this trust deed. In computing the amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the reserve account shall be credited to the indebtedness. If any authorized reserve account for taxes, assessments, insurance premiums and other charges is not sufficient at any time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at its option carry out the same, and all its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In this connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; to pay all costs, fees and expenses of this trust, including the cost of title search, as well as the other costs and expenses of the trustee, incurred in connection with or in enforcing this obligation, and trustee's and attorney's fees actually incurred; to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the beneficiary or trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a suit brought by the beneficiary or trustee may appear and in any suit brought by the beneficiary to foreclose this deed, and all said sums shall be secured by this trust deed.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence, prosecute in its own name, appear in or defend any such taking and, if it so elects, to require that all or any portion of the money's required to pay all reasonable costs, expenses and attorney's fees necessarily paid and applied by the grantor in such proceedings, shall be paid to the beneficiary as compensation for such taking, which are in excess of the amount or balance applied upon the indebtedness secured hereby; and the grantor agrees, at its own expense, to take such action and execute such instruments as shall be necessary in obtaining such compensation, promptly upon the beneficiary's request.

2. At any time and from time to time upon written request of the beneficiary, payment of its fees and presentation of this deed and the note for cancellation (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, the trustee may (a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating and restriction thereon; (c) join in any subdivision without warranty, all or any part of the property. The grantor in any reconveyance shall be described as the "person or persons legally entitled thereto" and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services in this paragraph shall be \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the continuance of these trusts all rents, issues, royalties and profits of the property affected by this deed and of any personal property located thereon. Until the performance of any agreement hereunder, grantor shall have the right to collect all such rents, issues, royalties and profits earned prior to default as they fall due and payable. Upon any default by the grantor hereunder, the beneficiary may at any time without notice, either in person, by agent or by a receiver appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the rents, issues and profits, including those past due and unpaid, and apply the same to the payment of the indebtedness secured hereby, and in such order as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of the agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice of default and election to sell shall be filed for record. Upon delivery of said notice of default and election to sell the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the trustee for the sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby, including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not then due had no default occurred, and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter set the time and place of sale by public announcement.

9. When the Trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney; (2) To the obligation secured by the trust deed; (3) To all persons having recorded liens subsequent to the interests of the trustee in the trust deed as their interests appear in the order of their priority; (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

11. Trustee accepts this trust when this deed, duly executed and acknowledged is made a public record, as provided by law. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which the grantor, beneficiary or trustee shall be a party, unless such action or proceeding is brought by the trustee.

12. This deed applies to, and binds the heirs, legatees, devisees, administrators, executors, successors and assigns. The term "beneficiary" shall mean the holder and owner, including herein, in construing this deed and whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

IN WITNESS WHEREOF, said grantor has hereunto set his hand and seal the day and year first above written.
