easement for public utilities, irrigation and drainage as shown, and additional restrictions as shown in any recorded protective covenants; no changes will be made in the irrigation ditches without the consent of the Malin Irrigation District, its successors or assigns... This plat is approved subject to the following conditions: 1. The owners of the land in this subdivision, their heirs and assigns in whom title may be vested, shall always at their own expense properly install, main-tain, and operate such irrigation system. 2. The Malin Irrigation District, its successors and assigns, and the United States, person, firm or corporation operating and the irrigation works of the District, shall never be liable for damage caused by improper construction, operation or care of such system or for lack of sufficient water for irrigation. 3. The liability of the operators of the District shall be limited to easement for public utilities, irrigation and drainage as shown, and 3. The liability of the operators of the District shall be limited to the delivery of water at established outlets of the USBR canal. 4. The lands will always be subject to irrigation assessments whether or not irrigation water is furnished."

4. Any unpaid charges or assessments of the City of Malin for municipal improvements.
